CASE LAW ON UNCITRAL TEXTS (CLOUT)

UNCITRAL index of the UNCITRAL Model Law on International Commercial Arbitration Addendum: Indexed by jurisdiction and date

1. This document, which is part of a series of research aids to the application and interpretation of the UNCITRAL Model Law on International Commercial Arbitration (1985), covers all Model Arbitration Law cases having appeared in CLOUT documents A/CN.9/SER.C/ABSTRACTS/1-38. The index is based on the classification and keyword system introduced in the UNCITRAL Thesaurus of the Model Law on International Commercial Arbitration (document A/CN.9/SER.C/INDEX/4).
2. Court and arbitral decisions are indexed by CLOUT case number; MAL article number; keyword; jurisdiction; and date. The keywords include synonymous terms for broad concepts, so that the same issue within a decision may be located with either keyword.
3. For technical reasons, this index has been issued under a single document number with addenda. Updated indices will be published periodically as subsequent revisions of this document.
4. It should be noted that all CLOUT documents are available on the UNCITRAL web site <http://www.uncitral.org>
