**2190 (XXI). Administrative and budgetary co-ordination of the United Nations with the specialized agencies and the International Atomic Energy Agency**

**A**

*The General Assembly,*

*Having in mind* that in its resolution 311 B (IV) of 24 November 1949 it expressed the belief that there is room for a closer relationship between the assessments of Member States in the contributions both of the United Nations and of the specialized agencies,

*Noting with appreciation* that since the adoption of resolution 311 B (IV) several specialized agencies have brought the assessments of their member States into a substantial degree of harmony with the United Nations scale of contributions,

*Noting also* that, even allowing for differences in membership, there still remain variations and fluctuations in the scales of contributions of some of those agencies which apply methods of assessment similar to those of the United Nations,

*Taking note* of the comments and observations of the Advisory Committee on Administrative and Budgetary Questions, contained in its fourteenth report to the General Assembly at its twenty-first session,<sup>18</sup> with regard to the desirability of reducing the aforementioned variations to a minimum,

1. *Recommends* that, in the spirit of General Assembly resolution 311 B (IV) and in the interest of co-ordination and uniformity, the specialized agencies should keep this matter under review;

2. *Recommends further* that the specialized agencies which apply methods of assessment similar to those of the United Nations and whose scales of contributions still differ appreciably from the United Nations scale take steps to bring their scales into harmony with the United Nations scale as soon as possible, taking into account differences in membership and other pertinent factors;

3. *Requests* the Secretary-General to transmit to the specialized agencies concerned the present resolution, together with the relevant comments and observations of the Advisory Committee on Administrative and Budgetary Questions set forth in its fourteenth report to the General Assembly at its twenty-first session.

3. *Further requests* the Secretary-General to refer to the executive heads of the specialized agencies and the International Atomic Energy Agency the observations of the Advisory Committee, contained in chapters III and IV of its report, on their administrative budgets for 1967.

### B

*The General Assembly,*

*Having considered* the report of the Secretary-General on the cost estimates of the United Nations Emergency Force for the period from 1 January to 31 December 1967<sup>19</sup> and the report of the Advisory Committee on Administrative and Budgetary Questions thereon,<sup>20</sup>

*Expressing the hope* that the *ad hoc* arrangements provided in the present resolution will not need to be repeated in future years and that the General Assembly will be able to reach agreement on an acceptable method for the equitable sharing of the cost of peace-keeping operations involving heavy expenditure, taking into account the principles affirmed as guidelines by the Assembly in its resolution 1874 (S-IV) of 27 June 1963,

*Taking into account* the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards peace-keeping operations involving heavy expenditures,

1. *Decides* to appropriate an amount of \$14 million for the operation of the United Nations Emergency Force for 1967;

2. *Decides*, as an *ad hoc* arrangement, without prejudice to the positions of principle which may be taken by Member States in any consideration by the General Assembly of arrangements for the financing of peace-keeping operations:

<sup>19</sup> *Ibid.*, Twenty-first Session, Annexes, agenda item 21, document A/6498.

<sup>20</sup> *Ibid.*, document A/6542.

(a) To apportion an amount of \$740,000 for 1967 among the economically less developed Member States in the proportions determined by the scale of assessments for 1967;

(b) To apportion an amount of \$13,260,000 for 1967 among the economically developed Member States in the proportions determined by the scale of assessments for 1967, plus—in order to meet reserve requirements—an additional amount from each contributor in this group equal to 25 per cent of its apportionment, such additional contributions to be reimbursable on a *pro rata* basis when the General Assembly shall determine that all or part of these additional contributions are no longer needed;

3. *Calls upon* States members of the specialized agencies and of the International Atomic Energy Agency which are not Members of the United Nations to make contributions appropriate to their circumstances;

4. *Decides* that the contributions called for in paragraph 2 above may be made by a Member State, at its option, in the form of services and supplies acceptable to the Secretary-General, furnished for use in connexion with the United Nations Emergency Force during the period from 1 January to 31 December 1967, for which the Member State does not require reimbursement, the Member State to be credited with the fair value thereof as agreed upon by the Member State and by the Secretary-General;

5. *Decides* that, for the purpose of the present resolution, the term "economically less developed Member States" shall mean all Member States except Australia, Austria, Belgium, the Byelorussian Soviet Socialist Republic, Canada, Czechoslovakia, Denmark, Finland, France, Hungary, Iceland, Ireland, Italy, Japan, Luxembourg, the Netherlands, New Zealand, Norway, Poland, Romania, South Africa, Sweden, the Ukrainian Soviet Socialist Republic, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland and the United States of America.
