I. Introduction

1. At its 1st meeting, on 16 September 2015, the General Committee considered a memorandum by the Secretary-General relating to the organization of the seventieth regular session and future sessions of the General Assembly, the adoption of the agenda and the allocation of items (A/BUR/70/1). A summary of the discussions will appear in the summary record of the meeting (A/BUR/70/SR.1).

2. The General Committee took note of the resolutions of the General Assembly on the revitalization of its work,¹ the annex to resolution 51/241, entitled “Strengthening of the United Nations system”, and resolution 57/301, entitled “Amendment to rule 1 of the rules of procedure of the General Assembly and opening date and duration of the general debate”, the provisions of which are reflected in the present document under the relevant sections.

II. Organization of the session

A. General Committee

3. The General Committee took note of rule 40 of the rules of procedure and document A/56/1005 (annex, paras. 9 and 10) pertaining to the functions of the Committee.

4. The General Committee also took note of paragraph 5 of the annex to resolution 58/316 pertaining to the functions of the Committee, in particular subparagraphs (e) to (h), according to which the Committee shall continue to consider the further biennialization, triennialization, clustering and elimination of items of the customary agenda of the General Assembly; continue to schedule informal briefings on topical issues; recommend to the Assembly a programme of, and format for, interactive debates on the items of its agenda; and continue to consider ways and means to further improve its working methods to increase its efficiency and effectiveness in all aspects.

5. The General Committee further took note of the fact that, at the outset of each session, each Vice-President of the General Assembly should designate a liaison person for the duration of the session. This designation may be made by means of a letter to the President (resolution 55/285, annex, para. 20).

6. The General Committee also took note of paragraph 26 of resolution 69/321, in which the General Assembly stressed the importance of enhancing the role of the General Committee to support the work of the Assembly.

B. Rationalization of work

7. The General Committee took note of the relevant resolutions relating to the rationalization of work, including the administrative and financial functioning of the Organization.²

¹ Resolutions 48/264, 55/285, 58/126, 58/316, 59/313, 60/286, 63/309, 67/297, 68/307 and 69/321.

² Resolutions 41/213, 48/264, 52/12 B, 58/126, 58/316, 59/313, 60/286, 63/309, 67/297, 68/307 and 69/321.

8. The General Committee also took note of paragraph 14 of the annex to resolution 55/285, which reads:

14. As regards implementation of paragraph 7 of the annex to resolution 51/241, the President of the General Assembly, after consideration by the Assembly of the report of the Secretary-General on the work of the Organization, shall inform the Assembly of his assessment of the debate on the report in order for the Assembly to determine the need for further action.

9. The General Committee brings to the attention of the General Assembly paragraph 3 of the annex to resolution 58/316, paragraphs 8 and 9 of resolution 59/313 and paragraphs 25 and 26 of the annex to resolution 60/286 pertaining to the practices and working methods of the Main Committees.

10. The General Committee also brings to the attention of the General Assembly the fact that the Main Committees shall meet in substantive session only after the end of the general debate and that the First Committee and the Special Political and Decolonization Committee (Fourth Committee) shall not meet simultaneously and may consider meeting in a sequential manner during the regular session of the Assembly. This arrangement shall not apply if it affects their respective identities, programmes of work and effective consideration of their agendas (resolution 51/241, annex, paras. 31 and 36).

11. The General Committee further brings to the attention of the General Assembly paragraph 16 of resolution 69/331, in which the Assembly encouraged the Main Committees:

(a) To ensure adequate coordination in their work while avoiding overlap and duplication;

(b) To hold elections for the Bureau of the Main Committees at least three months before the opening of the session, and preferably up to six months in advance of each session and calls upon the regional groups to proceed with relevant nominations in a timely manner and in accordance with the interim arrangement contained in General Assembly decision 68/505 of 1 October 2013;

(c) To benefit from their respective intranet and other online services to facilitate the smooth organization and timely conclusion of their work;

(d) To further enhance sharing of information on the work and activities of the Main Committees within each Main Committee;

(e) To further improve the management of negotiations in the General Assembly.

12. The General Committee draws the attention of the General Assembly to paragraph 19 of resolution 69/321, in which the Assembly requested each Main Committee to further discuss its working methods at the beginning of each session, and invited the Chairs of the Main Committees to brief the Ad Hoc Working Group on the Revitalization of the Work of the General Assembly at the seventieth session on any best practices and lessons learned with a view to improving working methods, as appropriate.

