IV. ALLOCATION OF ITEMS	32 - 34	25

I. INTRODUCTION

1. At its 1st meeting, on 21 September X988, the General Committee considered a memorandum by the Secretary-General relating to the organization of the forty-third regular session of the General Assembly, the adoption of the agenda and the allocation of items (A/BUR/43/1 and Corr.1 and Add.1). A summary of the discussion will appear in the summary record of the meeting (A/BUR/43/SR.1).

2. At the suggestion of the Secretary-General in paragraph 3 of his memorandum (A/BUR/43/1), the General Committee draws the attention of the General Assembly to the provisions reproduced in annexes V, VI and VII of its rules of procedure.

II. ORGANIZATION OF THE SESSION

A. General Committee

3. The General Committee took note of the General Assembly decisions relevant to its work which were brought to the Committee's attention by the Secretary-General in paragraph 4 of his memorandum (*ibid.*).

B. Rationalization of work

4. At the suggestion of the Secretary-General (*ibid.*, para. 6), who referred to resolution 41/213 of 19 December 1986, the General Committee draws the attention of the General Assembly to recommendations 2, 3 and 7 of the Group of High-level Intergovernmental Experts to Review the Efficiency of the Administrative and Financial Functioning of the United Nations, 1/ which read as follows:

(a) The relevant provisions of recommendation 2 read as follows;

"The number of conferences and meetings can be significantly reduced and their duration shortened without affecting the substantive work of the Organization. To this end:

...

"(b) The General Assembly and the Economic and Social Council should request their subsidiary bodies to review urgently their current agendas and schedules of meetings; in order to reduce substantially their number, frequency and duration. In this context, the move towards biennialization of conferences and meetings, which has been initiated particularly in the economic and social fields, should be vigorously pursued;

1/ Official Records of the General Assembly, Forty-first Session, Supplement No. 49 (A/41/49), para. 21.

"(c) As there continues to be large differences between planned and actual **utilization** of available *conference* resources by *numerous* United Nations bodies, these bodies should be requested to provide a more realistic assessment of their needs. The Committee on Conferences should, in co-operation with the bodies concerned, ensure that wastage of conference-service resources is minimised through a reduction in the projections of the length and, *where* appropriate, the frequency of meetings of those bodies that have consistently **utilized** a lower level of resources than planned; "

(b) The relevant provisions of recommendation 3 read as follows:

"The procedures and methods of work of the General Assembly and its subsidiary organs, particularly its Main Committees, should be streamlined and thereby made more effective. Many recommendations have been put forward to this effect. In this connection, the following points **should** be emphasised!

"(a) The high cost of holding meetings of the principal organs of the United Nations makes it imperative to **utilize** fully available services. The responsibility for this rests with the presiding officers of these organs, as well as the representatives of Member States;

"(b) The agenda of the General Assembly should be rationalised by grouping or merging, to the extent possible, related items and by setting an interval of two or more years for the discussion of certain items;

"(c) The possibility of holding the meetings of the Fourth Committee and the Special Political Committee in **sequential** order should be addressed;

"(d) The distribution of agenda items among the Main Committees of the General Assembly and between those Committees and the plenary meetings of the Assembly should be reviewed, in order to ensure the best possible use of the expertise of the Committees and of the time and resources available;

"(e) As a rule, the General Assembly should not create new subsidiary organs without discontinuing existing ones;"

(c) Recommendation 7 reads as follows;

"Since the cost of processing and distributing as official documents communications received from Member States is estimated at \$2 million per biennium, Member States should co-operate in significantly curtailing this practice. The provisions of General Assembly decision J4/401 should be strictly adhered to."

Furthermore, in connection with recommendation 3 (c) of the Group of High-level Intergovernmental Experts (see para. (b) above), the General Committee recommends to the General Assembly, that, as at recent sessions, the holding of concurrent

meetings of the Special Political Committee and the Fourth Committee should be avoided, to the extent possible and with the necessary flexibility, during the forty-third session.

5. The General Committee took note of the information brought to its attention by the Secretary-General in his memorandum (*ibid.*, paras. 7 and 8) relating to the recommendations of the Economic and Social Council contained in its decision 1988/182 of 29 July 1988 on the in-depth study by the Special Commission of the Economic and Social Council on the In-depth Study of the United Nations Intergovernmental Structure and Functions in the Economic and Social Fields, and concerning the measures he has already undertaken in pursuance of the goal of renewal and reform.

C. Closing date of the session

6. Noting that the normal closing date would be Tuesday, 20 December, at the suggestion of the Secretary-General (*ibid.*, para. 9), the General Committee recommends that, in view of the financial problems still being faced by the United Nations and in the context of the process of renewal and reform under way, and in the light of the concurrence expressed by the regional groups prior to the convening of the forty-third session, no closing date should be decided upon at this time and that every effort should be made to curtail to the maximum extent practicable the duration of the forty-third session.

D. Schedule of meetings

7. At the suggestion of the Secretary-General (*ibid.*, para. 10), the General Committee recommends to the General Assembly that, as a cost-saving measure, morning meetings should start at 10 a.m. promptly for all plenary meetings and meetings of the Main Committee during the forty-third session.

