When several resolutions or decisions were adopted under the same number, each of them has been identified by a capital letter placed after the two numerals (for example: resolution 31/16 A, resolutions 31/6 A and B, decisions 31/406 A to E).

Special sessions

Until the seventh special session, the resolutions of the General Assembly were identified by an arabic numeral followed, in parentheses, by the letter "S" and a roman numeral indicating the session (for example: resolution 3362 (S-VII)). The decisions were not numbered.

48/27. The situation of democracy and human rights in Haiti

B²

The General Assembly,

Having considered further the item entitled "The situation of democracy and human rights in Haiti",

Recalling its resolutions 46/7 of 11 October 1991, 46/138 of 17 December 1991, 47/20 A and B of 24 November 1992 and 20 April 1993, respectively, 47/143 of 18 December 1992, 48/27 of 6 December 1993 and 48/151 of 20 December 1993, as well as the resolutions and decisions adopted on the question by the Economic and Social Council and the Commission on Human Rights,

Recalling also Security Council resolutions 841 (1993) of 16 June 1993, 861 (1993) of 27 August 1993, 862 (1993) of 31 August 1993, 867 (1993) of 23 September 1993, 873 (1993) of 13 October 1993, 875 (1993) of 16 October 1993, 905 (1994) of 23 March 1994 and 917 (1994) of 6 May 1994,

Welcoming resolutions MRE/RES.1/91,³ MRE/RES.2/91,⁴ MRE/RES.3/92, MRE/RES.4/92 and MRE/RES.5/93, adopted on 3

and 8 October 1991, 17 May 1992, 13 December 1992 and 5 June 1993, respectively, by the Ministers for Foreign Affairs of the member countries of the Organization of American States, as well as resolutions CP/RES.575 (885/92), CP/RES.594 (923/92) and CP/RES.610 (968/93), and declarations CP/DEC.8 (927/93), CP/DEC.9 (931/93), CP/DEC.10 (934/93) and CP/DEC.15 (967/93), adopted by the Permanent Council of the Organization of American States,

Reaffirming that the goal of the international community remains the early restoration of democracy in Haiti through the return of President Jean-Bertrand Aristide, within the framework of the Governors Island Agreement, signed on 3 July 1993,⁵ the full observance of human rights and fundamental freedoms and the promotion of social and economic development in Haiti,

Stressing in this context the importance of a proper and secure environment for all legislative action agreed to in the Governors Island Agreement and the New York Pact, signed on 16 July 1993,⁶ and preparations for free and fair legislative elections in Haiti, as called for in the Constitution, within the framework of the full restoration of democracy in Haiti,

Deploing the fact that, despite the efforts of the international community, the legitimate Government of President Aristide has not been re-established, that the authorities in Haiti continue to flout their commitments under the Governors Island Agreement and that violent violation of human rights and civil and political liberties continues in Haiti,

Strongly supportive of the continuing leadership by the Secretary-General of the United Nations and the Secretary-General of the Organization of American States in the efforts of the international community to reach a political solution to the Haitian crisis,

Noting the continuing efforts of the Special Representative of the Secretary-General of the United Nations and Special Envoy of the Secretary-General of the Organization of American States to help resolve this crisis,

Welcoming the continued efforts by States to provide humanitarian assistance to the people of Haiti, despite the continuing political crisis,

Reaffirming the agreement which has made possible the deployment of the International Civilian Mission to Haiti by the United Nations and the Organization of American States, as described in the letter dated 8 January 1993 to the Secretary-General from President Aristide, which is contained in annex I of the report of the Secretary-General of 24 March 1993,⁷

Convinced that the continued work of the Mission within its terms of reference can contribute greatly to the full observance of human rights and create a climate propitious to the restoration of the constitutional authority,

Taking note of the report of the Secretary-General of 29 April 1994 on the situation of democracy and human rights in Haiti⁸ and, in particular, its annex containing the letter dated 21 April 1994 from President Aristide to the Secretary-General requesting the extension of the mandate of the Mission created by the General Assembly in its resolution 47/20 B,

1. *Approves* the recommendation of the Secretary-General contained in his report⁸ to renew the mandate of the joint participation of the United Nations with the Organization of American States in the International Civilian Mission to Haiti, with the task of verifying compliance by Haiti with its international human rights obligations, with a view to making recommendations thereon, in order to assist in the establishment of a climate of freedom and tolerance propitious to the re-establishment of democracy in Haiti;

2. *Decides* to authorize the extension of the mandate of the United Nations component of the Mission for an additional year according to the terms of reference and modalities negotiated with President Aristide by the Special Representative of the Secretary-General;

3. *Requests* the Secretary-General to take the steps necessary to expedite and strengthen the presence of the Mission;

4. *Expresses its full support* for the Mission and stresses that all parties, particularly the military authorities in Haiti, including the police, must afford it timely, complete and effective cooperation;

5. *Reiterates* the need for a prompt return of President Aristide to resume his constitutional functions as President, as the means to restore the democratic process in Haiti without further delay;

