III. ADOPTION OF THE AGENDA	29 - 33	9

I. INTRODUCTION

1. The Secretary-General has the honour to place before the General Committee for its consideration, the following observations and proposals in connection with the report to be made to the General Assembly by the General Committee regarding the organization of the fortieth regular session, the adoption of the agenda and the allocation of items.

2. By its decision 34/401 (A/520/Rev.15, annex VI), the General Assembly adopted a number of provisions aimed at rationalizing the procedures and organization of the Assembly. Many of these provisions, such as those relating to the time-limit for explanations of vote (para. 6), the right of reply (paras. 8 to 10) and the balloting procedure (para. 16), were already implemented at the thirty-fourth to thirty-ninth sessions and are therefore not referred to in the present document. The General Committee however may wish to draw the Assembly's attention to those provisions that have not yet been or have been only partly implemented; those provisions have been reproduced below under the relevant headings.

3. The General Committee may also wish to draw the General Assembly's attention to the conclusions of the Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization concerning the rationalization of the procedures of the General Assembly annexed to resolution 39/88 B (A/520/Rev.15, annex VII).

II. ORGANIZATION OF THE SESSION

A. General Committee

4. The Secretary-General wishes to draw to the General Committee's attention:

(a) Paragraphs 1 and 2 of the General Assembly decision 34/401 (ibid., annex VI), which read as follows:

"1. The General Committee should, at the outset of each session, consider how the work of the session can best be rationalized.

"2. The General Committee should also meet periodically throughout the session to review the progress of work and to make recommendations to the General Assembly on the general programme of the session and on measures aimed at improving the work."

(b) Paragraph 4 of the annex to General Assembly resolution 39/88 B (ibid., annex VII), which reads as follows:

"4. The General Committee should play more fully its role under rule 42 of the rules of procedure and paragraphs 1 and 2 of General Assembly decision 34/401, reviewing periodically the work of the Assembly and making the necessary recommendations."

B. Observance of the fortieth anniversary of the United Nations

5. The Secretary-General wishes to draw the General Committee's attention to General Assembly resolution 39/161 A of 17 December 1984, on the observance of the fortieth anniversary of the United Nations, particularly paragraph 4, which reads as follows:

"4. Decides that a commemorative session of the General Assembly shall be held for a short period, culminating on 24 October 1985 and coinciding with the proclamation of the International Year of Peace;"

and the operative part of resolution 39/161 B, which reads:

"Decides that the events commemorating the fortieth anniversary of the United Nations should reflect in an appropriate manner the observance of the twenty-fifth anniversary, also in 1985, of the Declaration on the Granting of Independence to Colonial Countries and Peoples with a view to strengthening international commitment to the full achievement of decolonization."

In this connection, the Secretary-General wishes also to draw the General Committee's attention to General Assembly decision 39/420 of 14 December 1984, whereby the Assembly adopted, inter alia, a recommendation to hold a special commemorative meeting in observance of the twenty-fifth anniversary of the Declaration, it being understood that the specific modalities and procedures for the commemoration would be the subject of consultations between the President of the Assembly and the Chairman of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples (see para. 37).

6. The General Committee may wish to recommend to the General Assembly that the Assembly should consider those aspects of the report of the Preparatory Committee for the Fortieth Anniversary of the United Nations which have a bearing on the organization of the session concurrently with the General Committee's first report. In this connection, the Secretary-General wishes at this point to draw the attention of the General Committee to two recommendations of the Preparatory Committee:

(a) By a decision adopted on 10 July 1985, the Preparatory Committee decided, inter alia, to recommend that during the commemorative proceedings between 14 and 24 October 1985, Heads of State or Government should be seated in the General Assembly Hall and be escorted to the podium from the floor and, following the practice already approved by the Assembly, delegations should refrain from expressing their congratulations in the General Assembly Hall after a speech had been delivered; to this end, Heads of State or Government should be advised of such arrangements and the President of the fortieth session of the General Assembly should be requested to draw the attention of representatives to such arrangements (see A/40/49, para. 27 (e)).

/...

