#### I. Introduction

1. The Advisory Committee on Administrative and Budgetary Questions has considered the final performance report of the Secretary-General on the United Nations Mission in the Central African Republic and Chad (MINURCAT) ([A/70/559](#)). During its consideration of the report, the Committee met representatives of the Secretary-General, who provided additional information and clarification, concluding with written responses received on 26 February 2016.

Details on the administrative liquidation and on the final disposition of the assets of MINURCAT were contained in a separate report of the Secretary-General ([A/69/596](#)) and the views and comments of the Advisory Committee thereon were set out in its related report ([A/69/841](#); see also General Assembly resolution 69/295).