13. The General Committee also draws the attention of the General Assembly to the relevant provisions contained in resolution 69/321 and 68/307 concerning the interim arrangement adopted in decision 68/505 recommending the pattern for the

rotation of the Chairs of the Main Committees for the forthcoming five sessions, namely the sixty-ninth to seventy-third sessions, as well as the guidelines on the election of Chairs and Rapporteurs of the Main Committees as contained in the annex to resolution 68/307.

14. The General Committee further draws the attention of the General Assembly to relevant provisions contained in resolution 68/307 relating to the request of the General Assembly to the Ad Hoc Working Group on the Revitalization of the Work of the General Assembly to prepare long-term arrangements concerning the election of the Chairs and Rapporteurs of the Main Committees of the Assembly with the aim of establishing a predictable, transparent and fair mechanism, in consultation with regional groups, and to submit them to the Assembly not later than at the seventy-second session, and the invitation to Member States to present proposals and begin early on to give attention to the matter of concluding a future arrangement, which would come into effect at the seventy-fourth session of the Assembly, with the annex to the resolution containing an option to be considered in this context.

C. Closing date of the session

15. The General Committee recommends to the General Assembly that the seventieth session of the Assembly recess on Wednesday, 16 December 2015 and close on Monday, 12 September 2016 (decision 69/559 of 28 July 2015, rule 2 of the rules of procedure and para. 4 of annex IV to the rules of procedure).

16. The General Committee also recommends to the General Assembly that, during the main part of the session, the First Committee complete its work by Monday, 9 November, the Special Political and Decolonization Committee (Fourth Committee) by Tuesday, 17 November, the Sixth Committee by Friday, 20 November, the Second Committee and the Third Committee by Wednesday, 25 November and the Fifth Committee by Friday, 11 December 2015.³

D. Schedule of meetings

17. The General Committee took note of the fact that, in view of financial constraints, meetings at Headquarters are not serviced beyond 6 p.m. or on weekends, with the exception of the plenary of the General Assembly and the Security Council. Consequently, meetings of the Main Committees during the seventieth session, including informal meetings, should start promptly at 10 a.m. and be adjourned by 6 p.m. on weekdays. The General Committee also took note of resolution 59/313, in which the Assembly strongly urged all officers presiding over meetings of the Assembly to start such meetings on time.

18. The General Committee took note of paragraph 1 (b) of the annex to resolution 58/316, which reads:

³ A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications (see para. 53).

(b) With effect from the fifty-ninth session of the General Assembly, the meetings of the plenary Assembly shall normally be held on Mondays and Thursdays.

19. Furthermore, the General Committee took note of paragraph 4 of resolution 69/250, in which the Assembly noted with satisfaction that the Secretariat had taken into account the arrangements referred to in General Assembly resolutions 53/208 A, 54/248, 55/222, 56/242, 57/283 B, 58/250, 59/265, 60/236 A, 61/236, 62/225, 63/248, 64/230, 65/245, 66/233, 67/237 and 68/251 concerning Orthodox Good Friday and the official holidays of Eid al-Fitr and Eid al-Adha, and requested all intergovernmental bodies to observe those decisions when planning their meetings.

20. The General Committee also took note of paragraphs 5 to 9 of resolution 69/250, in which the Assembly acknowledged the significance of the following holidays and observances and invited United Nations bodies at Headquarters and other duty stations where observed to avoid holding meetings on those days, and in this regard encouraged this arrangement be taken into account when drafting future calendars of conferences and meetings: Yom Kippur, Day of Vesak, Diwali, Gurburab and Orthodox Christmas.

21. The General Committee recommends to the General Assembly that, in accordance with past practice, it waive the requirement that at least one third of the members of the Assembly in the case of plenary meetings and one quarter of the members of a Main Committee in the case of Main Committee meetings be present in order to declare a meeting open and to permit the debate to proceed. This recommendation is made on the understanding that such a waiver would not imply any permanent change in the provisions of rules 67 and 108 of the rules of procedure and that the requirement of the presence of a majority of the members for any decision to be taken would be maintained.

22. The General Committee brings to the attention of the General Assembly paragraph 28 of resolution 69/321, in which the Assembly reaffirmed the relevant provisions of resolution 57/301 concerning the holding of the general debate and encouraged the scheduling of future high-level meetings during the first half of the year, from within existing resources, taking into account the calendar of conferences and without prejudice to the current practice of convening one high-level meeting in September at the beginning of each session of the Assembly.