(b) By a decision of 27 August 1985, the Preparatory Committee also decided to recommend that delegations should be informed that, on 21, 22 and 23 October, provided that statements did not exceed 15 minutes, 21 speakers could be accommodated. If statements were longer or additional speakers were to be heard on those days, extended afternoon meetings or night meetings would have to be held (see ibid., para. 27 (f)).

C. Schedule of meetings

7. The General Committee may wish to draw the General Assembly's attention to paragraph 3 of its decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

"3. Both plenary and committee meetings should begin at 10.30 a.m. and 3 p.m. and, in order to expedite the work of the General Assembly, all meetings should begin promptly at the scheduled time."

8. The General Committee may wish to recommend to the General Assembly that during the period of the general debate, as decided at the last two sessions, morning plenary meetings should begin at 10 a.m. instead of 10.30 a.m.

9. The General Committee may also wish to recommend to the General Assembly that during the commemorative proceedings of the fortieth anniversary between 14 and 24 October, morning plenary meetings should begin at 10 a.m. instead of 10.30 a.m.

10. Furthermore, the General Committee may wish to recommend to the General Assembly that delegations should be reminded of the importance of punctuality in the interest of ensuring an effective and orderly organization of work and achieving economies for the United Nations.

D. General debate

11. Taking into consideration the number of delegations already inscribed on the list of speakers, the Secretary-General suggests that the general debate should begin on Monday, 23 September, and end on Friday, 11 October 1985.

12. In accordance with the established practice, the Secretary-General also suggests that the list of speakers in the general debate should be closed on Wednesday, 25 September, at 6 p.m.

13. The General Committee may wish to draw the General Assembly's attention to the decision taken by the Assembly at the 3rd plenary meeting of its thirty-ninth session, held on Friday, 21 September 1984, namely that the practice of expressing congratulations in the General Assembly Hall after a speech had been delivered was prohibited (see A/39/PV.3).

E. Explanations of vote

14. The General Committee may wish to draw the General Assembly's attention to paragraph 7 of its decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

"7. When the same draft resolution is considered in a Main Committee and in plenary meeting, a delegation should, as far as possible, explain its vote only once, i.e., either in the Committee or in plenary meeting unless that delegation's vote in plenary meeting is different from its vote in the Committee."

F. Closing date of the session

15. In accordance with the provisions of rule 2 of the rules of procedure and in the light of the recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly that the General Assembly should meet for a period of 13 weeks (A/520/Rev.15, annex V, para. 4), the Secretary-General wishes to suggest that the closing date of the fortieth session should be Tuesday, 17 December 1985.

G. Records of the Main Committees

16. The Secretary-General wishes to draw the General Committee's attention to the fact that under rule 58 of the rules of procedure the First Committee shall be provided with verbatim records. That rule also stipulates that no organ of the General Assembly shall have both verbatim and summary records. As previously, the General Committee may therefore wish to recommend that the verbatim records should be the official records of the First Committee and the summary records should remain the official records of all other Main Committees. In accordance with the recommendation of the Special Committee (*ibid.*, para. 108 (b)), the General Committee may wish to recommend that the General Assembly should maintain for the fortieth session the practice whereby the Special Political Committee may obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof. Furthermore, the General Committee may wish to draw the General Assembly's attention to paragraph 10 (e) of its resolution 2538 (XXIV) of 11 December 1969, which reads as follows:

"(e) Speeches or statements by representatives, by the Secretary-General or his representatives, or by persons presenting reports on behalf of committees or other bodies, may be reproduced in extenso in summary records or in official documents only if they serve as bases for discussion, provided that the relevant decision is taken by the body concerned after a statement of the financial implications has been submitted in accordance with regulation 13.1 of the Financial Regulations of the United Nations."

In this connection, the General Committee may also wish to recommend to the General Assembly that the practice not to reproduce in extenso statements made in a Main Committee should be maintained for the fortieth session.

H. Seating arrangements

17. In accordance with the established practice, the Secretary-General has caused lots to be drawn for the purpose of choosing the Member to occupy the first desk on the Assembly floor from which the alphabetical seating order will begin. The name drawn was Greece. Consequently, the delegation of that country will sit at the first desk at the right of the President and the other countries will follow in the English alphabetical order. The same order will be observed in the Main Committees.

