I. INTRODUCTION

1. The Secretary-General has the honour to place before the General Committee, for its consideration, the following observations and proposals in connection with the report to be made to the General Assembly by the General Committee regarding the organization of the forty-second regular session, the adoption of the agenda and the allocation of items.

2. Over the years, the General Assembly has adopted a number of provisions aimed at rationalizing the procedures and organization of the Assembly. These provisions are reproduced in the annexes to the rules of procedure of the General Assembly (A/520/Rev.15, annexes I-VII). Although some of these provisions have already been implemented, many of them have not yet been or have been only partly implemented. Some of them have acquired an urgent character in view of the financial difficulties facing the United Nations and the efforts being undertaken in the process of renewal and reform of the Organization.

3. The General Committee may wish to draw the General Assembly's attention to the provisions reproduced in annexes V, VI and VII of its rules of procedure, in particular to those provisions reproduced below under the relevant headings.

II. ORGANIZATION OF THE SESSION

A. General Committee

4. The Secretary-General wishes to draw to the General Committee's attention:

(a) Paragraphs 1 and 2 of General Assembly decision 34/401 (ibid., annex VI), which read as follows:

"1. The General Committee should, at the outset of each session, consider how the work of the session can best be rationalized.

"2. The General Committee should also meet periodically throughout the session to review the progress of work and to make recommendations to the General Assembly on the general programme of the session and on measures aimed at improving the work."

(b) Paragraph 4 of the annex to General Assembly resolution 39/88 B (ibid., annex VII), which reads as follows:

"4. The General Committee should play more fully its role under rule 42 of the rules of procedure and paragraphs 1 and 2 of General Assembly decision 34/401, reviewing periodically the work of the Assembly and making the necessary recommendations."

B. Rationalization of work

5. The Secretary-General wishes to draw the attention of the General Committee to General Assembly resolution 41/213 of 19 December 1986, whereby the Assembly decided that the recommendations as agreed upon and as contained in the report of the Group of High-level Intergovernmental Experts to Review the Efficiency of the Administrative and Financial Functioning of the United Nations 1/ should be implemented by the Secretary-General and the relevant organs and bodies of the United Nations.

6. In this connection, the General Committee may wish to draw the General Assembly's attention to recommendations 2, 3, 4 and 7 of the Group of High-level Intergovernmental Experts: 2/

(a) The relevant provisions of recommendation 2 read as follows:

"The number of conferences and meetings can be significantly reduced and their duration shortened without affecting the substantive work of the Organization. To this end:

...

"(b) The General Assembly and the Economic and Social Council should request their subsidiary bodies to review urgently their current agendas and schedules of meetings in order to reduce substantially their number, frequency and duration. In this context, the move towards biennialization of conferences and meetings, which has been initiated particularly in the economic and social fields, should be vigorously pursued;

"(c) As there continues to be large differences between planned and actual utilization of available conference resources by numerous United Nations bodies, these bodies should be requested to provide a more realistic assessment of their needs. The Committee on Conferences should, in co-operation with the bodies concerned, ensure that wastage of conference-service resources is minimized through a reduction in the projections of the length and, where appropriate, the frequency of meetings of those bodies that have consistently utilized a lower level of resources than planned;

"(d) Until 1978, a number of resolutions had requested that only one major conference be scheduled annually. The decision of the General Assembly that no more than five special conferences should take place in

1/ Official Records of the General Assembly, Forty-first Session, Supplement No. 49 (A/41/49).

2/ Ibid., para. 21.

a given year and that no more than one special conference should be convened at the same time should be strictly implemented."