6. *Affirms* that the Governors Island Agreement and the New York Pact continue to be the only valid framework for resolving the crisis in Haiti;

7. *Reiterates* that any entity resulting from actions of the de facto regime, including the installation of a provisional president on 11 May 1994, is illegitimate;

8. *Expresses its profound concern* for the fate of the Haitian people, and reasserts that the Haitian military authorities bear full responsibility for the suffering resulting directly from their failure to observe both the provisions of the Constitution of Haiti and their public commitment to the Governors Island Agreement;

9. *Reaffirms once again* the commitment of the international community to an increase in technical, economic and financial cooperation once constitutional order is restored in Haiti, in support of its economic and social development efforts and in order to strengthen those institutions responsible for dispensing justice and guaranteeing democracy, political stability and economic development;

10. *Requests* the Secretary-General to submit to the General Assembly regular reports on the work of the International Civilian Mission to Haiti;

11. *Decides* to keep open its consideration of this item.

9. A plan of work for exploration shall be approved for a period of 15 years. Upon the expiration of a plan of work for exploration, the contractor shall apply for a plan of work for exploitation unless the contractor has already done so or has obtained an extension for the plan of work for exploration. Contractors may apply for such extensions for periods of not more than five years each. Such extensions shall be approved if the contractor has made efforts in good faith to comply with the requirements of the plan of work but for reasons beyond the contractor's control has been unable to complete the necessary preparatory work for proceeding to the exploitation stage or if the prevailing economic circumstances do not justify proceeding to the exploitation stage.

10. Designation of a reserved area for the Authority in accordance with Annex III, article 8, of the Convention shall take place in connection with approval of an application for a plan of work for exploration or approval of an application for a plan of work for exploration and exploitation

11. (a) If this Agreement enters into force before 16 November 1996, such States and entities shall be entitled to continue to participate as members of the Authority on a provisional basis upon notification to the depositary of the Agreement by such a State or entity of its intention to participate as a member on a provisional basis. Such membership shall terminate either on 16 November 1996 or upon the entry into force of this Agreement and the Convention for such member, whichever is earlier. The Council may, upon the request of the State or entity concerned, extend such membership beyond 16 November 1996 for a further period or periods not exceeding a total of two years provided that the Council is satisfied that the State or entity concerned has been making efforts in good faith to become a party to the Agreement and the Convention;

(b) If this Agreement enters into force after 15 November 1996, such States and entities may request the Council to grant continued membership in the Authority on a provisional basis for a period or periods not extending beyond 16 November 1998. The Council shall grant such membership with effect from the date of the request if it is satisfied that the State or entity has been making efforts in good faith to become a party to the Agreement and the Convention;

(c) States and entities which are members of the Authority on a provisional basis in accordance with subparagraph (a) or (b) shall apply the terms of Part XI and this Agreement in accordance with their national or internal laws, regulations and annual budgetary appropriations and shall have the same rights and obligations as other members, including:

13. The reference in Annex III, article 10, of the Convention to performance which has not been satisfactory shall be interpreted to mean that the contractor has failed to comply with the requirements of an approved plan of work in spite of a written warning or warnings from the Authority to the contractor to comply therewith.

14. The Authority shall have its own budget. Until the end of the year following the year during which this Agreement enters into force, the administrative expenses of the Authority shall be met through the budget of the United Nations. Thereafter, the administrative expenses of the Authority shall be met by assessed contributions of its members, including any members on a provisional basis, in accordance with articles 171, subparagraph (a), and 173 of the Convention and this Agreement, until the Authority has sufficient funds from other sources to meet those expenses. The Authority shall not exercise the power referred to in article 174, paragraph 1, of the Convention to borrow funds to finance its administrative budget.

15. The Authority shall elaborate and adopt, in accordance with article 162, paragraph 2 (o) (ii), of the Convention, rules, regulations and procedures based on the principles contained in sections 2, 5, 6, 7 and 8 of this Annex, as well as any additional rules, regulations and procedures necessary to facilitate the approval of plans of work for exploration or exploitation, in accordance with the following subparagraphs:

(c) If the Council has not completed the elaboration of the rules, regulations and procedures relating to exploitation within the prescribed time and an application for approval of a plan of work for exploitation is pending, it shall none the less consider and provisionally approve such plan of work based on the provisions of the Convention and any rules, regulations and procedures that the Council may have adopted provisionally, or on the basis of the norms contained in the Convention and the terms and principles contained in this Annex as well as the principle of non-discrimination among contractors

Upon the approval of a plan of work for exploitation for an entity other than the Enterprise, or upon receipt by the Council of an application for a joint-venture operation with the Enterprise, the Council shall take up the issue of the functioning of the Enterprise independently of the Secretariat of the Authority. If joint-venture operations with the Enterprise accord with sound commercial principles, the Council shall issue a directive pursuant to article 170, paragraph 2, of the Convention providing for such independent functioning.