I. Election of the Chairmen of the Main Committees

18. The General Committee may wish to draw the General Assembly's attention to paragraphs 18 and 19 of its decision 34/401 (A/520/Rev.15, annex VI), which read as follows:

"18. Before the conclusion of a session of the General Assembly, regional groups should agree on the distribution of chairmanships among them for the following session.

"19. Candidates for the chairmanships of the Main Committees should be nominated as soon as possible."

J. Concluding statements

19. The General Committee may wish to draw the General Assembly's attention to paragraph 17 of its decision 34/401 (ibid.), which reads as follows:

"17. To save time at the end of the session, the practice of making concluding statements in the General Assembly and its Main Committees should be dispensed with except for statements by the presiding officers."

K. Questions related to the programme budget

20. The Secretary-General would like to draw the attention of the General Committee to rule 153 of the rules of procedure which reads as follows:

"No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary Committee (Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations."

In this connection, the General Committee may wish to draw the General Assembly's attention to paragraph 12 of its decision 34/401 (ibid.), which reads as follows:

/...

"12. It is imperative that Main Committees should allow sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee and that they should take this requirement into account when they adopt their programme of work."

The General Committee may also wish to draw the General Assembly's attention to regulation 4.9 of the Regulations Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (resolution 37/234, annex), which reads as follows:

"Regulation 4.9. No Council, Commission or other competent body shall take a decision involving either a change in the programme budget approved by the General Assembly or the possible requirement of expenditure unless it has received and taken account of a report from the Secretary-General on the programme budget implications of the proposal."

21. The General Committee may also wish to recall paragraph 13 of decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

"13. Furthermore:

(a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;

(b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, namely, \$25,000 on any one item;

(c) Firm deadlines should be set for the early submission of the reports of subsidiary bodies which require consideration by the Fifth Committee;

(d) A minimum period of 48 hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications."

L. Documentation

22. The General Committee may wish to draw the General Assembly's attention to paragraph 28 of its decision 34/401 (ibid.), which reads as follows:

"28. The General Assembly, including its Main Committees, should merely take note of those reports of the Secretary-General or subsidiary organs which do not require a decision by the Assembly and should neither debate nor adopt resolutions on them, unless specifically requested to do so by the Secretary-General or the organ concerned."

/...

23. The Secretary-General feels obliged to emphasize once again that the increase in documentation has been one of the most critical issues with which Member States and the Secretariat are confronted. In this connection, the General Committee may wish to recommend that the General Assembly should urge all Member States and subsidiary organs to exercise maximum restraint in requesting circulation of material as official documents of the Assembly.

M. Resolutions

24. The General Committee may wish to draw the General Assembly's attention to paragraph 32 of its decision 34/401 (ibid.), which reads as follows:

"32. Whenever possible, resolutions requesting the discussion of a question at a subsequent session should not call for the inclusion of a separate new item and such discussion should be held under the item under which the resolution was adopted."

N. Special conferences

25. The General Committee may wish to draw the General Assembly's attention to recommendation 6 of the Committee on Conferences, adopted by the Assembly in paragraph (b) of its decision 34/405, which reads as follows:

"(b) The Committee, taking into account difficulties encountered in ensuring adequate preparation of meetings, including timely distribution of documentation, as well as the ability of Member States to participate fully, recommends that the General Assembly should instruct the Main Committees to review the number of special conferences of the United Nations already proposed and scheduled in their respective fields of activity prior to deciding upon the scheduling of new and additional special conferences, thus bearing in mind the relevant portions of General Assembly resolution 33/55."

O. Meetings of subsidiary organs

26. In accordance with paragraph 34 of General Assembly decision 34/401 (ibid.), no subsidiary organ of the Assembly should be permitted to meet at United Nations Headquarters during a regular session of the Assembly, unless explicitly authorized by the Assembly. In this connection, the Secretary-General wishes to draw the attention of the General Committee to a letter dated 12 September 1985 (A/40/632) in which the Chairman of the Committee on Conferences informed the President of the General Assembly that, in view of special circumstances, the Committee had recommended that the following subsidiary organs should be authorized to meet during the fortieth session:

(a) Ad Hoc Committee on the Indian Ocean;

(b) Advisory Committee on the United Nations Educational and Training Programme for Southern Africa;

/...