(b) Recommendation 3 reads as follows:

"The procedures and methods of work of the General Assembly and its subsidiary organs, particularly its Main Committees, should be streamlined and thereby made more effective. Many recommendations have been put forward to this effect. In this connection, the following points should be emphasized:

"(a) The high cost of holding meetings of the principal organs of the United Nations makes it imperative to utilize fully available services. The responsibility for this rests with the presiding officers of these organs, as well as the representatives of Member States;

"(b) The agenda of the General Assembly should be rationalized by grouping or merging, to the extent possible, related items and by setting an interval of two or more years for the discussion of certain items;

"(c) The possibility of holding the meetings of the Fourth Committee and the Special Political Committee in sequential order should be addressed;

"(d) The distribution of agenda items among the Main Committees of the General Assembly and between those Committees and the plenary meetings of the Assembly should be reviewed, in order to ensure the best possible use of the expertise of the Committees and of the time and resources available;

"(e) As a rule, the General Assembly should not create new subsidiary organs without discontinuing existing ones;

"(f) Efforts should be made to reduce the number of resolutions adopted by the General Assembly. Resolutions should request reports of the Secretary-General only in cases where that would be indispensable for facilitating the implementation of these resolutions or the continued examination of the question."

(c) Recommendation 4 reads as follows:

"The existing principle that United Nations bodies should meet at their respective established headquarters, as provided for in General Assembly resolution 40/243 of 18 December 1985, should be strictly enforced. Whenever the Assembly accepts an invitation from the Government of a Member State to hold a conference or meeting away from established headquarters, the additional cost should be borne in full by that Government. The methods of budgeting these costs should be improved so as to ensure that all additional costs are accounted for."

(d) Recommendation 7 reads as follows:

"Since the cost of processing and distributing as official documents communications received from Member States is estimated at \$2 million per biennium, Member States should co-operate in significantly curtailing this practice. The provisions of General Assembly decision 34/401 should be strictly adhered to."

7. The Secretary-General wishes to draw the General Committee's attention to Economic and Social Council resolution 1987/112 of 6 February 1987 whereby the Council decided to establish a Special Commission of the Economic and Social Council on the In-depth Study of the United Nations Intergovernmental Structure and Functions in the Economic and Social Fields to carry out the in-depth study called for in recommendation 8 of the Group of High-level Intergovernmental Experts.

8. The Secretary-General wishes to draw the attention of the General Committee to the measures he has already undertaken in pursuance of the goal of renewal and reform as reflected in his progress report on the implementation of General Assembly resolution 41/213 (A/42/234). In this connection, the Secretary-General also wishes to draw the attention of the General Committee to the fact that measures introduced to reduce costs relating to overtime continue to be in effect. Therefore, the Committee may wish to alert Member States that, as a result of these curtailments, the Secretariat will not be able to provide all the services rendered prior to 1986.

C. Closing date of the session

9. In accordance with the provisions of rule 2 of the rules of procedure and in the light of the recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly that the General Assembly should meet for a period of 13 weeks (A/520/Rev.15, annex V, para. 4), the closing date of the forty-second session should be Tuesday, 15 December 1987. However, in view of the financial problems still being faced by the United Nations and in the context of the process of renewal and reform under way, and in the light of the concurrence expressed by the regional groups prior to the convening of the forty-second session, the General Committee may wish to recommend to the General Assembly that no closing date be decided upon at this time and that every effort be made to curtail the duration of the forty-second session.

D. Schedule of meetings

10. In the light of the decision taken at the last four sessions, the General Committee may wish to recommend to the General Assembly that, as a cost-saving measure, morning meetings should start at 10 a.m. promptly both for all plenary meetings and meetings of the Main Committees during the forty-second session.

11. In view of the concurrence expressed by the regional groups prior to the convening of the forty-second session, the General Committee may wish to recommend

/...

that, in order to avoid the late start of meetings and as a cost-saving measure, the General Assembly should waive, as decided at the forty-first session, the requirement of the presence of at least one third of the members to declare a plenary meeting open and permit the debate to proceed and one quarter of the members to declare a meeting of the Main Committee open and permit the debate to proceed. This recommendation would be made on the understanding that it does not involve any permanent change in the relevant provisions of rules 67 and 108 of the rules of procedure.

12. Furthermore, the General Committee may wish to recommend to the General Assembly that delegations should be reminded of the utmost importance of punctuality in the interest of ensuring an effective and orderly organization of work and achieving economies for the United Nations.