3. The obligation of States Parties to fund one mine site of the Enterprise as provided for in Annex IV, article 11, paragraph 3, of the Convention shall not apply and States Parties shall be under no obligation to finance any of the operations in any mine site of the Enterprise or under its joint-venture arrangements.

5. A contractor which has contributed a particular area to the Authority as a reserved area has the right of first refusal to enter into a joint-venture arrangement with the Enterprise for exploration and exploitation of that area. If the Enterprise does not submit an application for a plan of work for activities in respect of such a reserved area within 15 years of the commencement of its functions independent of the Secretariat of the Authority or within 15 years of the date on which that area is reserved for the Authority, whichever is the later, the

contractor which contributed the area shall be entitled to apply for a plan of work for that area provided it offers in good faith to include the Enterprise as a joint-venture partner.

6. Article 170, paragraph 4, Annex IV and other provisions of the Convention relating to the Enterprise shall be interpreted and applied in accordance with this section.

4. Decisions of the Assembly on any matter for which the Council also has competence or on any administrative, budgetary or financial matter shall be based on the recommendations of the Council. If the Assembly does not accept the recommendation of the Council on any matter, it shall return the matter to the Council for further consideration. The Council shall reconsider the matter in the light of the views expressed by the Assembly.

5. If all efforts to reach a decision by consensus have been exhausted, decisions by voting in the Council on questions of procedure shall be taken by a majority of members present and voting, and decisions on questions of substance, except where the Convention provides for decisions by consensus in the Council, shall be taken by a two-thirds majority of members present and voting, provided that such decisions are not opposed by a majority in any one of the chambers referred to in paragraph 9. In taking decisions the Council shall seek to promote the interests of all the members of the Authority.

10. Each group of States in paragraph 15 (a) to (d) shall be represented in the Council by those members nominated by that group. Each group shall nominate only as many candidates as the number of seats required to be filled by that group. When the number of potential candidates in each of the groups referred to in paragraph 15 (a) to (e) exceeds the number of seats available in each of those respective groups, as a general rule, the principle of rotation shall apply. States members of each of those groups shall determine how this principle shall apply in those groups.

11. (a) The Council shall approve a recommendation by the Legal and Technical Commission for approval of a plan of work unless by a two-thirds majority of its members present and voting, including a majority of members present and voting in each of the chambers of the Council, the Council decides to disapprove a plan of work. If the Council does not take a decision on a recommendation for approval of a plan of work within a prescribed period, the recommendation shall be deemed to have been approved by the Council at the end of that period. The prescribed period shall normally be 60 days unless the Council decides to provide for a longer period. If the Commission recommends the disapproval of a plan of work or does not make a recommendation, the Council may nevertheless approve the plan of work in accordance with its rules of procedure for decision-making on questions of substance.

(b) The provisions of article 162, paragraph 2 (j), of the Convention shall not apply.

Amendments relating to this Agreement and Part XI shall be subject to the procedures contained in articles 314, 315 and 316 of the Convention, provided that the principles, regime and other terms referred to in article 155, paragraph 2, of the Convention shall be maintained and the rights referred to in paragraph 5 of that article shall not be affected.

2. The principles contained in paragraph 1 shall not affect the rights and obligations under any provision of the agreements referred to in paragraph 1 (b), as well as the relevant free trade and customs union agreements, in relations between States Parties which are parties to such agreements.

3. The acceptance by a contractor of subsidies other than those which may be permitted under the agreements referred to in paragraph 1 (b) shall constitute a violation of the fundamental terms of the contract forming a plan of work for the carrying out of activities in the Area.

1. The policy of the Authority of assisting developing countries which suffer serious adverse effects on their export earnings or economies resulting from a reduction in the price of an affected mineral or in the volume of exports of that mineral, to the extent that such reduction is caused by activities in the Area, shall be based on the following principles:

(a) The Authority shall establish an economic assistance fund from a portion of the funds of the Authority which exceeds those necessary to cover the administrative expenses of the Authority. (c) The system should not be complicated and should not impose major administrative costs on the Authority or on a contractor. Consideration should be given to the adoption of a royalty system or a combination of a royalty and profit-sharing system. Any subsequent change in choice between alternative systems, however, shall be made by agreement between the Authority and the contractor;

48/238. Financing of the United Nations Protection Force**A**

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Protection Force²⁰ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²¹

Bearing in mind Security Council resolutions 727 (1992) of 8 January 1992 and 740 (1992) of 7 February 1992, in which the Council endorsed the sending of a group of military liaison officers to Yugoslavia to promote maintenance of the cease-fire,

Bearing in mind also Security Council resolution 743 (1992) of 21 February 1992, by which the Council established the United Nations Protection Force, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 871 (1993) of 4 October 1993,

Recalling its resolutions 46/233 of 19 March 1992 and 47/210 B of 14 September 1993 on the financing of the Force,

Reaffirming that the costs of the Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the Force, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Force by certain Governments,

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Expresses concern* about the deteriorating financial situation with regard to peace-keeping activities because of overdue payments by Member States of their assessments, particularly Member States in arrears;

