Romania: draft resolution

The General Assembly,

Recalling its resolution 40/150 of 16 December 1985,

Regretting that, due to the financial difficulties of the United Nations the Secretary-General had to defer to 1987 the update of the report entitled **Economic and Social Consequences of the Arms Race and Military Expenditures, 1/ as requested in paragraph 1 of the above-mentioned resolution,**

Deeply convinced that, in undertaking further measures that might be required to face the financial difficulties of the Organization, due attention should be given to the pressing need for all Governments and peoples to be informed about the Problems created by the arms race and of the need for disarmament., which is of vital interest to all peoples and for which the United Nations has a central role,

1. **Requests the Secretary-General to bring up to date the report entitled Economic and Social Consequences of the Arms Race and Military Expenditures under the conditions provided in paragraphs 1, 2 and 3 of resolution 40/150;**

2. **Requests the Secretary-General to present the updated report to the **General Assembly** at its forty-third session and to inform the General Assembly at its forty-second session on the progress achieved in implementation of this resolution.**