E. General debate

13. Taking into consideration the number of delegations already inscribed on the list of speakers, the Secretary-General suggests that the general debate should begin on Monday, 21 September, and end on Friday, 9 October 1987.

14. In accordance with established practice, the Secretary-General also suggests that the list of speakers in the general debate should be closed on Wednesday, 23 September, at 6 p.m.

15. The General Committee may wish to draw the General Assembly's attention to the decision taken by the Assembly at the 3rd plenary meeting of its forty-first session, held on Saturday, 20 September 1986, namely that the practice of expressing congratulations in the General Assembly Hall after a speech had been delivered was prohibited (see A/41/PV.3).

F. Explanations of vote, right of reply and length of statements

16. The General Committee may wish to draw the General Assembly's attention to paragraphs 6, 7 and 8 of its decision 34/401 (A/520/Rev.15, annex VI), which read as follows:

"6. Explanations of vote should be limited to ten minutes.

"7. When the same draft resolution is considered in a Main Committee and in plenary meeting, a delegation should, as far as possible, explain its vote only once, i.e., either in the Committee or in plenary meeting, unless that delegation's vote in plenary meeting is different from its vote in the Committee.

"8. Delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day and whenever such meetings are devoted to the consideration of the same item."

/...

17. Furthermore, with a view to streamlining the procedures of the General Assembly and as another cost-saving measure, in connection with the length of statements the General Committee may wish to draw the attention of the General Assembly, as it did at the forty-first session, to rules 72 and 114 of the rules of procedure and paragraph 22 of annex VI thereof for appropriate action in plenary meeting and the Main Committees.

G. Records of meetings

18. The Secretary-General wishes to draw the General Committee's attention to the fact that the General Assembly, by its decision 41/466 of 11 December 1986, on the current financial crisis of the United Nations, agreed that the Secretary-General might proceed along the lines of the proposals contained in his report on the issue (A/41/901 and Add.1), taking into account the relevant report of the Fifth Committee (A/41/953). In accordance with paragraphs 3 and 4 of document A/41/901/Add.1, during the forty-second session verbatim records will continue to be provided to the plenary meetings of the Assembly and meetings of the First Committee and summary records will be provided to the General Committee, the Credentials Committee and the Main Committees of the Assembly. In accordance with the recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly (A/520/Rev.15, annex V, para. 108 (b)), the General Committee may wish to recommend that the General Assembly should maintain for the forty-second session the practice whereby the Special Political Committee may obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof. These transcriptions, which would not be part of the official records of the Committee, would be provided as the required services became available. Furthermore, the General Committee may wish to draw the General Assembly's attention to paragraphs 8 and 9 of its resolution 38/32 E of 25 November 1983, which read as follows:

"8. Decides that the practice of reproducing statements in extenso as separate documents shall be discontinued for all its subsidiary organs that are entitled to summary records;

"9. Decides further that any exceptions to this rule may be made by the body concerned only if the statements are to serve as bases for discussion and if, after hearing a statement of the relevant financial implications, the body decides that one or more statements in extenso may be included in the summary record, or reproduced as separate documents or as annexes to authorized documents;"

In this connection, the General Committee may also wish to recommend to the General Assembly that the practice not to reproduce in extenso statements made in a Main Committee should be maintained for the forty-second session.

H. Seating arrangements

19. In accordance with established practice, the Secretary-General has drawn lots for the purpose of choosing the Member State to occupy the first desk on the General Assembly floor from which the alphabetical seating order will begin. The name drawn was the United Arab Emirates. Consequently, the delegation of that country will sit at the first desk at the right of the President and the other countries will follow in the English alphabetical order. The same order will be observed in the Main Committees.

I. Election of the Chairmen of the Main Committees

20. The General Committee may wish to draw the General Assembly's attention to paragraphs 18 and 19 of its decision 34/401 (A/520/Rev.15, annex VI), which read as follows:

"18. Before the conclusion of a session of the General Assembly, regional groups should agree on the distribution of chairmanships among them for the following session.

