### **III. Annotations to agenda items**

#### **Item 1. Opening of the session**

3. The seventy-fourth session of the Working Group is scheduled to be held at the Vienna International Centre from 27 September to 1 October 2021 with arrangements in place to allow for in-person and online participation. Meeting hours and other arrangements for the session will be announced on the web page of Working Group II in due course.

#### **Item 3. Consideration of the draft explanatory note to the Expedited Arbitration Rules**

##### **(a) Previous deliberations**

4. The Commission, at its fifty-first session in 2018, agreed that Working Group II should be mandated to take up issues relating to expedited arbitration.<sup>1</sup> Accordingly, the Working Group commenced its consideration of issues relating to expedited arbitration at its sixty-ninth session (New York, 4–8 February 2019), which continued until the seventy-third session (New York, 22–26 March 2021).

5. The Commission, at the fifty-fourth session in 2021, adopted the UNCITRAL Expedited Arbitration Rules (the “Expedited Rules”) and the new article 1, paragraph 5 of the UNCITRAL Arbitration Rules, both of which shall come into effect on 19 September 2021.<sup>2</sup> The Commission also approved the Explanatory Note to the UNCITRAL Expedited Arbitration Rules (the “Explanatory Note”) in principle and tasked Working Group II to finalize the Explanatory Note at its seventy-fourth session based on its decisions and deliberations.<sup>3</sup>

#### **Item 4. Consideration of the topic of early dismissal**

6. During its deliberations on the Expedited Rules, the Working Group decided to not include a provision with regard to pleas as to the merits and preliminary rulings in the Expedited Rules ([A/CN.9/1049](#), para. 59). However, considering the support that had been expressed for providing arbitral tribunals with tools to dismiss non-meritorious claims and defences as well as to make preliminary determinations, the Working Group decided to suggest to the Commission that it be mandated to consider and develop a draft provision further for possible inclusion in the UARs at its next session ([A/CN.9/1049](#), para. 60).

7. The Commission, at the fifty-fourth session in 2021, considered the suggestion by the Working Group. While some concerns were expressed (including the divergence in approaches in different jurisdictions and also in the context of investment arbitration), the Commission requested the Working Group to discuss the topic of early dismissal at its seventy-fourth session upon finalizing the Explanatory Note and present the results of its discussions to the fifty-fifth session of the Commission.<sup>4</sup>

##### **(b) Documentation**

8. At its seventy-fourth session, the Working Group is expected to finalize the Explanatory Note on the basis of a note by the Secretariat ([A/CN.9/WG.II/WP.219](#)), which provides a revised version taking into account the deliberations and decisions
