Recalling also the relevant rules and principles of international law, including international humanitarian law, in particular the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949 (Fourth Geneva Convention), which is applicable to the Occupied Palestinian Territory, including East Jerusalem,

Recalling further the statement of 15 July 1999 and the declarations adopted on 5 December 2001 and 17 December 2014 at the Conference of High Contracting Parties to the Fourth Geneva Convention on measures to enforce the Convention in the Occupied Palestinian Territory, including East Jerusalem,

Recalling relevant resolutions of the Human Rights Council, the General Assembly and the Security Council,

Recalling also relevant United Nations reports, including the outcome reports of fact-finding missions and commissions of inquiry, and the important recommendations made therein, and calling upon all duty bearers and United Nations bodies to pursue the implementation of those recommendations,

Stressing the urgency of achieving without delay an end to the Israeli occupation that began in 1967,

* On behalf of the States Members of the United Nations that are members of the Organization of Islamic Cooperation, except Albania and Cameroon.

** State not a member of the Human Rights Council.

Affirming the obligation of all parties to respect international humanitarian law and international human rights law,

Emphasizing the obligation of States to investigate and prosecute grave breaches of the Geneva Conventions of 1949 and other serious violations of international humanitarian law, to end impunity, to uphold their obligations to ensure respect and to promote international accountability,

Regretting the lack of progress made in the conduct of domestic investigations in accordance with international law standards, and aware of the existence of numerous legal, procedural and practical obstacles in the Israeli and Palestinian civil and criminal legal systems contributing to the denial of access to justice for Palestinian victims and of their right to an effective judicial remedy,

Noting the accession by the State of Palestine to several human rights treaties and the core humanitarian law conventions, and its accession on 2 January 2015 to the Rome Statute of the International Criminal Court,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory,

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force and the prohibition on discrimination, and deeply concerned at the fragmentation of the Occupied Palestinian Territory, including East Jerusalem, through settlement activities and other measures that are tantamount to de facto annexation of Palestinian land,

Gravely concerned that long-standing impunity for international law violations has allowed for the recurrence of grave breaches and serious violations without consequence, and stressing the need to ensure accountability for all violations of international humanitarian law and international human rights law in order to end impunity, ensure the access of victims to justice and effective remedies, deter further violations, protect civilians and promote peace,

Expressing grave concern at reports of serious human rights violations and grave breaches of international humanitarian law, including of possible war crimes and crimes against humanity, in the Occupied Palestinian Territory, including East Jerusalem, and all other actions designed to change the legal status, geographical character and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Deploring the continuing and negative consequences of the conflicts in and around the Gaza Strip, including all casualties, particularly among Palestinian civilians, including children, and ongoing violations of international law, and calling for full respect for international humanitarian and human rights law and for the principles of legality, distinction, precaution and proportionality,

Gravely concerned about the dire humanitarian, socioeconomic and security situation in the Gaza Strip, including that resulting from the prolonged closures and severe economic impediments and movement restrictions that in effect amount to a blockade, and about the short- and long-term detrimental impact of this situation, and the widespread destruction and continued impediments to the construction and reconstruction process imposed by Israel, the occupying Power, on the human rights situation,

Expressing grave concern at the firing of rockets into Israel,

Stressing the need to end immediately the closure of the Gaza Strip and for the full implementation of the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, both of 15 November 2005, to allow for the freedom of movement of the Palestinian civilian population within and into and out of the Gaza Strip, while taking into account Israeli security concerns,

Stressing also the need to end the Israeli policy of closures and the imposition of severe restrictions and checkpoints, several of which have been transformed into structures

akin to permanent border crossings, other physical obstacles and a permit regime, which are applied in a discriminatory manner affecting the Palestinian population only and all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and impair the Territory's contiguity, violating the human rights of the Palestinian people,

Stressing further the need for all parties, in conformity with relevant provisions of international humanitarian law, to cooperate fully with the United Nations and other humanitarian agencies and organizations and to ensure the rapid and unhindered access of humanitarian personnel, and the delivery of supplies and equipment, in order to allow such personnel to perform efficiently their task of assisting affected civilian populations, including refugees and internally displaced persons,

Deploring all policies and practices whereby Israeli settlers who reside illegally in the Occupied Palestinian Territory, including East Jerusalem, are accorded preferential treatment over the Palestinian population, and deploring also the widespread violations of the human rights of Palestinian civilians, including as a result of recurrent and escalating settler attacks,

Expressing deep concern that thousands of Palestinians, including many children, women, elected members of the Palestinian Legislative Council and human rights defenders, continue to be detained, including under terms of administrative detention with limited or no judicial recourse, and held in Israeli prisons or detention centres under harsh conditions, including unhygienic conditions, solitary confinement, restricted access to proper medical care, including in a time of pandemic, denial of family visits and denial of due process, that impair their well-being, and expressing deep concern also at the ill-treatment and harassment of Palestinian prisoners and all reports of inhumane treatment and torture,

Recalling the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules) and the United Nations Rules for the Treatment of Women Prisoners and Non-custodial Measures for Women Offenders (the Bangkok Rules), and calling for respect for those rules,

Recalling also the prohibition under international humanitarian law of individual and mass forcible transfers, and of the deportation of protected persons, from occupied territory, and the prohibition of deportation or transfer by the occupying Power of parts of its own civilian population into the territory it occupies,

Deploring the practice of withholding the bodies of those killed, and calling for the release of the bodies that have not yet been returned to their relatives, in accordance with international humanitarian law and international human rights law,

Recognizing the work of Palestinian, Israeli and international civil society actors, humanitarian agencies and human rights defenders in documenting and countering violations of international law and providing relief to affected persons in the Occupied Palestinian Territory, including East Jerusalem,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties to implement the agreements reached, and stressing the importance of non-governmental organizations, which have been instrumental to human rights monitoring, protection and relief efforts undertaken by the international community, and expressing concern about the decision taken by Israel to proscribe certain Palestinian non-governmental organizations,

1. *Demands* that Israel, the occupying Power, end its occupation of the Palestinian territory occupied since 1967, including East Jerusalem, and stresses that all efforts to end the Israeli-Palestinian conflict should be grounded in respect for international humanitarian law and international human rights law and relevant United Nations resolutions;
