III. ADOPTION OF THE AGENDA	16 - 20	6
IV. ALLOCATION OF ITEMS	21 - 29	19

I. INTRODUCTION

1. The Secretary-General has the honour to place before the General Committee, for its consideration, the following observations and proposals in connexion with the report to be made to the General Assembly by the General Committee regarding the organization of the thirty-first regular session, the adoption of the agenda and the allocation of items.

II. ORGANIZATION OF THE SESSION

Schedule of meetings

2. It is suggested that both plenary and committee meetings should begin at 10.30 a.m. and 3 p.m.; thus, two and a half hours would be available in the morning and three in the afternoon. In this connexion, the General Committee may wish to stress the need for punctuality in opening meetings and to draw the General Assembly's attention to rules 67 and 108 of the rules of procedure (A/520/Rev.12), whereby the President of the General Assembly may declare a meeting open and permit the debate to proceed when at least one third of the members are present, and the Chairman of a Main Committee may declare a meeting open and permit the debate to proceed when at least one quarter of the members are present.

3. It is proposed that a five-day working week should be established, on the understanding that meetings on Saturdays, as well as night meetings, may be scheduled should this prove necessary.

General debate

4. The General Committee may wish to draw the General Assembly's attention to the following conclusions of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly which were approved by the Assembly at its twenty-sixth session:

(a) The length of the general debate should not normally exceed two and a half weeks (A/520/Rev.12, annex V, para. 45);

(b) The list of speakers wishing to take part in the general debate should be closed at the end of the third day after the opening of the debate (*ibid.*, para. 46);

(c) Speakers should, as far as possible, avoid putting down their names to speak on a given item and at the same time indicating an alternative meeting if they are unable to keep to their original schedule (*ibid.*, para. 70);

(d) Representatives should speak in the order of their inscription on the list of speakers, on the understanding that those prevented from doing so should normally be moved to the end of the list, unless they have arranged to change places with other representatives (*ibid.*, para. 71).

/...

5. Taking into consideration the conclusions set forth in subparagraphs (a) and (b) of paragraph 4 above, the Secretary-General wishes to suggest that:

(a) The general debate should begin on Monday, 27 September and end on Wednesday, 13 October 1976;

(b) The list of speakers wishing to take part in the general debate should be closed on Wednesday, 29 September, at 6 p.m.

Right of reply

6. The General Committee may also wish to draw the General Assembly's attention to the recommendation of the Special Committee, which was approved by the Assembly, whereby statements made in the exercise of the right of reply should be delivered, as a general rule, at the end of meetings (*ibid.*, para. 78). Furthermore, the General Committee may wish to recommend, as was done at previous sessions, that delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day and whenever such meetings are devoted to the consideration of the same item.

7. Following the precedents established by the General Assembly at previous sessions, the General Committee may wish to recommend to the Assembly that statements in the exercise of the right of reply should be limited to 10 minutes.

Closing date of the session

8. In accordance with the provisions of rule 2 of the rules of procedure and in the light of the recommendation of the Special Committee that the General Assembly should meet for a period of 13 weeks (A/520/Rev.12, annex V, para. 4), the Secretary-General wishes to suggest that the closing date of the thirty-first session should be Tuesday, 21 December 1976.

Records of the Main Committees

9. The Secretary-General wishes to draw the General Committee's attention to the fact that under rule 58 of the rules of procedure the First Committee shall be provided with verbatim records. That rule also stipulates that no organ of the General Assembly shall have both verbatim and summary records. As previously, the General Committee may therefore wish to recommend that the verbatim records should be the official records of the First Committee and the summary records should remain the official records of all other Main Committees. In this connexion, the General Committee should also make a recommendation to the General Assembly as to whether the option that has traditionally been approved for the Special Political Committee to obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof, should be maintained for the thirty-first session. Furthermore, the General Committee may wish to draw the General Assembly's

attention to paragraph 10 (e) of its resolution 2538 (XXIV) of 11 December 1969 which reads as follows:

"Speeches or statements by representatives, by the Secretary-General or his representative, or by persons presenting reports on behalf of committees or other bodies, may be reproduced in extenso in summary records or in official documents only if they serve as bases for discussion, provided that the relevant decision is taken by the body concerned after a statement of the financial implications has been submitted in accordance with regulation 13.1 of the Financial Regulations of the United Nations."

Seating arrangements

10. In accordance with the established practice, the Secretary-General has caused lots to be drawn for the purpose of choosing the Member to occupy the first desk on the Assembly floor from which the alphabetical seating order will begin. The name drawn was Indonesia. Consequently, the delegation of that country will sit at the first desk at the right of the President and the other countries will follow in the English alphabetical order. The same order will be observed in the Main Committees.

