Programme of work**4. Rule 99 (b) of the rules of procedure of the General Assembly provides that:**

Each Main Committee, taking into account the closing date for the session fixed by the General Assembly on the recommendation of the General Committee, shall adopt its own priorities and meet as may be necessary to complete the consideration of the items referred to it. Establishment of working groups and holding of consultations

8. Concerning agenda item 74, entitled “Criminal accountability of United Nations officials and experts on mission”, the General Assembly, by its resolution [76/106](#), reiterated its decision that the consideration of the report of the Group of Legal Experts, in particular its legal aspects, taking into account the views of Member States and also noting the inputs by the Secretariat, shall be continued during its seventy-seventh session in the framework of a working group of the Sixth Committee, and, for that purpose, invited further comments from Member States on that report, including on the question of future action. In that light, two meetings, to be held on 11 and 20 October, have been suggested for that purpose.

9. Concerning agenda item 112, entitled “Measures to eliminate international terrorism”, the General Assembly, by its resolution [76/121](#), decided to recommend that the Sixth Committee, at the seventy-seventh session of the Assembly, establish a working group with a view to finalizing the process on the draft comprehensive convention on international terrorism as well as discussions on the item included in its agenda by Assembly resolution [54/110](#) concerning the question of convening a high-level conference under the auspices of the United Nations. In that light, two meetings, to be held on 14 and 21 October, have been suggested for that purpose.

10. Concerning agenda item 85, entitled “The scope and application of the principle of universal jurisdiction”, the General Assembly, by its resolution [76/118](#), reiterated its decision to establish, at its seventy-seventh session, a working group of the Sixth Committee to continue to undertake a thorough discussion of the scope and application of universal jurisdiction, with a view to considering and commenting on the question “what should be the role and purpose of universal jurisdiction”. In that light, two meetings, to be held on 14 and 21 October, have been suggested for that purpose.

11. Regarding agenda item 73, entitled “Responsibility of States for internationally wrongful acts”, the General Assembly, by its resolution [74/180](#), decided to include in the provisional agenda of its seventy-seventh session the item entitled “Responsibility of States for internationally wrongful acts” and to further examine, within the framework of a working group of the Sixth Committee and with a view to taking a decision, the question of a convention on responsibility of States for internationally wrongful acts or other appropriate action on the basis of the articles. In that light, three meetings, to be held on 18 and 31 October and 7 November, have been suggested for that purpose.

12. The consideration of the reports of the working groups in plenary is scheduled for 10 November. It has also been suggested to hold informal consultations on agenda item 149, entitled “Administration of justice at the United Nations”, on 12 October.

13. In view of the limited conference services available to the Sixth Committee (see para. 23), any meetings for the working groups or for informal consultations are accommodated within the overall meetings allocated to the Committee.

Statements by delegations

14. The list of speakers for the debate on all agenda items opened on Friday, 16 September 2022. Delegations are invited to inscribe their names on the list of speakers through the eSpeakers module for the Sixth Committee in the e-deleGATE portal.

15. Pursuant to General Assembly resolution [72/313](#), delegations are encouraged to adhere to the “all protocol observed” principle and to refrain from listing standard protocol expressions during their statements. In the same resolution, the Assembly recommended that speakers should be mindful of the speed of statement delivery, bearing in mind the need for accuracy of interpretation. The delivery of national statements will be limited to 7 minutes, and group statements to 12 minutes, for all agenda items except those dealing with the annual report of the International Law Commission, which should be limited to main positions and views (with further information or clarifications provided in written submissions to the Commission).

16. In accordance with General Assembly decision 34/401, delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for the consideration of the relevant agenda item on that day, or at the conclusion of the consideration of the item, if that is sooner. The first statement should be limited to five minutes and the second, if any, to three minutes.

Draft resolutions

17. The initiation and sponsorship of draft resolutions, where applicable, will be undertaken electronically through the eSponsorship module for the Sixth Committee in the e-deleGATE portal.

18. Unless otherwise agreed, coordinators or main sponsors, as applicable, of proposals for draft resolutions are encouraged to hold at least one informal consultation per proposal. The Secretariat will provide assistance where necessary. Informal consultations should be announced sufficiently in advance, including in the *Journal of the United Nations*, so as to allow participation by representatives of all Member States. Once consultations have concluded, it is the practice of the Sixth Committee to place proposals for draft resolutions under a silence procedure, prior to their submission for processing and issuance in all official languages as limited (“L”) documents.

19. All delegations wishing to sponsor a proposal for a draft resolution, where applicable, are encouraged to do so electronically through the eSponsorship module,

rather than during the formal proceedings of the Committee. This is without prejudice to the possibility of delegations sponsoring a proposal for a draft resolution at the time of the Committee's action on the latter during a plenary meeting. Sponsorship should take place in the Sixth Committee, given that, once the Committee has adopted a proposal for a draft resolution and recommended its adoption by the General Assembly, its sponsorship can no longer be altered by Member States. Proposals for draft resolutions submitted on behalf of the Bureau are not subject to sponsorship.

20. Pursuant to rule 153 of the rules of procedure of the General Assembly, "no resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General". It is therefore imperative that the Sixth Committee allow sufficient time for the preparation of estimates of expenditure by the Secretariat and for their consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee. Bearing in mind that 18 November has been fixed as the concluding date for the work of the Sixth Committee (see para. 6), 4 November would have to be considered the mandatory deadline for submission to the Fifth Committee of draft resolutions with financial implications, except for draft resolutions concerning items to be considered after that date. When submitting such proposals, delegations may also wish to bear in mind that, in most cases, a period of more than 48 hours, up to four days, is required for the Secretary-General to review the programme budget implications of proposals. Accordingly, the deadline for finalization and submission of all draft resolutions for budget review and processing is 11 November 2022.

21. Each coordinator or main sponsor, as applicable, of proposals for draft resolutions will be invited to introduce their respective draft resolutions as issued in limited distribution ("L") documents. Such introductions take place at plenary meetings, and will be announced in advance, including in the *Journal*.

22. Except for draft resolutions introduced at the final meeting of the substantive part of the session on 18 November 2022, it is the practice of the Committee to take action on each draft resolution at the plenary meeting following that at which the draft resolution was introduced, or at a later date. Any anticipated action on draft resolutions or decisions will be announced in advance, including in the *Journal* and on the website of the Committee. It is the practice of the Sixth Committee to strive for the adoption of draft resolutions without taking a vote.

Conference resources available

23. The available conference facilities will, in principle, enable the Committee to hold between three and six plenary meetings per week. Morning meetings will be held from 10 a.m. to 1 p.m. and afternoon meetings from 3 to 6 p.m.

24. Unless otherwise specified, formal meetings of the Committee (in person) will be held from 10 a.m. to 1 p.m. and from 3 to 6 p.m. in the Trusteeship Council Chamber. The General Assembly has stressed that a punctual start to the meetings is critical to the efficient utilization of services allocated to the intergovernmental bodies of the United Nations. In accordance with past practice, rule 108 of the rules of procedure of the Assembly could be waived with respect to the quorum needed to declare a meeting open.

25. More detailed guidance and information on the special arrangements that have been put in place to ensure the safe conduct of in-person meetings will be communicated separately to all delegations in advance of the session.