- (c) Committee of Trustees of the United Nations Fund for South Africa;
- (d) Committee on Relations with the Host Country;
- (e) Committee on the Exercise of the Inalienable Rights of the Palestinian People;
- (f) Special Committee against Apartheid;
- (g) United Nations Council for Namibia.

Furthermore, the Secretary-General wishes to draw the attention of the General Committee to paragraph 3 of resolution 39/161 A in which the General Assembly, inter alia, decided that the Preparatory Committee for the Fortieth Anniversary of the United Nations would continue to function until the observance of the anniversary.

P. Question of smoking in conference rooms

27. The General Committee may wish to recall that, in accordance with a decision taken by the General Assembly at its thirty-eighth session (A/38/PV.3, p. 51):

- (a) Smoking is prohibited in small conference rooms (such as rooms 5 to 10 and A to E);
- (b) Smoking is discouraged in large conference rooms (such as rooms 1 to 4).

Q. Rationalization of work

28. The General Committee may wish to draw the General Assembly's attention to the main conclusions of the Meeting of Presidents of the General Assembly on the occasion of the fortieth anniversary of the United Nations, held in New York from 6 to 10 June 1985. The conclusions relevant to the organization of work of the Assembly are reproduced in paragraphs 14 to 20 and in the appendix of document A/40/377 of 18 June (see para. 46 below).

31. In view of the withdrawal of Australia from membership in the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples (A/40/92), the Secretary-General recommends the inclusion of sub-item 17 (1) (Appointment of a member of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples) in the draft agenda.

32. In view of the large number of items on the draft agenda and the more limited time available for their consideration in this commemorative session, the Secretary-General wishes to recall the recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly that Member States should examine the agenda with a view to eliminating items which have lost their urgency or relevance, are not ripe for consideration or could be dealt with and even disposed of equally well by subsidiary organs of the General Assembly, and to referring specific items to other United Nations organs or to specialized agencies, taking into account the nature of the question (A/520/Rev.15, annex V, paras. 19 and 22; see also ibid., annex VII, paras. 1 and 2). In this connection, the General Committee may wish to consider:

(a) The grouping of related items under a single heading;

(b) The staggering of items over two or more years.

33. Subject to the recommendations of the General Committee regarding paragraphs 30 and 31 above, the draft agenda of the fortieth session would consist of the following items: 1/

IV. ALLOCATION OF ITEMS

34. The allocation of items described in paragraph 47 below is based on the pattern adopted by the General Assembly for those items in previous years. However, the Secretary-General trusts that delegations will consider allotting items in a manner which will best enhance the effectiveness and the impact of the Assembly's work. In this connection, the General Committee may wish to draw the General Assembly's attention to paragraph 4 of its decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

"4. Substantive items should normally be discussed initially in a Main Committee and, therefore, items previously allocated to plenary meetings should henceforth be referred to a Main Committee unless there are compelling circumstances requiring their continued consideration in plenary meeting."

35. The following items of the draft agenda have not been considered previously by the General Assembly:

146. International co-operation in the peaceful exploitation of outer space under conditions of its non-militarization (S.2).

147. Solemn appeal to States in conflict to cease armed action forthwith and to settle disputes between them through negotiations, and to States Members of the United Nations to undertake to solve situations of tension and conflict and existing disputes by political means and to refrain from the threat or use of force and from any intervention in the internal affairs of other States (A.1).

The sponsor of the request for the inclusion of item 147 has suggested that it should be allocated to plenary meetings.

36. In connection with item 12 of the draft agenda (Report of the Economic and Social Council), the Secretary-General proposes that, as in previous years, the various parts of the report should be assigned to the Main Committees in accordance with their respective fields of competence or to plenary meetings, on the understanding that administrative and budgetary aspects should be dealt with by the Fifth Committee. Bearing that consideration in mind, the Secretary-General recommends the following allocation for the various parts of the report: 6/

6/ A/40/3; to be issued subsequently as Official Records of the General Assembly, Fortieth Session, Supplement No. 3 (A/40/3).

