**General Assembly
Seventy-third session**
Agenda items 35 and 41**Security Council
Seventy-fourth year****Protracted conflicts in the GUAM area and their
implications for international peace, security
and development****The situation in the occupied territories of Azerbaijan****Letter dated 12 March 2019 from the Permanent Representative of
Azerbaijan to the United Nations addressed to the
Secretary-General**

Upon instructions from my Government, I have the honour to transmit herewith the records of violations of the ceasefire by the Republic of Armenia in February 2019 (see annex).*

During the reporting period, the armed forces of Armenia violated the ceasefire regime 700 times, and continued to use large-calibre guns and heavy weaponry from their positions in the occupied territories of the Republic of Azerbaijan and from the territory of the Republic of Armenia.

The military occupation of the territory of Azerbaijan does not represent a solution and will never produce a political outcome desired by Armenia. The resolution of the conflict is possible only on the basis of the sovereignty and territorial integrity of Azerbaijan within its internationally recognized borders.

I should be grateful if you would have the present letter and its annex circulated as a document of the General Assembly, under agenda items 35 and 41, and of the Security Council.

(Signed) Yashar Aliyev
Ambassador
Permanent Representative

* The annex is being circulated in the language of submission only.
