Seventy-sixth session Sixth Committee

Organization of work

Note by the Secretariat

1. In order to assist the Sixth Committee in the organization of its work, the Secretariat considers it appropriate, in the light of General Assembly resolutions [1898 \(XVIII\)](#) of 11 November 1963 and [32/71](#) of 9 December 1977 and of rule 99 (b) of the rules of procedure of the Assembly, to draw the attention of the Committee to the information below.

Items allocated to the Sixth Committee

2. At its 2nd plenary meeting, held on 17 September 2021, the General Assembly allocated 25 items to the Sixth Committee. The list of those items, organized under headings corresponding to the priorities of the Organization, is contained in a note by the Secretariat on the allocation of agenda items to the Committee, which has been circulated as a document of the Committee ([A/C.6/76/1](#)). The Committee's attention is drawn to the relevant parts of sections III and IV of the report of the General Committee ([A/76/250](#)) concerning the agenda of the Main Committees and to the recommendations on the organization of the session contained in section II of the same report. Those recommendations were approved by the Assembly at its 2nd plenary meeting.

Documentation relating to the items allocated to the Sixth Committee

3. The table below lists the documents of the seventy-sixth session of the General Assembly relating to the items allocated to the Sixth Committee. It includes references to the reports of commissions or committees and the reports that are to be submitted by the Secretary-General pursuant to resolutions or decisions of the Assembly at preceding sessions, as well as to documents circulated under the agenda items allocated to the Committee,¹ in accordance with requests of Member States. The attention of delegates is also drawn to the website of the Committee.²

¹ The figure in brackets after the title of each item indicates its number on the agenda of the seventy-sixth session. The list of documents is based on information available as at 23 September 2021.

Programme of work

4. Rule 99 (b) of the rules of procedure of the General Assembly provides that:

Each Main Committee, taking into account the closing date for the session fixed by the General Assembly on the recommendation of the General Committee, shall adopt its own priorities and meet as may be necessary to complete the consideration of the items referred to it. It shall at the beginning of the session adopt a programme of work indicating, if possible, a target date for the conclusion of its work, the approximate dates of consideration of items and the number of meetings to be allocated to each item.

5. Pursuant to General Assembly resolution [58/316](#) on further measures for the revitalization of the work of the Assembly, upon the recommendation of the Sixth Committee, the Assembly, at its 45th plenary meeting, held on 15 December 2020, adopted decision 75/527 containing the provisional programme of work of the Committee for the seventy-sixth session of the Assembly.

6. The General Assembly, at its 2nd plenary meeting, held on 17 September 2021, upon the recommendation of the General Committee (A/76/250, para. 21), fixed the target date of 19 November 2021 for the completion of the work of the Sixth Committee.

7. The Bureau of the Committee has considered the provisional programme of work as contained in decision 75/527 and has taken into account the allocation of a new item to the Committee by the General Assembly and the anticipated workload at the present session. The Bureau has also taken into account the exceptional circumstances occasioned by the coronavirus disease (COVID-19) pandemic, as a result of which the seventy-sixth session has had to be reorganized in order to take into account the medical guidance for the conduct of in-person meetings. In this connection, the following should be noted:

(a) All meetings are to be held subject to the general guidance of the medical service of the Organization, with full respect for social distancing and related requirements;

(b) Plenary meetings are to be held in person (during the slotted times), and statements in plenary are to be subject to agreed time limits (statements delivered in a national capacity will be limited to 7 minutes, while those delivered on behalf of groups will be limited to 12 minutes), with delegations encouraged to present only abridged versions of their statements (and to transmit their full statements to the Secretariat to the eStatements portal (estatements@un.org) for posting online);³

(c) Time limits on statements will not apply to the debate on the report of the International Law Commission;

(d) Deadlines to inscribe on the list of speakers will be established and communicated to all delegations well in advance of the meetings in question, both on the website of the Committee and by means of announcements transmitted through the e-deleGATE portal;

(e) All working group meetings are to be held online with remote simultaneous interpretation (with the limit of two hours per meeting), and reports by the Chairs of working groups are to be presented at plenary meetings;

(f) Coordinators of draft resolutions are encouraged, to the extent possible, to introduce zero drafts in the plenary meeting immediately following the conclusion of the debate on the respective agenda item;

(g) Informal consultations are to be organized by coordinators, with the assistance of the Secretariat, over online platforms, without interpretation (during available empty slots);

(h) Draft resolutions are to be introduced and adopted at in-person meetings.

It is emphasized that the proposed working arrangements are exceptional in nature owing to the COVID-19 pandemic and do not constitute a precedent for working arrangements for the Sixth Committee at future sessions of the General Assembly. A tabular form of the proposed programme below (indicating the slotted times, whether in the morning or the afternoon) will be circulated to delegations in an electronic format.

³ Statements should be transmitted to estatements@un.org, in both PDF and Word format at least one hour before delivery, in order to be made available online in the eStatements section of the *Journal of the United Nations*. Delegations should be aware that only the delivered component of a statement will appear in the summary records of the Sixth Committee.

