Reaffirming further the role of the General Assembly, through the Fifth Committee, in carrying out a thorough analysis and approval of posts and financial resources, as well as of human resources policies,

Recognizing the detrimental effect of the withholding of assessed contributions on the administrative and financial functioning of the United Nations and its ability to implement mandates and programmes,

Having considered the proposed programme budget for 2021,¹ the report of the Independent Audit Advisory Committee on internal oversight: proposed programme budget for 2021² and the related report of the Advisory Committee on Administrative and Budgetary Questions,³
