Financing of the United Nations Peacekeeping Force in Cyprus

**Implementation of General Assembly resolution 56/502
on the financing of the United Nations Peacekeeping Force
in Cyprus**

Note by the Secretary-General

1. This note is issued for information concerning the implementation of General Assembly resolution 56/502 of 27 June 2002, which provides for the financing of the United Nations Peacekeeping Force in Cyprus (UNFICYP) for the periods from 1 July 2000 to 30 June 2001 and from 1 July 2002 to 30 June 2003 and takes into account the voluntary contributions from the Governments of Cyprus and Greece to the Force.
2. In previous resolutions wherein financial resources were provided in gross and net amounts, the voluntary contribution of one third of the appropriation from the Government of Cyprus and the annual voluntary contribution of \$6.5 million from the Government of Greece were calculated on the basis of the net appropriation. Accordingly, as voluntary contributions are not subject to staff assessment, the totality of estimated income from staff assessment was credited among Member States. However, in the revision of the format of peacekeeping resolutions for the resumed fifty-sixth session, which omits references to net amounts, the treatment and calculation of voluntary contributions from the Governments of Cyprus and Greece were made in error.
3. Consequently, in accordance with past practice that voluntary contributions are to be calculated on a net basis, the financing of UNFICYP will be implemented in accordance with the revised paragraphs 14 to 21 of Assembly resolution 56/502, as contained in the annex to the present note.
