OF THE INALIENABLE RIGHTS
OF THE PALESTINIAN PEOPLE

RESOLUTIONS OF THE GENERAL ASSEMBLY

TENTH EMERGENCY SPECIAL SESSION

(Illegal Israeli actions in Occupied East Jerusalem and the rest of the
Occupied Palestinian Territory)

1997/1998

Introductory note

1. At the request of the Committee on the Exercise of the Inalienable Rights of the Palestinian People, the Secretariat since 1976 issues an annual compilation of resolutions and decisions relating to the question of Palestine adopted by the General Assembly at its regular sessions and by the Security Council (A/AC.183/L.2 and Addenda).
2. In April 1997, the General Assembly convened its tenth emergency special session. The session was resumed in July and November 1997, and in March 1998. As the emergency special session is a distinct mechanism from the regular sessions of the General Assembly, the resolutions adopted at those meetings have been compiled in a separate addendum.

Tenth emergency special session

ES-10/2. Illegal Israeli actions in occupied East Jerusalem and the rest of the Occupied Palestinian Territory

The General Assembly,

Aware of the commencement, after the adoption of General Assembly resolution 51/223 of 13 March 1997, of construction by Israel, the occupying Power, of a new settlement in Jebel Abu Ghneim to the south of East Jerusalem on 18 March 1997, and of other illegal Israeli actions in Jerusalem and the rest of the Occupied Palestinian Territory,

Noting with regret that the Security Council, at its 3747th meeting, on 7 March 1997, and at its 3756th meeting, on 21 March 1997, twice failed to adopt a resolution on the actions referred to above, as a result of the negative vote of a permanent member of the Council,

Reaffirming the permanent responsibility of the United Nations with regard to the question of Palestine until it is solved in all its aspects,

Reaffirming also the principle of the inadmissibility of the acquisition of territory by force,

Having considered the serious deterioration of the situation in the Occupied Palestinian Territory, including Jerusalem, and in the Middle East in general, including the serious difficulties facing the Middle East peace process, as a result of recent Israeli actions and measures,

Affirming its support for the Middle East peace process, started at Madrid in 1991, on the basis of Security Council resolutions 242 (1967) of 22 November 1967, 338 (1973) of 22 October 1973 and 425 (1978) of 19 March 1978, for the principle of land for peace and for the full and timely implementation of the agreements reached between the Government of Israel and the Palestine Liberation Organization, the representative of the Palestinian people, and of all commitments reached between the parties,

Recalling its relevant resolutions, including resolutions 181 (II) of 29 November 1947 and 51/223, and the relevant resolutions of the Security Council, in particular those on Jerusalem and Israeli settlements in the occupied territories, including resolutions 252 (1968) of 21 May 1968, 446 (1979) of 22 March 1979, 452 (1979) of 20 July 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980, 478 (1980) of 20 August 1980, 672 (1990) of 12 October 1990 and 1073 (1996) of 28 September 1996,

Reaffirming that the international community, through the United Nations, has a legitimate interest in the question of the City of Jerusalem and the protection of the unique spiritual and religious dimension of the City, as foreseen in relevant United Nations resolutions on this matter,

Reaffirming also the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹ and the Regulations annexed to the Hague Convention IV of

¹ United Nations, Treaty Series, vol. 75, No. 973.

1907² to the Occupied Palestinian Territory, including Jerusalem, and all other Arab territories occupied by Israel since 1967,

Recalling the obligation of the High Contracting Parties to the Geneva Convention relative to the Protection of Civilian Persons in Time of War to respect and ensure respect for the Convention in all circumstances, in accordance with article 1 of the Convention,

Conscious of the serious dangers arising from persistent violation and grave breaches of the Convention and the responsibilities arising therefrom,

Convinced that ensuring respect for treaties and other sources of international law is essential for the maintenance of international peace and security, and determined, in accordance with the preamble to the Charter of the United Nations, to establish conditions under which justice and respect for the obligations arising from treaties and other sources of international law can be maintained,

Also convinced, in this context, that the repeated violation by Israel, the occupying Power, of international law and its failure to comply with relevant Security Council and General Assembly resolutions and the agreements reached between the parties undermine the Middle East peace process and constitute a threat to international peace and security,

Increasingly concerned about the actions of armed Israeli settlers in the Occupied Palestinian Territory, including Jerusalem,

