Совет Безопасности
Семьдесят четвертый год

**Затянувшиеся конфликты на пространстве ГУАМ и их
последствия для международного мира, безопасности и
развития**

**Положение на оккупированных территориях
Азербайджана**

**Письмо Постоянного представителя Азербайджана
при Организации Объединенных Наций от 26 декабря
2019 года на имя Генерального секретаря**

По поручению моего правительства имею честь настоящим препроводить информацию о нарушениях режима прекращения огня, совершенных Республикой Армения в августе и сентябре 2019 года (см. приложения I и II)*.

В указанные отчетные периоды вооруженные силы Армении нарушили режим прекращения огня 654 раза и 640 раз, соответственно, и продолжали обстрелы с применением крупнокалиберного и тяжелого оружия со своих позиций на оккупированных территориях Азербайджанской Республики и территории Республики Армения.

В результате этих действий в сентябре один военнослужащий вооруженных сил Азербайджанской Республики был убит, а двое других получили ранения.

Военная оккупация территории Азербайджана вооруженными силами Армении является результатом явно аннекционистской политики Армении и представляет собой главное препятствие на пути к достижению мира, безопасности, стабильности и социально-экономического развития в регионе.

Военная оккупация территории Азербайджана не является решением проблемы и никогда не приведет к тому политическому результату, которого добивается Армения. Чем скорее Армения выведет свои вооруженные силы из Нагорно-Карабахского региона и других оккупированных территорий

* Распространяются только на том языке, на котором они были представлены.

Азербайджана, тем быстрее будет урегулирован конфликт и перед обеими странами и их народами откроются перспективы сотрудничества и экономического развития.

Буду признателен Вам за распространение настоящего письма и приложений к нему в качестве документа Генеральной Ассамблеи по пунктам 32 и 37 повестки дня и документа Совета Безопасности.
