**General Assembly**  
**Sixty-ninth session**  
Agenda item 32  
**Prevention of armed conflict**

**Security Council**  
**Sixty-ninth year**

**Letter dated 19 November 2014 from the Permanent Representative  
of Armenia to the United Nations addressed to the Secretary-General**

Upon the instructions of my Government, I am writing to draw your attention to the ongoing violations of the ceasefire by the armed forces of the Republic of Azerbaijan recorded for the month of October 2014 (see annex).

The irresponsible provocative actions of Azerbaijan, including snipers shelling during the reporting period, resulted in the death of soldier David Navasardyan, on 1 October, while soldiers Hovhannes Tadevosyan, Henrik Voskanyan, Henrik Piloyan, Tigran Stepanyan, Garik Soghomonyan and Levon Egoryan were wounded.

Armenia strongly condemns these continued provocations and the meaningless use of force by Azerbaijan and calls upon the latter to strictly observe the ceasefire regime.

I kindly request that the present letter and its annex be circulated as a document of the General Assembly, under agenda item 32, and of the Security Council.

(Signed) Zohrab **Mnatsakanyan**  
Ambassador  
Permanent Representative