8. Also at the suggestion of the Secretary-General (*ibid.*, para. 11), the General Committee recommends that, in order to avoid the late start of meetings and as a cost-saving measure, the General Assembly should waive, as decided at the 3rd plenary meeting of its forty-second session, on 18 September 1987, the requirement of the presence of at least one third of the members to declare a plenary meeting open and permit the debate to proceed and one quarter of the members to declare a meeting of the Main Committee open and permit the debate to proceed. This recommendation would be made on the understanding that it would not involve any permanent change in the relevant provisions of rules 67 and 108 of the rules of procedure pertaining to the opening of meetings (see A/42/PV.3).

9. In this connection, the General Committee also recommends to the General Assembly that delegations should be reminded of the utmost importance of punctuality in the interest of ensuring an effective and orderly organization of work and achieving economies for the United Nations.

E. General debate

P0. At the suggestion of **the Secretary-General (A/BUR/43/1, paras. 13 and 14)**, the General Committee recommends **that:**

(a) The general debate should begin on Monday, 26 September and end on Friday, 14 October 1988;

(b) The list of speakers *in the* general debate should **be closed on** Wednesday, 28 September, at 6 p.m.

11. On the proposal of the Secretary-General (*ibid.*, *para. 15*), the General Committee **draws the General Assembly's attention to the decision taken by** the Assembly at the 3rd plenary meeting of its forty-second session, namely that the practice of expressing congratulations *in the* General Assembly Hall after a speech had been delivered **was prohibited** and recommends that the provision **should** also apply during the forty-third *session*.

F. Explanations of vote, right of reply and length of statements

12. At the suggestion of the Secretary-General (*ibid.*, *para. 16*), the General Committee draws the attention of *the* General Assembly to **paragraphs 6, 7 and 6** of its **decision 34/401 (A/520/Rev.15, annex VI)**, which read **as follows:**

"6. Explanations of *vote* should be limited to ten minutes.

"7. When the same draft resolution is considered in a **Main Committee** and *in* plenary meeting, a delegation should, as far as possible, explain its vote *only* once, i.e., either *in the* Committee or in plenary meeting, unless that delegation's vote in plenary meeting is different *from its* vote *in the* Committee.

"8. Delegations should exercise their right of reply at the end of the day whenever two meetings **have** been scheduled for that day and whenever such meetings **are** devoted to the consideration of the same item."

13. Furthermore, in connection **with the length of statements, with a view to** streamlining the procedures of the General Assembly and as a cost-saving measure, the **General Committee draws the attention of the Assembly, as it did at the** forty-second session, to rules 72 and 114 of the rules of procedure and paragraph 22 of annex VI thereof for appropriate action **in** plenary meeting **and** the Main Committees.

G. Records of meetings

14. As at past sessions (*ibid.*, *para. 18*), verbatim records will continue to be provided during **the** forty-third session, for the plenary meetings of the Assembly and meetings of the First Committee and summary records will be provided to the

General Committee, the Credentials Committee and the other Main Committees of the Assembly. In accordance with the recommendation of the Special Committee on the Rationalisation of the Procedures and Organization of the General Assembly (A/520/Rev. 15, annex V, para. 108 (b)), the General Committee recommends that the Assembly should maintain for the forty-third session the practice whereby the Special Political Committee may obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof. These transcriptions, which would not be part of the official records of the Committee, would be provided as the required services became available. Furthermore, the General Committee wishes to draw the Assembly's attention to paragraphs 8 and 9 of its resolution 38/32 E of 25 November 1983, which read as follows:

"8. Decides that the practice of reproducing statements in extenso as separate documents shall be discontinued for all its subsidiary organs that are entitled to summary records;

"9. Decides further that any exceptions to this rule may be made by the body concerned only if the statements are to serve as bases for discussion and if, after hearing a statement of the relevant financial implications, the body decides that one or more statements in extenso may be included in the summary record, or reproduced as separate documents or as annexes to authorized documents;"

In this connection, the General Committee also recommends to the General Assembly that the practice not to reproduce in extenso statements made in a Main Committee should be maintained for the forty-third session.

H. Election of the Chairmen of the Main Committees

15. At the suggestion of the Secretary-General (*ibid.*, para. 20), the General Committee draws the General Assembly's attention to paragraphs 18 and 19 of its decision 34/401, which read as follows:

"18. Before the conclusion of a session of the General Assembly, regional groups should agree on the distribution of chairmanships among them for the following session.

"19. Candidates for the chairmanships of the Main Committees should be nominated as soon as possible."

I. Concluding statements

16. At the suggestion of the Secretary-General (*ibid.*, para. 21), the General Committee draws the General Assembly's attention to paragraph 17 of its decision 34/401, which reads as follows:

"17. To save time at the end of the session, the practice of making concluding statements in the General Assembly and its Main Committees should be dispensed with except for statements by the presiding officers,"

J. Questions related to the programme budget

17. At the suggestion of the Secretary-General (*ibid.*, paras. 22 and 23), who referred to rule 153 of the rules of procedure, the General Committee draws the General Assembly's attention to paragraphs 12 and 13 of its decision 34/401, which read as follows:

"12. It is imperative that Main Committees should allow sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee and that they should take this requirement into account when they adopt their programme of work.

