Believing that the establishment of a nuclear-weapon-free zone in South Asia, as in other regions, will assist in the strengthening of the security of the States of the region against the use or threat of use of nuclear weapons,

Taking note with appreciation of the declarations issued at the highest level by Governments by South Asian States that are developing their peaceful nuclear programmes, reaffirming their undertaking not to acquire or manufacture nuclear weapons and to devote their nuclear programmes exclusively to the economic and social advancement of their peoples,

Welcoming the recent proposal for the conclusion of a bilateral or regional nuclear-test-ban agreement in South Asia,

Taking note of the proposal to convene, under the auspices of the United Nations, a conference on nuclear non-proliferation in South Asia as soon as possible, with the participation of the regional and other concerned States,

Taking note also of the proposal to hold consultations among five nations with a view to ensuring nuclear non-proliferation in the region,

Considering that the eventual participation of other States as appropriate in this process could be useful,
