*Encouraged* by the signing of the Treaty by one hundred and eighty-two States, including forty-one of the forty-four whose signature is needed for its entry into force, and welcoming the ratification of the Treaty by one hundred and fifty-three States, including thirty-five of the forty-four whose ratification is needed for its entry into force, among which there are three nuclear-weapon States,

*Recalling* its resolution 64/69 of 2 December 2009,

*Welcoming* the adoption by consensus of the conclusions and recommendations for follow-on actions of the 2010 Review Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons,<sup>1</sup> which, inter alia, reaffirmed the vital importance of the entry into force of the Comprehensive Nuclear-Test-Ban Treaty as a core element of the international nuclear disarmament and non-proliferation regime and included specific actions to be taken in support of the entry into force of the Treaty,