"19. Candidates for the chairmanships of the Main Committees should be nominated as soon as possible."

J. Concluding statements

21. The General Committee may wish to draw the General Assembly's attention to paragraph 17 of its decision 34/401 (ibid.), which reads as follows:

"17. To save time at the end of the session, the practice of making concluding statements in the General Assembly and its Main Committees should be dispensed with except for statements by the presiding officers."

K. Questions related to the programme budget

22. The Secretary-General would like to draw the attention of the General Committee to rule 153 of the rules of procedure which reads as follows:

"No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary Committee (Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations."

In this connection, the General Committee may wish to draw the General Assembly's attention to paragraph 12 of its decision 34/401 (ibid.), which reads as follows:

"12. It is imperative that Main Committees should allow sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee and that they should take this requirement into account when they adopt their programme of work."

Furthermore, the General Committee may wish to draw the attention of the General Assembly to paragraph 6 of its resolution 35/10 A of 3 November 1980, which reads as follows:

"6. Decides that all proposals affecting the schedule of conferences and meetings made at sessions of the General Assembly shall be reviewed by the Committee on Conferences when administrative implications are being considered under the requirements of rule 153 of the rules of procedure of the Assembly".

The General Committee may also wish to draw the General Assembly's attention to regulation 4.9 of the Regulations governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (resolution 37/234, annex), which reads as follows:

"Regulation 4.9. No Council, Commission or other competent body shall take a decision involving either a change in the programme budget approved by the General Assembly or the possible requirement of expenditure unless it has received and taken account of a report from the Secretary-General on the programme budget implications of the proposal."

23. The General Committee may also wish to recall paragraph 13 of decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

"13. Furthermore:

(a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;

(b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, namely, \$25,000 on any one item;

(c) Firm deadlines should be set for the early submission of the reports of subsidiary bodies which require consideration by the Fifth Committee;

(d) A minimum period of forty-eight hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications."

If the General Committee decides to recommend the curtailment of the duration of the forty-second session, the mandatory deadline mentioned above should be adjusted accordingly.

L. Documentation

24. The General Committee may wish to draw the General Assembly's attention to paragraph 23 of its decision 34/401 (ibid.), which reads as follows:

"28. The General Assembly, including its Main Committees, should merely take note of those reports of the Secretary-General or subsidiary organs which do not require a decision by the Assembly and should neither debate nor adopt resolutions on them, unless specifically requested to do so by the Secretary-General or the organ concerned."

25. The Secretary-General feels obliged to emphasize once again that the provisions adopted by the General Assembly to control and limit documentation have not had as much effect as desired in decreasing the volume. In this connection, on the basis of previous related Assembly decisions, including the recommendations of the Group of High-level Intergovernmental Experts mentioned in paragraph 5 above, and the relevant recommendations made by the Presidents of the General Assembly (A/40/377, appendix, paras. 12-16), the General Committee may wish to examine this question in depth with a view to proposing the adoption of stricter measures by the Assembly.

M. Resolutions

26. The General Committee may wish to draw the General Assembly's attention to paragraph 32 of its decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

"32. Whenever possible, resolutions requesting the discussion of a question at a subsequent session should not call for the inclusion of a separate new item and such discussion should be held under the item under which the resolution was adopted."

27. The General Committee may also wish to draw the attention of the General Assembly to subparagraph (f) of recommendation 3 of the Group of High-level Intergovernmental Experts quoted in paragraph 6 above.

28. In this connection, the Secretary-General would like to draw the attention of the General Committee to the relevant recommendations made by the Presidents of the General Assembly (A/40/377, appendix).

N. Special conferences

29. The General Committee may wish to draw the General Assembly's attention to recommendation 6 of the Committee on Conferences, adopted by the Assembly in paragraph (b) of its decision 34/405, which reads as follows:

"(b) The Committee, taking into account difficulties encountered in ensuring adequate preparation of meetings, including timely distribution of documentation, as well as the ability of Member States to participate fully,

/...

recommends that the General Assembly should instruct the Main Committees to review the number of special conferences of the United Nations already proposed and scheduled in their respective fields of activity prior to deciding upon the scheduling of new and additional special conferences, thus bearing in mind the relevant portions of General Assembly resolution 33/55."