2. *Expresses deep concern* about the adverse effect that the deteriorating financial situation has on reimbursement to troop contributors, placing an additional burden on these countries and putting at risk the continuing supply of troops to the United Nations Protection Force and, consequently, the effective implementation of the its mandate;

B

Having considered the report of the Secretary-General on the financing of the United Nations Operation in Mozambique³⁰ and the related report of the Advisory Committee on Administrative and Budgetary Questions,³¹

Bearing in mind Security Council resolution 797 (1992) of 16 December 1992, by which the Council established the Operation, and the subsequent resolutions by which the Council renewed the mandate of the Operation, the latest of which was resolution 916 (1994) of 5 May 1994,

Bearing in mind also Security Council resolution 898 (1994) of 23 February 1994, by which the Council authorized the establishment of a police component as an integral part of the Operation,

Recalling its resolutions 47/224 A and B of 16 March 1993, 47/224 C of 14 September 1993 and 48/240 A of 24 March 1994 and its decisions 48/473 A of 23 December 1993 and 48/473 B of 9 March 1994 on the financing of the Operation,

Reaffirming that the costs of the Operation are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the Operation, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Operation with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

2. *Expresses concern* about the deteriorating financial situation with regard to peace-keeping activities because of overdue payments by Member States of their assessments, particularly Member States in arrears;

4. *Endorses* the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions, subject to the provisions of the present resolution;

5. *Requests* the Secretary-General to take all necessary action to ensure that the Operation is administered with a maximum of efficiency and economy;

6. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the Operation promptly and in full;

7. *Affirms* that, among other factors, the failure of Member States to pay their assessed contributions promptly and in full has damaged and continues to damage the ability of the Operation to implement its activities effectively and threatens to leave the Special Account for the United Nations Operation in Mozambique with insufficient liquid funds to meet its liabilities, in particular to the troop-contributing countries;

8. *Requests* the Secretary-General to explore all possibilities in order to ensure prompt reimbursement to troop-contributing countries;

9. *Decides* that all assets of the Operation in Mozambique, financial as well as non-financial, should be used for meeting the liabilities of the Operation, with due priority given to reimbursing troop-contributing countries;

10. *Decides also*, without it constituting a precedent, that all assets of the Operation to be redeployed to other peace-keeping operations or other United Nations bodies should be transferred only after their value has been determined and provision has been made in the budgets of the receiving operations to reimburse the Special Account for the United Nations Operation in Mozambique, this liability to be met expeditiously upon the receipt of funds;

11. *Requests* the Secretary-General to submit a report, in the context of the revised cost estimates related to the liquidation of the Operation, on the disposal of the assets and liabilities of the Operation so as to enable the Assembly to take appropriate decisions;

12. *Decides* to appropriate to the Special Account for the United Nations Operation in Mozambique a total amount of 165,300,000 dollars gross (162,192,100 dollars net) for the Operation for the period from 1 May to 15 November 1994, inclusive;

³⁰ A/48/849/Add.1.

³¹ A/48/956.

47/218 A of 23 December 1992 and its decision 48/472 A of 23 December 1993, and taking into account the scale of assessments for the years 1992, 1993 and 1994 as set out in Assembly resolutions 46/221 A of 20 December 1991 and 48/223 A of 23 December 1993 and Assembly decision 47/456 of 23 December 1992;

16. *Requests* the Secretary-General to submit to the Assembly, one month before the expiration of the current mandate period, revised cost estimates related to the liquidation of the Operation, which is scheduled to start on 16 November 1994, on the basis of the most up-to-date detailed performance report possible on the mission for the period from 1 November 1993;

17. *Invites* voluntary contributions to the Operation in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the Assembly in its resolutions 43/230 of 21 December 1988, 44/192 A of 21 December 1989 and 45/258 of 3 May 1991;

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Observer Mission in El Salvador,³⁷ and

the related report of the Advisory Committee on Administrative and Budgetary Questions,³⁸

Bearing in mind Security Council resolution 693 (1991) of 20 May 1991, by which the Council established the Observer Mission, and Council resolution 729 (1992) of 14 January 1992, by which the Council enlarged the mandate of the Mission, as well as the subsequent resolutions in which the Council extended the mandate of the Mission, the latest of which was resolution 888 (1993) of 30 November 1993,

Recalling its resolutions 47/223 of 16 March 1993 and 47/234 of 14 September 1993 and its decision 48/468 A of 23 December 1993 on the financing of the Observer Mission,

Reaffirming that the costs of the Observer Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Observer Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Observer Mission by a Government,

Mindful of the fact that it is essential to provide the Observer Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Takes note* of the status of contributions to the United Nations Observer Mission in El Salvador as at 22 March 1994, including the contributions outstanding in the amount of 24,040,049 United States dollars;

5. *Reaffirms* the importance of the role of the Advisory Committee on Administrative and Budgetary Questions as an advisory body to the Assembly in the budget process;

³⁶ A/47/990.

8. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the combined Special Account for the United Nations Observer Mission in El Salvador and the United Nations Observer Group in Central America promptly and in full;

10. *Decides* to appropriate to the Special Account, in accordance with the recommendation contained in paragraph 18 of the report of the Advisory Committee, an amount of 19,527,000 dollars gross (17,672,700 dollars net) for the operation of the Observer Mission for the period from 1 December 1993 to 31 May 1994;

12. *Decides further* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 11 above, their respective share in the Tax Equalization Fund of the estimated additional staff assessment income of 1,352,000 dollars approved for the Observer Mission for the period from 1 December 1993 to 31 May 1994;

13. *Decides* that the unencumbered balance of appropriations in the amount of 7,260,498 dollars gross (6,511,398 dollars net) shall be retained in the Special Account in light of the outstanding assessed contributions;

16. *Decides* that the disposition of the property of the Observer Mission shall proceed on the basis of the principle that the equipment of the Mission should, wherever possible and cost-effective, be transferred to other missions, and, in that connection, endorses the recommendation of the Advisory Committee with regard to the disposition of equipment,³⁹ and requests the Secretary-General to proceed with the disposition on that basis.

17. *Decides also* to include in the provisional agenda of its forty-ninth session the item entitled "Financing of the United Nations Observer Mission in El Salvador".

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Peace-keeping Force in Cyprus⁴⁰ and the related report of the Advisory Committee on Administrative and Budgetary Questions,⁴¹

Bearing in mind Security Council resolution 186 (1964) of 4 March 1964, by which the Council established the Force, and Council resolution 889 (1993) of 15 December 1993, by which the Council extended the mandate of the Force until 15 June 1994,

Recalling its decision 48/474 of 23 December 1993 on the financing of the Force,

Reaffirming that the costs of the Force that are not covered by voluntary contributions are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the Force, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

³⁹ See A/47/990.

⁴⁰ A/48/846 and Corr. 1.

⁴¹ A/48/907.

Noting that voluntary contributions were insufficient to cover all of the costs of the Force, including those incurred by troop-contributing Governments prior to 16 June 1993, and regretting the absence of an adequate response to appeals for voluntary contributions, including the one contained in the letter dated 12 November 1993 from the Secretary-General to all Member States,⁴²

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Expresses concern* about the adverse effect that the deteriorating financial situation has on reimbursement to troop contributors, placing an additional burden on those countries and putting at risk the continuing supply of troops to peace-keeping operations and, consequently, the effective implementation of their mandates;

2. *Reaffirms* its resolution 48/227 of 23 December 1993, and stresses the need for the Secretariat to submit budget documents in time in order to allow for a proper and thorough review and approval by the General Assembly of the budgets before their implementation;

7. *Takes note* of the observations and recommendations contained in paragraph 12 of the report of the Advisory Committee on the costs relating to the emplacement and rotation of troops and requests the Secretary-General to make recommendations in this respect, in the context of the reports requested in paragraph 3 of its resolution 47/218 B of 14 September 1993 and in section II, paragraph 3, of its resolution 48/228 A of 23 December 1993;

8. *Requests* the Secretary-General, in his next report on the financing of the United Nations Protection Force in Cyprus, to include information, *inter alia*, on the implementation of paragraphs 15 and 17 of the report of the Advisory Committee;

9. *Also requests* the Secretary-General to take all necessary action to ensure that the Force is administered with a maximum of efficiency and economy and, in particular, to implement fully economy, financial and efficiency measures to be approved during the resumed forty-eighth session but no later than 1 May 1994, and to report on the implementation of such measures in the context of the performance report relevant to the period;

10. *Expresses concern* about the financial situation with regard to the Force, and urges all Member States to make every possible effort to ensure payment of their assessed contributions to the Force promptly and in full;

11. *Affirms* that the non-payment and late payment of assessed contributions in full and on time and the fact that the Assembly has unfortunately been led to consider and approve peace-keeping budgets without adequate documentation have damaged and continue to damage the ability of peace-keeping operations to implement their activities effectively;

12. *Requests* the Secretary-General to explore all possibilities in order to ensure prompt reimbursement to troop-contributing countries;

13. *Decides* to appropriate to the Special Account for the United Nations Peace-keeping Force in Cyprus, in accordance with the recommendations contained in paragraph 18 of the report of the Advisory Committee, a total amount of 10.5 million United States dollars gross (10,072,000 dollars net) for the Force for the period from 16 December 1993 to 15 June 1994;

14. *Decides also*, as an ad hoc arrangement, to apportion the amount of 10.5 million dollars gross (10,072,000 dollars net) among Member States, for the period from 16 December 1993 to 15 June 1994, in accordance with the composition of groups set out in paragraphs 3 and 4 of Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992 and its decision 48/472 A of 23 December 1993, and taking into account the scale of assessments for the years 1992, 1993 and 1994 as set out in Assembly resolutions 46/221 A of 20 December 1991 and 48/223 A of 23 December 1993 and Assembly decision 47/456 of 23 December 1992;