23. The General Committee draws the attention of the General Assembly to paragraph 27 of resolution 69/321, in which the General Assembly reiterated its invitation to the Secretary-General, the President of the General Assembly and the Chairs of the Main Committees, in consultation with the General Committee and Member States, to enhance the coordination of the scheduling of the General Assembly meetings, including high-level meetings and high-level thematic debates, with the view to optimizing their interactivity and effectiveness, especially during the general debate, and distribution of such events throughout the session.

24. The General Committee also draws the attention of the General Assembly to the fact that, in accordance with past practice, the Assembly holds a single debate on the items on its agenda and that a specific mandate from the Assembly is needed for any additional debates.

25. The General Committee further draws the attention of the General Assembly to paragraph 24 of resolution 69/321, in which the Assembly recalled the need to avoid

duplication and overlap of the agendas of the General Assembly, especially its Second and Third Committees, of the Economic and Social Council, and its subsidiary bodies, and of the High-level Political Forum on Sustainable Development convened under the auspices of the Economic and Social Council and the General Assembly, as well as all other related forums, in accordance with relevant rules of procedure.

E. General debate

26. The General Committee draws the attention of the General Assembly to the fact that, pursuant to resolutions 57/301 and 69/244, the general debate for the seventieth session shall begin at 9 a.m. on Monday, 28 September. The Secretary-General recommends that the general debate continue on Saturday, 3 October 2015, in order to maximize the number of speakers during that week. The General Committee brings to the attention of the Assembly the fact that the list of speakers for each day shall be completed and that no speakers will be transferred to the next day, notwithstanding the implications for hours of work. Furthermore, there shall be no time limits for statements in the general debate but the Assembly will indicate a voluntary guideline of up to 15 minutes for each statement.

27. The General Committee also brings to the attention of the General Assembly the fact that, pursuant to paragraph 7 of the annex to resolution 58/126, the theme “The United Nations at 70: the road ahead for peace, security and human rights” has been proposed for the general debate at the seventieth session.

F. Conduct of meetings, length of statements, explanations of vote, right of reply, points of order and concluding statements

28. The General Committee draws the attention of the General Assembly to the relevant rules of procedure regarding the conduct of meetings, namely, rules 35, 68, 72, 73, 99 (b), 106, 109, 114 and 115.

29. The General Committee also draws the attention of the General Assembly to the fact that explanations of vote should be limited to 10 minutes; that, when the same draft resolution is considered in a Main Committee and in plenary meeting, a delegation should, as far as possible, explain its vote only once, either in the Committee or in plenary meeting, unless that delegation’s vote in plenary meeting is different from its vote in the Committee; and that delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day and whenever such meetings are devoted to the consideration of the same item (decision 34/401, paras. 6-8 (A/520/Rev.17, annex V)).

30. The General Committee recommends to the General Assembly that points of order be limited to five minutes.

31. The General Committee also recommends to the General Assembly that, in order to save time at the end of the session, the practice of making concluding statements in the Assembly and its Main Committees be dispensed with except for statements by the presiding officers (decision 34/401, para. 17 (A/520/Rev.17, annex V)).

32. The General Committee draws the attention of the Assembly to resolution 59/313, in which the Assembly invited Member States that are aligned with statements already made by the Chair of a group of Member States, where possible, to focus additional interventions that they make in their national capacity on points that have not already been adequately addressed in the statements of the group in question, bearing in mind the sovereign right of each Member State to express its national position.

33. The General Committee also draws the attention of the Assembly to the fact that the voting results are final once the voting process has concluded in the Assembly. Delegations may submit voting intention forms provided by the Secretariat in order to clarify their voting intention which will be further reflected in the official records of the meeting.

34. The General Committee further draws the attention of the Assembly to the fact that once the Assembly adopts a draft resolution or decision, it may no longer be co-sponsored. Likewise, when a main committee has adopted a proposal and recommends its adoption by the Assembly, this proposal may no longer be co-sponsored by a Member State.

G. Records of meetings

35. The General Committee took note of the fact that, as at past sessions, during the seventieth session verbatim records will continue to be provided for the plenary meetings of the General Assembly and the meetings of the First Committee and summary records will be provided for the other Main Committees and the General Committee of the Assembly. The General Committee also took note of the fact that, pursuant to paragraph 76 of resolution 66/246, formal meetings of its six Main Committees will be webcast.