The General Committee may also wish to draw the General Assembly's attention to paragraphs 10 (h) and (i) of its resolution 40/243, section I, which read as follows:

"(h) No more than one special conference of the United Nations shall be convened at the same time;

"(i) In any given year, no more than five special conferences should be convened, unless the General Assembly specifically decides otherwise".

30. In this connection, the General Committee may wish to draw the General Assembly's attention to the relevant provisions of recommendation 4 of the Group of High-level Intergovernmental Experts quoted in paragraph 6 above.

O. Meetings of subsidiary organs

31. In accordance with paragraph 7 of General Assembly resolution 40/243, section I, no subsidiary organ of the Assembly should be permitted to meet at United Nations Headquarters during a regular session of the Assembly, unless explicitly authorized by the Assembly. In this connection, the Secretary-General wishes to draw the attention of the General Committee to a letter dated 2 September 1987 (A/42/548) in which the Chairman of the Committee on Conferences informed the President of the General Assembly that, in view of special circumstances, the Committee had recommended that the following subsidiary organs should be authorized to meet during the forty-second session:

- (a) Advisory Committee on the United Nations Educational and Training Programme for Southern Africa;
- (b) Committee for Programme and Co-ordination;
- (c) Committee of Trustees of the United Nations Fund for South Africa;
- (d) Committee on Relations with the Host Country;
- (e) Committee on the Exercise of the Inalienable Rights of the Palestinian People;
- (f) Intergovernmental Group to Monitor the Supply and Shipping of Oil and Petroleum Products to South Africa;

/...

- (h) United Nations Council for Namibia;
- (i) Working Group on the Financing of the United Nations Relief and Works Agency for Palestine Refugees in the Near East.

III. ADOPTION OF THE AGENDA

32. All proposals for the inclusion of items in the agenda of the forty-second session have been communicated to Member States in the following documents:

- (a) Provisional agenda of the forty-second session (A/42/150);
- (b) Supplementary list (A/42/200).

The items proposed for inclusion are listed in the draft agenda, which appears in paragraph 35 below.

33. Bearing in mind the current financial crisis of the United Nations and the longer-term need to rationalize the General Assembly's procedures, and in view of the large number of items on the draft agenda, the Secretary-General wishes to recall the recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly that Member States should examine the agenda with a view to eliminating items which have lost their urgency or relevance, are not ripe for consideration or could be dealt with and even disposed of equally well by subsidiary organs of the General Assembly, and to referring specific items to other United Nations organs or to specialized agencies, taking into account the nature of the question (A/520/Rev.15, annex V, paras. 19 and 22; see also *ibid.*, annex VII, paras. 1 and 2). The Secretary-General wishes also to recall subparagraph (b) of recommendation 3 of the Group of High-level Intergovernmental Experts, quoted in paragraph 6 above, whereby the agenda of the General Assembly should be rationalized by grouping or merging, to the extent possible, related items and by setting an interval of two or more years for the discussion of certain items. In this connection, the General Committee may wish to consider:

- (a) The grouping of related items under a single heading;
- (b) The staggering of items over two or more years.

34. In connection with item 16 (a) of the draft agenda (Election of twenty members of the Governing Council of the United Nations Environment Programme), the Secretary-General wishes to draw the attention of the General Committee to General Assembly resolution 40/200 of 17 December 1985 and to Governing Council decision 14/4 of 18 June 1987, including the draft resolution annexed thereto, in which the Council, *inter alia*, requested "the Secretary-General to conduct consultations with Governments to establish the necessary transitional arrangements for a change in the term of office of members of the Governing Council from three years to four, with one half of the membership being elected every two years". Should the General Assembly adopt the draft resolution, it might decide not to hold

/...

an election this year but to extend by one year the term of office of those members whose term will expire on 31 December 1987.