"13. Furthermore :

(a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;

(b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, namely, \$25,000 on any one item;

(c) Firm deadlines should be set for the early submission of the reports of subsidiary organs which require consideration by the Fifth Committee;

(d) A minimum period of forty-eight hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications."

If the General Assembly decides to curtail the duration of the forty-third session, the mandatory deadline mentioned above should be adjusted accordingly.

Furthermore, the General Committee draws the attention of the Assembly to paragraph 6 of its resolution 35/10 A of 3 November 1980, which reads as follows:

"6. Decides that all proposals affecting the schedule of conferences and meetings made at sessions of the General Assembly shall be reviewed by the Committee on Conferences when administrative implications are being considered under the requirements of rule 153 of the rules of procedure of the Assembly."

18. Also at the suggestion of the Secretary-General (*ibid.*, para. 22), the General Committee draws the General Assembly's attention to regulation 4.9 of the Regulations Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (resolution 37/234, annex), which reads as follows:

"Regulation O. No Council, Commission or other competent body shall take a decision involving either a change in the programme budget approved by the General Assembly or the possible requirement of expenditure unless it has received and taken account of a report from the Secretary-General on the programme budget implications of the proposal."

K. Documentation

19. On the proposal of the Secretary-General (A/BUR/43/1, para. 24), the General Committee draws the General Assembly's attention to paragraph 28 of its decision 34/401, which reads as follows;

"28. The General Assembly, including its Main Committees, should merely take note of those reports of the Secretary-General or subsidiary organs which do not require a decision by the Assembly and should neither debate nor adopt resolutions on them, unless specifically requested to do so by the Secretary-General or the organ concerned."

20. Furthermore, the General Committee took note of the proposal by the Secretary-General that the Committee should examine in depth the question of how to control and limit documentation (*ibid.*, para. 25).

L. Resolutions

21. At the suggestion of the Secretary-General (*ibid.*, para. 26), the General Committee draws the General Assembly's attention to paragraph 32 of its decision 34/401, which reads as follows:

"32. Whenever possible, resolutions requesting the discussion of a question at a subsequent session should not call for the inclusion of a separate new item and such discussion should be held under the item under which the resolution was adopted."

22. Furthermore, at the suggestion of the Secretary-General (*ibid.*, paras. 27 and 28), the General Committee draws the General Assembly's attention to recommendation 3 (f) of the Group of High-level Intergovernmental Experts, which reads as follows:

"(f) Efforts should be made to reduce the number of resolutions adopted by the General Assembly. Resolutions should request reports of the Secretary-General only in cases where that would be indispensable for facilitating the implementation of these resolutions or the continued examination of the question."

The Committee also draws the Assembly's attention to the relevant recommendations made by the Presidents of the General Assembly (A/40/377, appendix),

M. Special conferences

23. At the suggestion of the Secretary-General (**A/BUR/43/1, para. 29**), the General Committee draws the General Assembly's attention to recommendation 6 of the Committee on Conferences, **2/** adopted by the Assembly in paragraph **(b)** of its decision **34/405**, which reads as follows:

"**(b)** The Committee, taking into account difficulties encountered in ensuring adequate preparation of meetings, including timely distribution of documentation, as well as the ability of Member States to participate fully, recommends that the General Assembly should instruct the Main Committees to review the number of special conferences of the United Nations already proposed and scheduled in their respective fields of activity prior to deciding upon the scheduling of new and additional special conferences, thus bearing in mind the relevant portions of General Assembly resolution **33/55.**"

The General Committee also draws the Assembly's attention to recommendation 2 **(d)** of the Group of High-level Intergovernmental Experts, **which** reads as follows:

"Until 1978, a number of resolutions had requested that only one major conference be scheduled annually. The decision of the General Assembly that no more than five special conferences should take place in a given year and that no more than one special conference should be convened at the same time should be strictly implemented."

24. Furthermore, at the suggestion of the Secretary-General (**ibid., para. 30**), the General Committee draws the General Assembly's attention to the relevant provisions of recommendation 4 of the Group of High-level Intergovernmental Experts which reads as follows:

"The existing principle that United Nations bodies should meet at their respective established headquarters, as provided for in General Assembly resolution **40/243** of 18 December 1985, should be strictly enforced. Whenever the Assembly accepts an invitation from the Government of a Member State to hold a conference or meeting away from established headquarters, the additional cost should be borne in full by that Government. The methods of budgeting these costs should be improved so as to ensure that all additional costs are accounted for."

N. Meetings of subsidiary organs

25. The General Committee, in the light of recommendations submitted by the Committee on Conferences (A/43/600), recommends to the General Assembly that the following subsidiary organs should be authorized to meet during the forty-third session:
