Multi-year payment plans

Report of the Secretary-General

Summary

In its resolution 57/4 B, the General Assembly endorsed the conclusions and recommendations of the Committee on Contributions concerning multi-year payment plans, and in its resolutions 58/1 B, 59/1 B, 60/237, 61/237, 64/248 and 67/238 it reaffirmed that endorsement. In that connection, the Committee recommended that the Secretary-General be requested to provide information on the submission of such plans to the Assembly, through the Committee on Contributions. It also recommended that the Secretary-General be requested to submit an annual report to the Assembly, through the Committee on Contributions, on the status of the payment plans of Member States as at 31 December each year. The present report is submitted in compliance with those requests and provides information on the payment plan submitted earlier by Sao Tome and Principe and on the status of implementation of that plan as at 31 December 2012.

The General Assembly may wish to take note of the present report and to encourage Member States with significant arrears in contributions to consider submitting a multi-year payment plan.

* A/68/50.

I. Introduction

1. In its resolution 56/243 A, the General Assembly recognized that multi-year payment plans, subject to careful formulation, could be helpful in allowing Member States to demonstrate their commitment under Article 19 of the Charter of the United Nations to pay their arrears, thereby facilitating the consideration of applications for exemption by the Committee on Contributions, and requested the Secretary-General to propose guidelines for such multi-year payment plans through the Committee on Contributions.

2. After considering the report of the Secretary-General on multi-year payment plans (A/57/65) at its sixty-second session, in 2002 (see A/57/11, chap. IV.A, paras. 17-23), the Committee on Contributions agreed that Member States should be encouraged to submit such plans, which constitute a useful tool for reducing their unpaid assessed contributions and a way for them to demonstrate their commitment to meeting their financial obligations to the United Nations. The Committee recognized, in that regard, that due consideration should be given to the economic position of Member States, as not all of them might be in a position to submit such plans, and recommended that multi-year payment plans should remain voluntary and should not be automatically linked to other measures.

3. The Committee also recommended that Member States considering a multi year payment plan should submit such plans to the Secretary-General for the information of other Member States and be encouraged to consult the Secretariat for advice in their preparation. In that context, it was suggested that the plans of Member States should:

(a) Provide for annual payment of current-year assessments and a part of their arrears;

(b) Where possible, generally provide for the elimination of arrears within a period of up to six years.

4. The Committee further recommended that the Secretary-General should be requested to provide information on the submission of payment plans to the General Assembly, through the Committee, and that the Secretary-General also be requested to submit an annual report to the Assembly, through the Committee, on the status of such plans as at 31 December each year.

5. The Committee also recommended that, for those Member States that were in a position to submit a payment plan, the Committee and the General Assembly should take the submission of a plan and its status of implementation into account as one factor when they considered requests for exemption under Article 19 of the Charter.

6. In paragraph 1 of its resolution 57/4 B, the General Assembly endorsed the above conclusions and recommendations contained in the report of the Committee. In its resolutions 58/1 B, 59/1 B, 60/237, 61/237, 64/248 and 67/238, the Assembly reaffirmed paragraph 1 of resolution 57/4 B. Accordingly, the Secretary-General has submitted annual reports on multi-year payment plans¹ to the Assembly since its fifty-eighth session, when the first one was considered.

¹ A/58/63, A/59/67, A/60/66, A/61/68, A/62/70, A/63/68, A/64/68, A/65/65, A/66/69 and A/67/75.

II. Submission of multi-year payment plans

7. Payment plans or schedules were submitted by seven Member States, six of which have fully implemented their plans. The remaining payment plan was submitted by Sao Tome and Principe in 2002.

8. Payment plans were submitted by Georgia in 2003 (its fourth), Iraq in 2005 (its first), Liberia in 2006 (its second), the Republic of Moldova in 2001 (its third), the Niger in 2004 (its first), Sao Tome and Principe in 2002 (its first) and Tajikistan in 2000 (its first).

9. Liberia fully paid its arrears during the first half of 2012, thereby resulting in the full implementation of its plan. Tajikistan fully paid its arrears during the first half of 2009, thereby resulting in the full implementation of its plan in advance of the deadline dates set out in the seventh annual report. Georgia and the Niger fully paid their arrears during the first half of 2007, thereby resulting in full implementation of their plans in advance of the deadline dates specified in the fifth annual report. The schedule last proposed by the Government of the Republic of Moldova, as outlined in the fourth annual report, was fully implemented in 2005. A lump-sum payment by Iraq in 2005 also resulted in the full implementation of its plan in advance of the deadline dates specified in the fourth annual report.

10. In its resolution 64/248, the General Assembly took note with appreciation of the considerable efforts undertaken by those Member States that fully implemented their multi-year payment plans. In that resolution, and in its resolution 67/238, the Assembly also encouraged Member States in arrears with their assessed contributions to the United Nations to consider submitting multi-year payment plans.

11. In an announcement concerning the seventy-third session of the Committee on Contributions, to be included in the *Journal of the United Nations* from 1 February to 17 May 2013, the Secretariat has invited Member States intending to submit a multi-year payment plan to contact the Secretary of the Committee for further information. In addition, in the note issued pursuant to paragraph 3 of General Assembly resolution 60/237 concerning the application of Article 19 of the Charter, attention was drawn to the provisions of resolution 57/4 B. Should any other payment plans be submitted, related information will be provided in an addendum to the present report or in the report of the Committee to be submitted to the Assembly at its sixty-eighth session.

12. For the purposes of the present report, payments are taken to include cash payments by the Member States concerned, together with the application of any credits to their accounts arising during the period concerned.