35. Subject to the recommendations of the General Committee regarding paragraphs 33 and 34 above, the draft agenda of the forty-second session would consist of the following items: 3/

IV. ALLOCATION OF ITEMS

36. The allocation of items described in paragraph 51 below is based on the pattern adopted by the General Assembly for those items in previous years. However, the Secretary-General trusts that delegations will consider allotting items in a manner which will best enhance the effectiveness and the impact of the Assembly's work. In this connection, the General Committee may wish to draw the General Assembly's attention to paragraph 4 of its decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

"4. Substantive items should normally be discussed initially in a Main Committee and, therefore, items previously allocated to plenary meetings should henceforth be referred to a Main Committee unless there are compelling circumstances requiring their continued consideration in plenary meeting."

37. The following items of the draft agenda have not been considered previously by the General Assembly:

142. Aggression against and occupation of Chad by Libya (P.142).
143. Observer status for the African Development Bank in the General Assembly (P.143).
144. Interregional Consultation on Developmental Social Welfare Policies and Programmes (P.144).
145. Co-operation between the United Nations and the Organization of American States (S.1).

9/ The sponsor of the item has requested its inclusion under item 128 of the draft agenda.

147. Convening, under the auspices of the United Nations, of an international conference to define terrorism and to differentiate it from the struggle of peoples for national liberation (S.3). 9/

The sponsors of the requests for the inclusion of five of these items have suggested that they should be allocated as follows:

Item 142	Plenary meetings
Item 143	Plenary meetings
Item 145	Plenary meetings
Item 146	Plenary meetings
Item 147	Plenary meetings

In connection with item 144, which was included in the provisional agenda on the proposal of the Economic and Social Council (resolution 1987/48 of 28 May 1987), the General Committee may wish to recommend that, in view of its subject-matter, the item should be allocated to the Third Committee.

38. In connection with item 12 of the draft agenda (Report of the Economic and Social Council), the Secretary-General proposes that, as in previous years, the various parts of the report should be assigned to the Main Committees in accordance with their respective fields of competence or to plenary meetings, on the understanding that administrative, programme and budgetary aspects should be dealt with by the Fifth Committee. Bearing that consideration in mind, the Secretary-General recommends the following allocation for the various parts of the report: 10/

In this connection, the Secretary-General wishes to draw the General Committee's attention to General Assembly resolution 41/190 of 8 December 1986, whereby the Assembly decided, *inter alia*, to devote at least two plenary meetings at its forty-second session to issues related to shelter in observance of the International Year of Shelter for the Homeless. The General Committee may wish to recommend that Monday, 12 October 1987 be devoted to the observance of the Year.

39. With regard to item 18 of the draft agenda (Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples), the General Committee may wish to consider referring to the Fourth Committee, as was done at previous sessions, chapters of the report of the Special Committee (A/42/23) relating to specific Territories; this would again enable the General Assembly to deal in plenary meeting with the question of the implementation of the Declaration as a whole.

40. In connection with item 33 of the draft agenda (Policies of apartheid of the Government of South Africa), the Secretary-General wishes to remind the General Committee that at previous sessions the General Assembly decided to consider this item directly in plenary meeting, on the understanding that the representatives of the Organization of African Unity and of national liberation movements recognized by that organization would be permitted to participate in the discussion in plenary

meeting and that organizations and individuals having a special interest in the question would be permitted to be heard by the Special Political Committee.

41. With regard to item 36 of the draft agenda (Question of Namibia), the General Committee will recall that at previous sessions the General Assembly decided to consider this item directly in plenary meeting, on the understanding that hearings of the organizations concerned would be held in the Fourth Committee.

42. In connection with item 37 of the draft agenda (Question of the Falkland Islands (Malvinas)), the Secretary-General wishes to remind the General Committee that at previous sessions the General Assembly decided to consider this item directly in plenary meeting, on the understanding that bodies and individuals having an interest in the question would be heard in the Fourth Committee in conjunction with the consideration of the item in plenary meeting.