16. *Authorizes* the Secretary-General, as an exceptional measure, to enter into commitments for the maintenance of the Force up to the amount of 3.8 million dollars gross (3,726,284 dollars net) per month, inclusive of the one-third share of the cost of the Force to be met through voluntary contributions from the Government of Cyprus and the annual pledge of 6.5 million dollars of the Government of Greece, for the period from 16 June to 15 December 1994, subject to the decision of the Security Council to extend the mandate of the Force beyond 15 June 1994, the amount of 11,950,000 dollars gross (11,507,700 dollars net) to be apportioned among Member States in accordance with the scheme set out in the present resolution;

17. *Decides* to continue to maintain as separate the account established prior to 16 June 1993 for the Force, invites Member States to make voluntary contributions to that account, and in this regard requests the Secretary-General to continue his efforts in appealing for voluntary contributions to this account;

48/248. Financing of the United Nations Assistance Mission for Rwanda

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Assistance Mission for Rwanda⁵³ and the related report of the Advisory Committee on Administrative and Budgetary Questions,⁵⁴

Bearing in mind Security Council resolution 872 (1993) of 5 October 1993, by which the Council established the Assistance Mission for a period of six months, until 4 April 1994, subject to the proviso that it would be extended beyond the initial ninety days only upon a review by the Council based on a report from the Secretary-General as to whether or not substantive progress had been made towards the implementation of the Peace Agreement between the Government of the Rwandese Republic and the Rwandese Patriotic Front,⁵⁴ signed at Arusha, United Republic of Tanzania, on 4 August 1993,

Bearing in mind also that in the same resolution the Council approved the proposal of the Secretary-General that the United Nations Observer Mission Uganda-Rwanda, established by the Council in resolution 846 (1993) of 22 June 1993, be integrated within the Assistance Mission,

Noting that the integration of the Observer Mission within the Assistance Mission is purely administrative in nature and that it will in no way affect the mandate of the Observer Mission as set out in Security Council resolution 846 (1993),

Bearing in mind further Security Council resolution 893 (1994) of 6 January 1994, in which the Council reaffirmed its approval of the

proposal of the Secretary-General concerning the deployment of the Assistance Mission as outlined in his report of 24 September 1993,⁵⁵ including the early deployment of the second battalion to the demilitarized zone as indicated in his report of 30 December 1993.⁵⁶

Recalling its decision 48/479 of 23 December 1993 on the financing of the Assistance Mission,

Recognizing that the costs of the Assistance Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures caused by the Assistance Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Assistance Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Reaffirms* its resolution 48/227 of 23 December 1993, and stresses the need for the Secretariat to submit budget documents in time in order to allow for a proper and thorough review and approval by the General Assembly of the budgets before their implementation;

6. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the Assistance Mission promptly and in full;

7. *Affirms* that it expects that it will not be asked to take any future decisions on budgets for peace-keeping operations retroactively;

8. *Requests* the Secretary-General to explore all possibilities in order to ensure prompt reimbursement to troop-contributing countries;

9. *Decides* to appropriate to the Special Account referred to in its decision 48/479 an amount of 45,826,700 United States dollars gross (45,317,600 dollars net), inclusive of the amount of 4.6 million dollars previously authorized by the Advisory Committee, authorized and apportioned in accordance with that decision for the maintenance of the Assistance Mission for the period from 5 October 1993 to 4 April 1994;

10. *Decides also*, with regard to the period beyond 4 April 1994, to authorize the Secretary-General to enter into commitments at a monthly rate not to exceed 9,082,600 dollars gross for the period from 5 April to 31 October 1994, in connection with the maintenance of the Assistance Mission, subject to the decision of the Security Council to extend the mandate of the Assistance Mission beyond 4 April 1994, the said amount to be apportioned among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992 and its decision 48/472 A of 23 December 1993, and taking into account the scale of assessments for the years 1992, 1993 and 1994 as set out in Assembly resolutions 46/221 A of 20 December 1991 and 48/223 A of 23 December 1993, and Assembly decision 47/456 of 23 December 1992;

11. *Decides further* that there shall be set off against the assessments on Member States for the maintenance of the Assistance Mission beyond 4 April 1994 an amount of 5,293,300 dollars gross (5,160,400 dollars net), representing the balance of the apportionment made in accordance with decision 48/479;

12. *Requests* the Secretary-General to submit, no later than 31 August 1994, the performance report for the mandate period ending 4 April 1994 and the budget estimates corresponding to any new mandate period the Security Council may decide on;

48/253. Financing of the United Nations Disengagement Observer Force

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Disengagement Observer Force,⁶⁷ and the related report of the Advisory Committee on Administrative and Budgetary Questions,⁶⁸

Bearing in mind Security Council resolution 350 (1974) of 31 May 1974, by which the Council established the Observer Force, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 887 (1993) of 29 November 1993,

Recalling its resolution 3211 B (XXIX) of 29 November 1974 on the financing of the United Nations Emergency Force and the United Nations Disengagement Observer Force and its subsequent resolutions thereon, the latest of which was resolution 47/204 of 22 December 1992, and its decisions 48/463 A of 23 December 1993 and 48/463 B of 5 April 1994,