36. Furthermore, the General Committee draws the attention of the General Assembly to the fact that the practice of reproducing statements in extenso as separate documents has been discontinued for all its subsidiary organs that are entitled to summary records and that any exceptions to this rule may be made by the body concerned only if the statements are to serve as bases for discussion and if, after hearing a statement of the relevant financial implications, the body decides that one or more statements in extenso may be included in the summary record, or reproduced as separate documents or as annexes to authorized documents (resolution 38/32 E, paras. 8 and 9).

37. The General Committee recommends to the General Assembly that the practice of not reproducing in extenso statements made in a Main Committee be maintained for the seventieth session.

H. Resolutions

38. The General Committee brings to the attention of the General Assembly the fact that:

- Whenever possible, resolutions requesting the discussion of a question at a subsequent session should not call for the inclusion of a separate new item and

such discussion should be held under the item under which the resolution was adopted (decision 34/401, para. 32 (A/520/Rev.17, annex V))

- Efforts should be made to reduce the number of resolutions adopted by the General Assembly. Resolutions should include requests for reports of the Secretary-General only in cases where that would be indispensable for facilitating the implementation of those resolutions or the continued examination of the question⁴
- In order to ensure that resolutions have greater political impact, they should be short, in particular as regards the preambular part, and should focus more on action-oriented operative paragraphs (resolution 57/270 B, para. 69)
- Whenever possible, for the adoption by the General Assembly of agreed texts of resolutions and decisions, informal consultations should be carried out with the widest possible participation of Member States (resolution 45/45, annex, para. 1 (A/520/Rev.17, annex VII, para. 1))
- The terms “takes note of” and “notes” are neutral terms that constitute neither approval nor disapproval (decision 55/488, annex)

39. The General Committee noted and decided to bring to the attention of the General Assembly the fact that the Secretary-General encourages Member States to transmit all draft resolutions and decisions in accordance with the guidelines for submission outlined by the Secretariat.

40. The General Committee draws to the attention of the General Assembly the fact that the numbering of resolutions and decisions are sequential, and that resolutions or decisions containing identical titles will be assigned identical symbols followed by a letter designation (e.g. “A” and “B”).

I. Documentation

41. The General Committee draws the attention of the General Assembly to the fact that the Assembly, including its Main Committees, should merely take note of those reports of the Secretary-General or subsidiary organs that do not require a decision by the Assembly and should neither debate nor adopt resolutions on them, unless specifically requested to do so by the Secretary-General or the organ concerned (decision 34/401, para. 28 (A/520/Rev.17, annex V)).

42. The General Committee also draws the attention of the General Assembly to section III of resolution 57/283 B regarding the timely issuance of documents in the six official languages of the Assembly. The General Committee further draws the attention of the Assembly to resolution 59/313, in which the Assembly requested the Secretary-General to ensure that documentation and reports are issued well in advance, in keeping with the six-week rule for the issuance of official documentation simultaneously in all official languages.

43. The General Committee further draws the attention of the General Assembly to resolutions 48/264 and 55/285, in which the Assembly emphasized that restraint should be exercised in making requests for new reports and requested more

⁴ *Official Records of the General Assembly, Forty-first Session, Supplement No. 49 (A/41/49)*, para. 21, recommendation 3 (f).

integrated reports, and to resolution 57/270 B, in which it recognized the need to avoid requesting duplicative reports from the Secretary-General. The Secretary-General also wishes to recall paragraph 22 of resolution 69/321, in which the General Assembly requested that the Assembly and its Main Committees, in consultation with Member States, continue consideration of and make proposals for the further biennialization, triennialization, clustering and elimination of items on the agenda of the Assembly, including through the introduction of a sunset clause, with the clear consent of the sponsoring State or States, taking into account the relevant recommendations of the Ad Hoc Working Group on the Revitalization of the Work of the General Assembly.

44. The General Committee brings to the attention of the General Assembly resolution 67/297, in which the Assembly encouraged Member States, United Nations bodies and the Secretariat to continue to consult on the consolidation of documentation in order to avoid duplication of work, and to exercise the fullest possible discipline in striving for concise resolutions, reports and other documentation, *inter alia*, by referring to previous documents rather than repeating actual content and to focus on key themes; and further called on them to observe existing submission deadlines so as to allow for the timely processing of documents to be examined by intergovernmental bodies.