Establishment of working groups and holding of consultations

8. Concerning agenda item 111, entitled “Measures to eliminate international terrorism”, the General Assembly, by its resolution [75/145](#), decided to recommend that the Sixth Committee, at the seventy-sixth session of the Assembly, establish a working group with a view to finalizing the process on the draft comprehensive convention on international terrorism as well as discussions on the item included in its agenda by Assembly resolution [54/110](#) concerning the question of convening a high-level conference under the auspices of the United Nations. In that light, two meetings, to be held on 14 and 19 October, have been suggested for that purpose.

9. The consideration of the report of the working group in plenary is scheduled for 9 November. It has also been suggested to hold informal consultations regarding agenda item 147, entitled “Administration of justice at the United Nations”, on 19 October.

10. In view of the limited conference services available to the Sixth Committee (see para. 22), any meetings for the working groups or for informal consultations are accommodated within the overall meetings allocated to the Committee. As indicated in paragraph 7, such meetings will, on an exceptional basis, be held in an online format either with remote simultaneous interpretation (for working group meetings) or without interpretation (for informal consultations).

Statements by delegations

11. The list of speakers for the debate on all agenda items opened on Friday, 17 September 2021. Delegations are invited to inscribe their names on the list of speakers through the eSpeakers module for the Sixth Committee in the e-deleGATE portal.

12. Pursuant to General Assembly resolution [72/313](#), delegations are encouraged to adhere to the “all protocol observed” principle and to refrain from listing standard protocol expressions during their statements. In the same resolution, the Assembly recommended that speakers should be mindful of the speed of statement delivery, bearing in mind the need for accuracy of interpretation.

13. In accordance with General Assembly decision 34/401, delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for the consideration of the relevant agenda item on that day, or at the conclusion of the consideration of the item, if that is sooner. The first statement should be limited to five minutes and the second, if any, to three minutes.

Draft resolutions

14. The initiation and sponsorship of draft resolutions, where applicable, will be undertaken electronically through the eSponsorship module for the Sixth Committee in the e-deleGATE portal.

15. Unless otherwise agreed, coordinators or main sponsors, as applicable, of proposals for draft resolutions are encouraged to hold at least one informal consultation per proposal. The Secretariat will provide assistance where necessary. Informal consultations should be announced sufficiently in advance, including in the *Journal of the United Nations*, so as to allow participation by representatives of all Member States. Once consultations have concluded, it is the practice of the Sixth Committee to place proposals for draft resolutions under a silence procedure, prior to their submission for processing and issuance in all official languages as limited (“L”) documents.

16. All delegations wishing to sponsor a proposal for a draft resolution, where applicable, are encouraged to do so electronically through the eSponsorship module, rather than during the formal proceedings of the Committee. This is without prejudice

to the possibility of delegations sponsoring a proposal for a draft resolution at the time of the Committee's action on the latter during a plenary meeting. Sponsorship should take place in the Sixth Committee, given that, once the Committee has adopted a proposal for a draft resolution and recommended its adoption by the General Assembly, its sponsorship can no longer be altered by Member States. Proposals for draft resolutions submitted on behalf of the Bureau are not subject to sponsorship.

17. Pursuant to rule 153 of the rules of procedure of the General Assembly, "no resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General". It is therefore imperative that the Sixth Committee allow sufficient time for the preparation of estimates of expenditure by the Secretariat and for their consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee. Bearing in mind that 18 November has been fixed as the concluding date for the work of the Sixth Committee (see para. 6), 5 November would have to be considered the mandatory deadline for submission to the Fifth Committee of draft resolutions with financial implications, except for draft resolutions concerning items to be considered after that date. When submitting such proposals, delegations may also wish to bear in mind that, in most cases, a period of more than 48 hours, up to four days, is required for the Secretary-General to review the programme budget implications of proposals. Accordingly, the deadline for finalization and submission of all draft resolutions for budget review and processing is 11 November 2021.

18. Each coordinator or main sponsor, as applicable, of proposals for draft resolutions will be invited to introduce their respective draft resolutions as issued in limited distribution ("L") documents. Such introductions take place at plenary meetings, and will be announced in advance, including in the *Journal*.

19. Except for draft resolutions introduced at the final meeting of the substantive part of the session on 18 November 2021, it is the practice of the Committee to take action on each draft resolution at the plenary meeting following that at which the draft resolution was introduced, or at a later date. Any anticipated action on draft resolutions or decisions will be announced in advance, including in the *Journal* and on the website of the Committee. It is the practice of the Sixth Committee to strive for the adoption of draft resolutions without taking a vote.

Conference resources available

20. The available conference facilities will, in principle, enable the Committee to hold between three and six plenary meetings per week. Morning meetings will be held from 10 a.m. to 1 p.m. and afternoon meetings from 3 to 6 p.m.

21. Unless otherwise specified, formal meetings of the Committee (in person) will be held from 10 a.m. to 1 p.m. and from 3 to 6 p.m. in the combined Conference Rooms 1, 2 and 3. The meetings of the working groups will be held in an online format from 10 a.m. to 12 p.m. and from 3 to 5 p.m., in accordance with the proposed programme of work, unless otherwise specified in advance. The General Assembly has stressed that a punctual start to the meetings is critical to the efficient utilization of services allocated to the intergovernmental bodies of the United Nations. In accordance with past practice, rule 108 of the rules of procedure of the Assembly could be waived with respect to the quorum needed to declare a meeting open.

22. More detailed guidance and information on the special arrangements that have been put in place to ensure the safe conduct of in-person meetings will be communicated separately to all delegations in advance of the session.