Reaffirming that the costs of the Observer Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Observer Force, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Observer Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the surplus balances in the Special Account for the United Nations Disengagement Observer Force have been used up for meeting expenses of the Force in order to compensate for the lack of income resulting from non-payment and late payment by Member States of their contributions and have consequently been exhausted,

1. *Regrets deeply* the fact that the budget documents did not comply with its resolution 42/207 C of 11 December 1987 as regards the equal treatment of the official languages of the United Nations;

2. *Notes* the assurances given by the Secretariat that such a situation will not be repeated;

3. *Expresses deep concern* about the status of contributions to the United Nations Disengagement Observer Force as at 31 March 1994, including the contributions outstanding in the amount of 20,956,112 United States dollars;

4. *Expresses concern* about the adverse effect that the deteriorating financial situation has on reimbursement to troop contributors, placing an additional burden on these countries and putting at risk the continuing supply of troops to the Observer Force;

5. *Reaffirms* its resolution 48/227 of 23 December 1993, and stresses the need for the Secretariat to submit budget documents in time in order to allow for a proper and thorough review and approval by the General Assembly of the budgets before their implementation;

6. *Notes with satisfaction* an improvement in the compliance by the Secretariat with certain resolutions of the Assembly with regard to the form of budget documents concerning peace-keeping operations;

7. *Reaffirms* the importance of the role of the Advisory Committee on Administrative and Budgetary Questions as an advisory body to the Assembly in the budget process;

⁶⁷ A/48/700.

⁶⁸ See A/48/905.

8. *Endorses* the observations and recommendations contained in the report of the Advisory Committee, subject to the provisions of the present resolution;

9. *Requests* the Secretary-General to take all necessary action to ensure that the Observer Force is administered with a maximum of efficiency and economy and, in particular, to implement fully economy, financial and efficiency measures to be approved during the resumed forty-eighth session of the Assembly and to report on the implementation of such measures in the context of the performance report relevant to the period;

10. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the Observer Force promptly and in full;

11. *Affirms* that, among other factors, the failure of Member States to pay their assessed contributions promptly and in full and the fact that the Assembly has unfortunately been led to consider and approve peace-keeping budgets without adequate documentation have damaged and continue to damage the ability of peace-keeping operations to implement their activities effectively;

12. *Notes with appreciation* that a voluntary contribution has been made to the Observer Force by a Government;

13. *Decides* to appropriate to the Special Account referred to in section II, paragraph 1, of its resolution 3211 B (XXIX) the amount of 18,204,000 dollars gross (17,718,000 dollars net) authorized and apportioned by the Assembly in paragraph 7 of its resolution 47/204 for the operation of the Observer Force for the period from 1 June to 30 November 1993, inclusive;

14. *Decides also* to appropriate to the Special Account an amount of 16,080,000 dollars gross (15,594,000 dollars net) for the period from 1 December 1993 to 31 May 1994, authorized by the Assembly in its decisions 48/463 A and B;

15. *Decides further*, as an ad hoc arrangement, to apportion the amount referred to in paragraph 14 above among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992 and its decision 48/472 A of 23 December 1993, and taking into account the scale of assessments for the years 1992, 1993 and 1994 as set out in Assembly resolutions 46/221 A of 20 December 1991 and 48/223 A of 23 December 1993 and Assembly decision 47/456 of 23 December 1992;

16. *Decides* that there shall be set off against the apportionment among Member States, as provided for in paragraph 15 above, total estimated income of 486,000 dollars approved for the period from 1 December 1993 to 31 May 1994, inclusive, comprising their respective share in the Tax Equalization Fund of staff assessment income (478,500 dollars) and other income (7,500 dollars);

17. *Decides also* that there shall be set off against the apportionment among Member States, as provided for in paragraph 15 above, their respective share in the unencumbered balance of 706,000 dollars gross (640,000 dollars net) for the period from 1 December 1992 to 30 November 1993, inclusive;

18. *Authorizes* the Secretary-General to enter into commitments for the Observer Force at a rate not to exceed 2,680,000 dollars gross (2,599,000 dollars net) per month for the period of six months from 1 June 1994, should the Security Council decide to continue the Force beyond the period of six months authorized in its resolution 887 (1993),

the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution;

19. *Requests* the Secretary-General to submit the budget proposals for the Observer Force for the next financial period, including a comprehensive performance report, no later than 15 November 1994;

20. *Also requests* the Secretary-General to include in his next report to the Assembly on the financing of the Observer Force comments on the feasibility of a gradual reduction of the surplus balance, taking into account the financial situation of the Force, the status of reimbursement to troop-contributing countries and the views expressed by Member States;

21. *Decides*, pending the receipt of the report, to postpone action on the recommendation contained in paragraph 6 of the report of the Advisory Committee;

22. *Invites* voluntary contributions to the Observer Force in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the Assembly in its resolutions 43/230 of 21 December 1988, 44/192 A of 21 December 1989 and 45/258 of 3 May 1991;