45. The General Committee also brings the following to the attention of the General Assembly:

- Resolutions should contain requests for observations from States or reports by the Secretary-General insofar as they are likely to facilitate the implementation of the resolutions or the continued examination of the question (resolution 45/45, annex, para. 10 (A/520/Rev.17, annex VII, para. 10))
- Member States and entities of the United Nations system should make a serious effort to submit their replies and inputs to requests for information or views pursuant to resolutions of the General Assembly within the prescribed deadlines (resolution 55/285, annex, para. 17)
- Member States, when seeking additional information, are encouraged to request that they be provided with the information either orally or, if in writing, in the form of information sheets, annexes, tables and the like (resolution 59/313, para. 17)

46. The General Committee further brings to the attention of the General Assembly the fact that, pursuant to section IV, paragraph 21, of resolution 67/237, the Department for General Assembly and Conference Management will continue to offer paper-smart services as an additional support to delegations during the seventieth session.

J. Questions relating to the programme budget

47. The General Committee draws the attention of the General Assembly to rule 153 of the rules of procedure, which reads:

No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of

which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary Committee (Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations.

48. Pursuant to rule 153 of the rules of procedure, the Secretariat considers financial implications of all draft resolutions and decisions of the General Assembly and its subsidiary organs. This process begins once the draft is submitted for issuance as a document of the Assembly. Until then, the Secretariat is not in a position to provide any official view as to whether a draft resolution or decision would have financial implications.

49. The General Committee draws the attention of the General Assembly to the fact that, in accordance with rule 153 of the rules of procedure, the consideration by the Administrative and Budgetary Committee (Fifth Committee) of any proposal involving expenditure before such a proposal is voted on by the Assembly is mandatory and the rule as formulated does not provide for any exceptions.

50. The General Committee also draws the attention of the General Assembly to the need for initiators of proposals with budgetary implications to clarify a timetable at an early stage with the Chair of the Administrative and Budgetary Committee (Fifth Committee) and the Chair of the Advisory Committee on Administrative and Budgetary Questions, in order to ensure full compliance with rule 153.

51. With regard to rule 153 of the rules of procedure and paragraph 13 (d) of decision 34/401, which requires a minimum period of 48 hours before action is taken on a proposal so as to allow the Secretary-General to prepare the programme budget implications of proposals before the Assembly, the General Committee further draws the attention of the Assembly to the fact that, in most cases, more than 48 hours are required for the Secretary-General to review the programme budget implications of proposals before the Assembly.

52. The General Committee brings to the attention of the General Assembly paragraph 25 of resolution 69/321, in which the Assembly recalled rules 153 and 154 of the rules of procedure of the General Assembly and encouraged the Chairs of the Main Committee and the Secretary-General to ensure observance of these rules, within their respective mandates.

53. The General Committee draws the attention of the General Assembly to paragraphs 12 and 13 of decision 34/401 (A/520/Rev.17, annex V), which read:

12. It is imperative that Main Committees should allow sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee and that they should take this requirement into account when they adopt their programme of work.

13. Furthermore:

(a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;

(b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on

Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, namely \$25,000 on any one item;

(c) Firm deadlines should be set for the early submission of the reports of subsidiary organs which require consideration by the Fifth Committee;

(d) A minimum period of 48 hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications.

54. The General Committee also draws the attention of the General Assembly to regulation 5.9 of the Regulations and Rules Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (ST/SGB/2000/8; first adopted in resolution 37/234, annex; the rules in the present revised edition are issued pursuant to resolution 53/207), as well as to Assembly resolution 54/236 and its decision 54/474. Regulation 5.9 reads:

Regulation 5.9. No council, commission or other competent body shall take a decision involving either a change in the programme budget approved by the General Assembly or the possible requirement of expenditure unless it has received and taken account of a report from the Secretary-General on the programme budget implications of the proposal.

55. Furthermore, the General Committee draws the attention of the General Assembly to paragraph 6 of its resolution 35/10 A, which reads:

6. *Decides* that all proposals affecting the schedule of conferences and meetings made at sessions of the General Assembly shall be reviewed by the Committee on Conferences when administrative implications are being considered under the requirements of rule 153 of the rules of procedure of the Assembly.