37. With regard to item 18 of the draft agenda (Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples), the General Committee may wish to consider referring to the Fourth Committee, as was done at previous session, all the chapters of the report of the Special Committee (A/40/23) relating to specific Territories; this would again enable the General Assembly to deal in plenary meeting with the question of the implementation of the Declaration as a whole. Furthermore, the Secretary-General wishes to draw the attention of the General Committee to the Programme of Activities in Observance of the Twenty-fifth Anniversary of the Declaration (resolution 39/93, annex), which was endorsed by the Assembly at its thirty-ninth session (see para. 5).

38. In connection with item 23 of the draft agenda (Question of the Falkland Islands (Malvinas)), the Secretary-General wishes to remind the General Committee that at its thirty-ninth session the General Assembly decided to consider this item directly in plenary meeting, on the understanding that bodies and individuals having an interest in the question would be heard in the Fourth Committee in conjunction with the consideration of the item in plenary meeting (see A/39/PV.3).

39. With regard to item 34 of the draft agenda (Question of Namibia), the General Committee will recall that at its thirty-ninth session the General Assembly decided to consider this item directly in plenary meeting, on the understanding that hearings of the organizations concerned would be held in the Fourth Committee (see A/39/PV.3).

40. In connection with item 35 of the draft agenda (Policies of apartheid of the Government of South Africa), the Secretary-General wishes to remind the General Committee that at its thirty-ninth session the General Assembly decided to consider this item directly in plenary meeting, on the understanding that the representatives of the Organization of African Unity and of national liberation movements recognized by that organization would be permitted to participate in the discussion in plenary meeting and that organizations and individuals having a special interest in the question would be permitted to be heard by the Special Political Committee (see A/39/PV.3).

41. With regard to item 44 of the draft agenda (Question of Cyprus), the General Committee will recall that at its thirty-seventh session 7/ the General Assembly decided to consider this item directly in plenary meeting, on the understanding that it would, when considering the item, invite the Special Political Committee to meet for the purpose of affording representatives of the Cypriot communities an opportunity to take the floor in the Committee in order to express their views, and that the Assembly would then resume its consideration of the item, taking into account the report of the Special Political Committee (see A/37/PV.116).

42. With regard to item 68 of the draft agenda (General and complete disarmament), the Secretary-General wishes to draw the attention of the General Committee to the fact that some portions of the annual report of the International Atomic Energy Agency (A/40/576), which is to be considered directly in plenary meeting under item 14, deal with the subject-matter of this item. The General Committee may therefore wish to recommend that the relevant paragraphs of the report should be drawn to the attention of the First Committee in connection with the consideration of item 68.

43. In connection with item 84 (i) of the draft agenda (Effective mobilization and integration of women in development), the Secretary-General wishes to recall that in paragraph 1 of its resolution 36/127 the General Assembly recommended, in the light of paragraphs 80 to 82 of the report of the Ad Hoc Working Group on the

Bearing in mind paragraph 2 of General Assembly resolution 39/22 of 23 November 1984, which reads as follows:

"The General Assembly,

"...

"2. Decides to devote an appropriate number of plenary meetings at its fortieth session, in 1985, to policies and programmes relating to youth and to designate these meetings as the United Nations World Conference for the International Youth Year which should take place in keeping with the procedures and practices of the General Assembly;"

The General Committee may wish to recommend to the Assembly that it should hold these plenary meetings upon receipt of the report of the Third Committee on this item.

45. With regard to item 121 of the draft agenda (Joint Inspection Unit), the General Committee may wish to recommend to the General Assembly, as was done at the thirty-seventh to thirty-ninth sessions, that the item should be allocated to the Fifth Committee on the understanding that the reports of the Joint Inspection Unit dealing with subject-matters assigned to other Main Committees would be referred also to those Committees.

46. In connection with item 142 of the draft agenda (Report of the Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization), the General Committee may wish to recommend to the General Assembly that the document containing the recommendations made by the Presidents of the Assembly concerning the rationalization of the procedures of the Assembly (see para. 28) should be made available to the Sixth Committee for its consideration under this item.

47. Subject to changes that may be made by the General Committee in the light of paragraphs 35 to 46 above, the allocation of the items of the draft agenda, as based on previous practice, would be the following: 8/