Recalling its resolutions 46/198 A of 20 December 1991 and 46/198 B of 14 February 1992 on the financing of the United Nations Advance Mission in Cambodia, its resolutions 46/222 A of 14 February 1992,

1. *Regrets* that, as of 29 April 1994, only thirty-seven Member States had paid their assessed contributions to the Special Account for the United Nations Advance Mission in Cambodia and the United Nations Transitional Authority in Cambodia in full, and urges all other Member States to make every possible effort to ensure payment of their outstanding assessed contributions, totalling 253,882,193 United States dollars;

2. *Expresses its grave concern* about the financial situation of the Special Account for the Advance Mission and the Transitional Authority, due to the continued non-payment by Member States of their assessments, particularly those in arrears, which has led to an unprecedented delay in the reimbursement to troop-contributing countries, placing an additional burden on these countries, bearing in mind the fact that the Transitional Authority has completed its activities;

3. *Requests* the Secretary-General to approach all Member States that have not paid in full their assessed contributions to the Special Account for the Advance Mission and the Transitional Authority, urging them to fulfil their obligations under the Charter of the United Nations so as to enable the Organization to reimburse the troop-contributing countries within the shortest possible time;

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Observer Mission in Georgia⁷³ and the related report of the Advisory Committee on Administrative and Budgetary Questions;⁷⁴

Recalling Security Council resolution 854 (1993) of 6 August 1993, in which the Council approved the deployment of an advance team of up to ten United Nations military observers for a period of three months and the incorporation of the advance team into a United Nations observer mission if such a mission was formally established by the Council,

Bearing in mind Security Council resolution 858 (1993) of 24 August 1993, in which the Council decided to establish the United Nations Observer Mission in Georgia, comprising up to eighty-eight military observers, for a period of six months subject to the proviso that it would be extended beyond the initial ninety days only upon a review by the Council based on a report from the Secretary-General whether or not substantive progress had been made towards implementing measures aimed at establishing a lasting peace,

Recalling also Security Council resolution 881 (1993) of 4 November 1993, in which the Council approved the continued presence in Georgia of the Observer Mission until 31 January 1994 with a revised interim mandate and comprising up to five military observers,

Recalling further Security Council resolution 892 (1993) of 22 December 1993, by which the Council authorized the phased deployment of up to fifty military observers, and Council resolutions 896 (1994) of 31 January 1994, 901 (1994) of 4 March 1994 and 906 (1994) of 25 March 1994, by which the Council extended the mandate of the Observer Mission up to 30 June 1994,

Recalling its decisions 48/475 A of 23 December 1993 and 48/475 B of 5 April 1994 on the financing of the Observer Mission,

Recognizing that the costs of the Observer Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures caused by the Observer Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

⁷² A/48/701 and Corr.1 and 2.

⁷³ A/48/699 and Corr.1 and Add.1.

48/257. Financing of the United Nations Military Liaison Team in Cambodia

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Military Liaison Team in Cambodia⁷⁵ and the related report of the Advisory Committee on Administrative and Budgetary Questions,⁷⁶

⁷⁵ A/48/800 and Corr. 1.

⁷⁶ A/48/919.

Bearing in mind Security Council resolution 880 (1993) of 4 November 1993, in which the Council decided to establish the Military Liaison Team,

Recalling its decision 48/480 of 23 December 1993 on the financing of the Military Liaison Team,

Recognizing that the costs of the Military Liaison Team are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures caused by the Military Liaison Team, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Military Liaison Team with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

5. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the Military Liaison Team promptly and in full;

6. *Affirms* that, among other factors, the failure of Member States to pay their assessed contributions promptly and in full and the fact that the General Assembly has unfortunately been led to consider and approve peace-keeping budgets without adequate documentation have damaged and continue to damage the ability of peace-keeping operations to implement their activities effectively;

7. *Decides* to appropriate to the Special Account referred to in decision 48/480 an amount of 910,400 United States dollars gross (872,100 dollars net) for the operation of the Military Liaison Team for the six-month period from 15 November 1993 to 15 May 1994, inclusive of the amount of 756,500 dollars gross (724,200 dollars net) authorized and apportioned in accordance with decision 48/480;

8. *Decides also*, as an ad hoc arrangement, to apportion the additional amount of 153,900 dollars gross (147,900 dollars net) for the period from 15 November 1993 to 15 May 1994, taking into account the

amount of 756,500 dollars gross (724,200 dollars net) already apportioned in accordance with decision 48/480, among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992 and its decision 48/472 A of 23 December 1993 and taking into account the scale of assessments for the years 1992, 1993 and 1994 as set out in Assembly resolutions 46/221 A of 20 December 1991 and 48/223 A of 23 December 1993 and Assembly decision 47/456 of 23 December 1992;

9. *Decides further* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 8 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 6,000 dollars for the period from 15 November 1993 to 15 May 1994 approved for the Military Liaison Team;

10. *Requests* the Secretary-General to submit to the Assembly at its forty-ninth session a performance report on the budget of the Military Liaison Team for the mandate period ending 15 May 1994;