Use of the General Assembly Hall by the Main Committees

11. In addition to the General Assembly Hall, only five conference rooms (Conference Rooms 1 to 4 and the Trusteeship Council Chamber) can accommodate the membership of the Organization, making it possible to hold no more than six meetings simultaneously. All the Main Committees should, therefore, make full use of the General Assembly Hall when no plenary meeting is being held.

Mechanical means of voting

12. The Secretary-General wishes to suggest that the Main Committees make full use, on a rotating basis, of the mechanical means of voting available in both the General Assembly Hall and Conference Room 3.

Financial implications of draft resolutions

13. The Secretary-General would like to draw the attention of the General Committee to rule 153 of the rules of procedure which reads as follows:

"No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary Committee

/...

(Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations."

In this connexion the General Committee may wish to recommend that the General Assembly should draw the attention of the Main Committees to the imperative need for allowing sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and by the Fifth Committee and to the advisability of taking this requirement into account when they adopt their programme of work, so that items for which financial implications are expected may be considered as early as possible.

Reports of the Main Committees

14. The General Committee may also wish to recommend that the General Assembly should draw the attention of the Main Committees to Assembly resolution 2292 (XXII) which was reaffirmed by the Special Committee (*ibid.*, para. 43), whereby the report of the Main Committees should be as concise as possible and, save in exceptional cases, should not contain a summary of the debates.

Balloting procedure

15. The Secretary-General wishes to recall that on three occasions during the thirtieth session the General Assembly decided to dispense with the time-consuming balloting procedure in the case of uncontested elections to subsidiary organs (see A/PV.2432, pp. 17 and 21-23). The General Committee may wish to recommend that the General Assembly resort to such a method whenever it deems it appropriate.

III. ADOPTION OF THE AGENDA

16. All proposals for the inclusion of items in the agenda of the thirty-first session have been communicated to Member States in the following documents:

- (a) Provisional agenda of the thirty-first session (A/31/150);
- (b) Supplementary list of items (A/31/200/Rev.1);
- (c) Request for the inclusion of an additional item (A/31/241).

The items proposed for inclusion are listed in the draft agenda, which appears in paragraph 20 below.

17. With respect to item 12 of the draft agenda (Report of the Economic and Social Council), the Secretary-General wishes to draw the attention of the General Committee to a number of reports which the General Assembly specifically requested or which the Economic and Social Council decided to transmit to the Assembly. These reports, which will be considered under item 12, are the following:

- (a) Report of the Secretary-General on the preparations for the United Nations Water Conference /resolution 3513 (XXX) of 15 December 1975/;
- (b) Report of the Secretary-General on the adverse economic effects on the Arab States and peoples resulting from repeated Israeli aggression and continued occupation of their territories /resolutions 3336 (XXIX) of 17 December 1974 and 3516 (XXX) of 15 December 1975/;
- (c) Report of the Secretary-General on measures and modalities to ensure the adequate preparation, support and financing of an international year of the child /resolution 3406 (XXX) of 28 November 1975/;
- (d) Report of the Secretary-General on an international year of the child, including revised cost estimates /Economic and Social Council decision 178 (LXI) of 5 August 1976/;
- (e) Report of the Secretary-General on measures against corrupt practices of transnational and other corporations, their intermediaries and others involved /resolution 3514 (XXX) of 15 December 1975/;
- (f) Report of the Secretary-General on immediate needs resulting from economic emergency situations /resolution 3510 (XXX) of 15 December 1975/;
- (g) Report of the Secretary-General on United Nations activities relating to the implementation of the medium-term and long-term recovery and rehabilitation programme in the Sudano-Sahelian region /resolution 3253 (XXIX) of 4 December 1974/.

In this connexion, it should be noted that in paragraph 8 of resolution 3021 (XXVII) the General Assembly instructed the Committee on Crime Prevention and Control to submit a report to the Assembly at its thirty-first session, through the Economic and Social Council, on the methods and ways likely to be most effective in preventing crime and improving the treatment of offenders, including recommendations on the measures most appropriate in such areas as law enforcement, judicial procedures and correctional practices. However, in paragraph 3 of resolution 1924 (LVIII) of 6 May 1975, the Economic and Social Council invited the General Assembly to postpone consideration of the question until its thirty-second session.

18. Item 116 of the draft agenda (Amendment to Article 22 of the Statute of the International Court of Justice (Seat of the Court) and consequential amendments to Articles 23 and 28) has been on the agenda of the General Assembly since its twenty-fourth session, when its inscription was requested by the International Court of Justice. Article 22 of the Statute of the Court stipulates that the seat of the Court shall be established at The Hague. In proposing the inscription of the item, the Court suggested in a draft resolution 1/ that Article 22 should be changed to provide that the seat shall be at The Hague "or at such other place as shall at any time be approved by the General Assembly on the recommendation of the Court". The reasons for this proposal were set forth in an explanatory memorandum submitted by the Court. 2/ Since the twenty-fourth session, discussion of the item has been annually postponed. The Secretary-General is aware that a number of developments have taken place, subsequent to the inscription of the item, which might render it unnecessary for the General Assembly to take a decision on substance. For instance, as recorded in the report of the International Court of Justice to the current session of the General Assembly, 3/ work has begun on the construction of a new building in The Hague, at the expense of the Government of the Netherlands, to provide suitable meeting rooms and offices to the Court and its members. Taking this and other developments into account, the Secretary-General has held informal consultations with the President of the Court and with representatives of the Netherlands, and has ascertained that there would be no objection if the item were not maintained on the agenda of the General Assembly. Consequently, the Secretary-General wishes to propose the deletion of that item.