Aware that, in the circumstances, it should consider the situation with a view to making appropriate recommendations to the States Members of the United Nations, in accordance with General Assembly resolution 377 A (V) of 3 November 1950,

1. *Condemns* the construction by Israel, the occupying Power, of a new settlement in Jebel Abu Ghneim to the south of occupied East Jerusalem and all other illegal Israeli actions in all the occupied territories;

2. *Reaffirms* that all legislative and administrative measures and actions taken by Israel, the occupying Power, that have altered or purported to alter the character, legal status and demographic composition of Jerusalem are null and void and have no validity whatsoever;

3. *Reaffirms also* that Israeli settlements in all the territories occupied by Israel since 1967 are illegal and an obstacle to peace;

4. *Demands* immediate and full cessation of the construction in Jebel Abu Ghneim and of all other Israeli settlement activities, as well as of all illegal measures and actions in Jerusalem;

5. *Demands also* that Israel accept the *de jure* applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹ to all the territories occupied since 1967, and that it comply with relevant Security Council resolutions, in accordance with the Charter of the United Nations;

² See Carnegie Endowment for International Peace, The Hague Conventions and Declarations of 1899 and 1907 (New York, Oxford University Press, 1915).

6. *Stresses* the need to preserve the territorial integrity of all of the Occupied Palestinian Territory and to guarantee the freedom of movement of persons and goods in the territory, including the removal of restrictions into and from East Jerusalem, and the freedom of movement to and from the outside world;

7. *Calls* for the cessation of all forms of assistance and support for illegal Israeli activities in the Occupied Palestinian Territory, including Jerusalem, in particular settlement activities;

8. *Recommends* to the States that are High Contracting Parties to the Geneva Convention relative to the Protection of Civilian Persons in Time of War to take measures, on a national or regional level, in fulfilment of their obligations under article 1 of the Convention, to ensure respect by Israel, the occupying Power, of the Convention;

9. *Requests* the Secretary-General to monitor the situation and to submit a report on the implementation of the present resolution, within two months of its adoption, in particular on the cessation of the construction of the new settlement in Jebel Abu Ghneim and of all other illegal Israeli actions in occupied East Jerusalem and the rest of the Occupied Palestinian Territory;

10. *Expresses the need* for scrupulous implementation of the agreements reached between the parties, and urges the sponsors of the peace process, the interested parties and the entire international community to exert all the necessary efforts to revive the peace process and to ensure its success;

11. *Recommends* that a comprehensive, just and lasting solution to the question of the City of Jerusalem, which should be reached in permanent status negotiations between the parties, should include internationally guaranteed provisions to ensure the freedom of religion and of conscience of its inhabitants, as well as permanent, free and unhindered access to the Holy Places by the faithful of all religions and nationalities;

12. *Rejects* terrorism in all its forms and manifestations, in accordance with all relevant United Nations resolutions and declarations;

13. *Decides* to adjourn the tenth emergency special session of the General Assembly temporarily and to authorize the President of the General Assembly to resume its meetings upon request from Member States.

The General Assembly,

Having received with appreciation the report of the Secretary-General,¹

Recalling all relevant United Nations resolutions,

Reaffirming its resolution ES-10/2 of 25 April 1997,

Having been informed in the report of the Secretary-General that, inter alia, the Government of Israel, as of 20 June 1997, has not abandoned its construction of the new Israeli settlement at Jebel Abu Ghneim and that settlement activity, including the expansion of existing settlements, the construction of bypass roads, the confiscation of lands adjacent to settlements and related activities, in violation of Security Council resolutions on the matter, continues unabated throughout the Occupied Palestinian Territory, and also that the Israeli Prime Minister and other representatives of the Government continue to reject the terms of resolution ES-10/2 requiring the cessation of those activities,

Aware that, in the light of the position of the Government of Israel, as indicated in the report of the Secretary-General, the General Assembly should once more consider the situation with a view to making additional appropriate recommendations to States Members of the United Nations, in accordance with General Assembly resolution 377 A (V) of 3 November 1950,

7. *Demands* that Israel, the occupying Power, make available to Member States the necessary information about goods produced or manufactured in the illegal settlements in the Occupied Palestinian Territory, including Jerusalem;

8. *Stresses* that all Member States, in order to ensure their rights and benefits resulting from membership, should fulfil in good faith the obligations assumed by them in accordance with the provisions of the Charter of the United Nations;
