Replace the words “the COVID-19 pandemic is deepening pre-existing inequalities that perpetuate all multiple and intersecting forms of discrimination, including racism, stigmatization and xenophobia, and violence, including domestic violence” with the words “the COVID-19 pandemic is deepening already existing inequalities that perpetuate discrimination, as well as racism, stigmatization and xenophobia, and violence against women, including domestic violence and sexual and gender-based violence”.
2. Replace the words “and recognizing that all national responses must ensure respect for human rights and fundamental freedoms” with the words “and recognizing the need to fully respect, protect and fulfil existing commitments and obligations with respect to the equal enjoyment of all human rights and fundamental freedoms, as part of the COVID-19 response”.