19. The Secretary-General wishes to recall that in the introduction to his report on the work of the Organization (A/31/1/Add.1, sect. VIII) he drew attention to the fact that the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly, whose conclusions were approved by the General Assembly at its twenty-sixth session, had recommended several measures aimed at reducing the number of agenda items. Among them were the elimination of items which had lost their urgency or relevance, were not ripe for consideration

or could be dealt with and even disposed of equally well by subsidiary organs, the staggering of items over two or more years and the grouping of related items under the same title. In the introduction to his report the Secretary-General voiced the firm belief that, in order to improve the efficiency of the General Assembly, an effort should be made to streamline its agenda and expressed the hope that at the beginning of the thirty-first session the General Committee would take a critical look at the draft agenda in the light of the recommendations of the Special Committee cited above.

20. Subject to the General Committee's recommendations regarding paragraphs 17 to 19 above, the draft agenda of the thirty-first session would consist of the following items: 4/

In connexion with item 12 of the draft agenda (Report of the Economic and Social Council), the Secretary-General proposes that, as in previous years, the various parts of the report should be assigned to the Main Committees in accordance with their respective fields of competence or to plenary meetings. Bearing that consideration in mind, the Secretary-General recommends the following allocation for the various parts of the main report, 7/ on the understanding that the sections of the addendum to the report 8/ would be allocated according to their subject-matter:

- (b) Chapter III, section A (Assistance to the drought-stricken areas of Ethiopia), section B (Review of the situation in Guatemala in consequence of the earthquake of 4 February 1976) and section C (Measures to be taken following the cyclones in Madagascar), might be of interest to the Third Committee.

24. With regard to item 25 (Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples), the General Committee may wish to consider referring to the Fourth Committee, as was done at previous sessions, all the chapters of the report of the Special Committee (A/31/23 and Add.1-10) relating to specific Territories. This would again enable the General Assembly to deal in plenary meetings with the question of the implementation of the Declaration as a whole.

25. In connexion with item 49 (General and complete disarmament), the Secretary-General wishes to draw the attention of the General Committee to the fact that some portions of the annual report of the International Atomic Energy Agency

/...

(A/31/171), which is to be considered directly in plenary meeting under item 14, deal with the subject-matter of this item. The General Committee may therefore wish to recommend that the relevant paragraphs of the report should be drawn to the attention of the First Committee in connexion with its consideration of item 49.

26. With regard to item 56 (United Nations Conference on Trade and Development), the Secretary-General wishes to draw the General Committee's attention to the fact that, in section I, paragraph 5, of resolution 90 (IV) of 30 May 1976, the United Nations Conference on Trade and Development at its fourth session decided to recommend that the General Assembly at its thirty-first session should amend further its resolution 1995 (XIX) of 30 December 1964 so that the membership of the Trade and Development Board should be open to all States members of the Conference. Since the Trade and Development Board is scheduled to hold the first part of its sixteenth session from 5 to 22 October 1976 and must report to the General Assembly at the current session, the General Committee may wish to recommend to the Assembly that the Second Committee should consider the question of the enlargement of the Board and report thereon to the General Assembly as a matter of priority.

27. Regarding item 115 (Consolidation and progressive evolution of the norms and principles of international economic development law), the Secretary-General wishes to recall that at its 2441st plenary meeting, on 15 December 1975, the General Assembly, on the recommendation of the Second Committee, 9/ decided to include the item in the provisional agenda of its thirty-first session in the hope that it would be allocated to the Sixth Committee for consideration.

28. Furthermore, the Secretary-General wishes to draw again the attention of the General Committee to the following recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly, which was approved by the Assembly at its twenty-sixth session:

"The Special Committee, reaffirming the major role which must be played by the Special Political Committee and recognizing further that the agenda of that Committee is relatively light, recommends that the General Assembly should consider transferring to the Special Political Committee one or two items usually considered by other Committees with a view to ensuring a better division of work among the Main Committees
/A/520/Rev.12, annex V, para. 347."

Since the agenda of the Special Political Committee continues to be relatively light, the General Committee may wish to consider recommending to the General Assembly the transfer of one or more items to that Committee.

9/ Official Records of the General Assembly, Thirtieth Session, Annexes, agenda item 12, document A/10467, para. 58.