56. The General Committee draws the attention of the General Assembly to section VI of its resolution 45/248 B on procedures for administrative and budgetary matters, in which the Assembly:

1. *Reaffirms* that the Fifth Committee is the appropriate Main Committee of the General Assembly entrusted with responsibilities for administrative and budgetary matters;

2. *Reaffirms also* the role of the Advisory Committee on Administrative and Budgetary Questions;

3. *Expresses its concern* at the tendency of its substantive Committees and other intergovernmental bodies to involve themselves in administrative and budgetary matters;

4. *Invites* the Secretary-General to provide all intergovernmental bodies with the required information regarding procedures for administrative and budgetary matters.

57. The General Committee also draws the attention of the General Assembly to the views expressed by the Advisory Committee on Administrative and Budgetary

Questions on the use of the phrase “within available resources”⁵ and to the report in which the Committee emphasized the responsibility of the Secretariat to inform the Assembly thoroughly and accurately about whether there are enough resources to implement a new activity.⁶

58. The General Committee brings to the attention of the General Assembly the fact that, pursuant to paragraph 5 of resolution 40/243, United Nations bodies may hold sessions away from their established headquarters when a Government issuing an invitation for a session to be held within its territory has agreed to defray, after consultation with the Secretary-General as to their nature and possible extent, the actual additional costs directly or indirectly involved. The methods of budgeting these costs should be improved so as to ensure that all additional costs are accounted for.⁷

59. The General Committee also brings to the attention of the General Assembly the fact that all activities related to international conventions or treaties that, under their respective legal arrangements, ought to be financed outside the regular budget of the United Nations, may be undertaken by the Secretariat only when sufficient funding is received, in advance, from States parties and States not parties participating in the meetings.

60. The General Committee further brings to the attention of the General Assembly paragraph 11 of resolution 69/250, in which the Assembly invited Member States to include in new legislative mandates adequate information on the modalities for the organization of conferences or meetings.

K. Observances and commemorative meetings

61. Considering past practice, the General Committee recommends to the General Assembly that it adopt a format for commemorative meetings that includes statements by the President of the General Assembly, the Secretary-General, the Chairs of the five regional groups and the representative of the host country.

III. Adoption of the agenda

62. The General Committee considered the draft agenda of the seventieth session submitted by the Secretary-General in his memorandum (A/BUR/70/1). All proposals for the inclusion of items in the agenda of the seventieth session have been communicated to Member States in the following documents:

- (a) Provisional agenda of the seventieth regular session (A/70/150);
- (b) Supplementary list of items proposed for inclusion in the agenda of the seventieth session (A/70/200).

63. The items proposed for inclusion are listed in the draft agenda, which appears in paragraph 77 below.

⁵ Ibid., *Thirty-eighth Session, Supplement No. 7A* (A/38/7/Add.1-23), document A/38/7/Add.16.

⁶ Ibid., *Fifty-fourth Session, Supplement No. 7* (A/54/7).

⁷ Ibid., recommendation 4.

64. In paragraph 2 (a) of the annex to resolution 58/316, the General Assembly decided, *inter alia*, that the agenda of the Assembly should be organized under headings corresponding to the priorities of the Organization, as contained in each medium-term plan or in the strategic framework, as appropriate, with an additional heading for “Organizational, administrative and other matters”, for the purpose of giving a sense of structure to the work of the Assembly. Since the fifty-ninth session the agenda of the General Assembly has been structured accordingly.

65. The General Committee took note of the relevant resolutions pertaining to the review and coordination of the agenda, namely, annex I to resolution 48/264, the annex to resolution 51/241, the annex to resolution 55/285, paragraph 60 of resolution 57/270 B, and paragraphs 2 and 4 of the annex to resolution 58/316. The General Committee also took note of paragraph 22 of resolution 69/321, in which the General Assembly requested that the Assembly and its Main Committees, at the seventieth session, in consultation with Member States, continue consideration of and make proposals for the further biennialization, triennialization, clustering and elimination of items on the agenda of the Assembly, including through the introduction of a sunset clause, with the clear consent of the sponsoring State or States, taking into account the relevant recommendations of the Ad Hoc Working Group on the Revitalization of the Work of the General Assembly.

66. Bearing in mind the extremely heavy workload of the General Assembly and the need to make the most effective use of scarce resources, the General Committee took note of the suggestion of the Secretary-General to consider deferring to a later session items for which decisions or action are not required at the current session (resolution 51/241, annex, paras. 23-26).

67. The General Committee took note of decision 49/426, whereby the General Assembly decided that the granting of observer status in the Assembly should in future be confined to States and to those intergovernmental organizations whose activities cover matters of interest to the Assembly.

68.