43. With regard to item 41 of the draft agenda (Review of the efficiency of the administrative and financial functioning of the United Nations), in view of the fact that the General Assembly will have before it information of a rather technical nature on actions prescribed over the three-year period 1987-1989, the General Committee may wish to recommend to the Assembly that the item should be allocated to the Fifth Committee, on the understanding that such a decision would in no way prejudice the arrangements to be made for the future consideration of the item.

44. In connection with item 43 of the draft agenda (Current financial crisis of the United Nations), bearing in mind the many technical aspects to be reviewed in the context of this item, the General Committee may wish to recommend to the General Assembly that the item should be allocated to the Fifth Committee, on the understanding that such a decision would in no way prejudice the arrangements to be made for the future consideration of the item.

45. With regard to item 46 of the draft agenda (Question of Cyprus), the General Committee will recall that at its thirty-seventh session 12/ the General Assembly decided to consider this item directly in plenary meeting, on the understanding that it would, when considering the item, invite the Special Political Committee to meet for the purpose of affording representatives of the Cypriot communities an opportunity to take the floor in the Committee in order to express their views, and that the Assembly would then resume its consideration of the item, taking into account the report of the Special Political Committee.

46. With regard to item 63 of the draft agenda (General and complete disarmament), the Secretary-General wishes to draw the attention of the General Committee to the fact that some portions of the annual report of the International Atomic Energy Agency (A/42/458 and Corr.1), which is to be considered directly in plenary meeting under item 14, deal with the subject-matter of this item. The General Committee may therefore wish to recommend that the relevant paragraphs of the report should be drawn to the attention of the First Committee in connection with its consideration of item 63.

12/ This item has not been discussed since the thirty-seventh session.

47. With regard to item 83 (e) of the draft agenda (Environment), the Secretary-General wishes to bring to the attention of the General Committee a request by Canada and Norway that, prior to the consideration of this sub-item by the Second Committee, the report of the World Commission on Environment and Development transmitted to the General Assembly by the Governing Council of the United Nations Environment Programme (A/42/427) should be introduced at a plenary meeting.

48. In connection with item 97 (c) of the draft agenda (United Nations Development Fund for Women), the Secretary-General wishes to recall paragraph 16 of the annex to resolution 39/125 of 14 December 1984, which reads as follows:

"16. Taking into account the advice of the Consultative Committee, the Administrator shall submit to the Governing Council of the United Nations Development Programme an annual report on the operations, management and budget of the Fund. He shall submit a similar report to the General Assembly, to be referred to the Second Committee for consideration of its technical co-operation aspects and also to the Third Committee."

The General Committee may therefore wish to recommend that the report should be referred to the Second Committee for consideration under item 84 of the draft agenda (Operational activities for development).

49. With regard to item 121 of the draft agenda (Joint Inspection Unit), the General Committee may wish to recommend to the General Assembly, as was done at previous sessions, that the item should be allocated to the Fifth Committee, on the understanding that the reports of the Joint Inspection Unit dealing with subject-matters assigned to other Main Committees would be referred also to those Committees.

50. In connection with items allocated to the Main Committees, the Secretary-General wishes to call to the attention of the General Committee the important contribution that non-governmental organizations have made and can make in support of the programmes and objectives of the United Nations. Over the years, non-governmental organizations have on a number of occasions participated in the work of the Main Committees where their observations and/or expertise were deemed to be useful in the consideration of specific items. The General Committee may therefore wish to recommend that the Main Committees consider inviting, on an ad hoc basis, either on their own initiative or upon request, non-governmental organizations having consultative status with the Economic and Social Council to participate in the discussion of relevant items in which they have a special competence.

51. Subject to changes that may be made by the General Committee in the light of paragraphs 36 to 50 above, the allocation of the items of the draft agenda, as based on previous practice, would be the following: 13/

13/ For the abbreviations used in the allocation of items, see footnote 3.
