The Advisory Committee on Administrative and Budgetary Questions has considered the final performance report of the Secretary-General on the United Nations Mission in the Sudan (UNMIS) (A/69/579) which provides details on the Mission's assets, outstanding liabilities and fund balance as at 30 June 2014. During its consideration of the report, the Committee met with representatives of the Secretary-General, who provided additional information and clarification, concluding with written responses received on 9 February 2015.

2. The mandate of UNMIS was established by the Security Council in its resolution 1590 (2005). By its resolution 1997 (2011), the Council decided to withdraw UNMIS effective 11 July 2011 and called for the complete withdrawal of all uniformed and civilian UNMIS personnel, other than those required for the Mission's liquidation, by 31 August 2011.

3. Activities related to the liquidation of the Mission, including the disposition of its assets, were carried out during the period from 12 July to 31 December 2011. Information on the final disposition of the assets of UNMIS is contained in a separate report of the Secretary-General (A/68/709 and Corr.1), and the views and comments of the Advisory Committee thereon are set out in its report dated 8 May 2014 (A/68/866).
