

rivalry, prepared by the Secretary-General with the assistance of qualified experts²⁸ pursuant to General Assembly resolution 3080 (XXVIII),

Deeply concerned that the competitive expansion of the military presence of the great Powers in the Indian Ocean would constitute a serious intensification of the arms race, leading to an increase of tension in the area,

Considering that the creation of a zone of peace in the Indian Ocean requires:

(a) The elimination of all manifestations of great Power military presence in the region, conceived in the context of great Power rivalry,

(b) Co-operation among the regional States to ensure conditions of security within the region as envisaged in the Declaration,

Further believing that for the realization of the objective of the Declaration it is necessary that the great Powers enter into immediate consultations with the States concerned with a view to adopting positive measures for the elimination of all foreign bases and of all manifestations of great Power military presence in the region, conceived in the context of great Power rivalry,

1. *Urges* the littoral and hinterland States of the Indian Ocean, the permanent members of the Security Council and other major maritime users of the Indian Ocean to give tangible support to the establishment and preservation of the Indian Ocean as a zone of peace;

2. *Calls upon* the great Powers to refrain from increasing and strengthening their military presence in the region of the Indian Ocean as an essential first step towards the relaxation of tension and the promotion of peace and security in the area;

3. *Endorses* the recommendations concerning the future work of the *Ad Hoc* Committee on the Indian Ocean, as contained in paragraph 35 of the report of the Committee;

4. *Requests* the littoral and hinterland States of the Indian Ocean to enter, as soon as possible, into consultations with a view to convening a conference on the Indian Ocean;

5. *Invites* all States, especially the great Powers, to co-operate in a practical manner with the *Ad Hoc* Committee in the discharge of its functions;

6. *Expresses its thanks* to the Secretary-General for his efforts in the preparation of the factual statement of the great Powers' military presence in the Indian Ocean;

7. *Requests* the *Ad Hoc* Committee to continue its work and consultations in accordance with its mandate and to report to the General Assembly at its thirtieth session;

8. *Requests* the Secretary-General to continue to render all necessary assistance to the *Ad Hoc* Committee.

Reaffirming the responsibility of the United Nations under the Charter for the maintenance of international peace and for disarmament,

Reiterating its conviction that all peoples of the world have a vital interest in the success of disarmament negotiations and that all States should be in a position to contribute to the adoption of measures for the achievement of this goal,

Stressing anew its belief that a world disarmament conference, adequately prepared and convened at an appropriate time, could promote the realization of such aims and that the co-operation of all nuclear Powers would considerably facilitate their attainment,

Bearing in mind the report of the *Ad Hoc* Committee on the World Disarmament Conference²⁹ and the annex thereto containing a summary of views and suggestions expressed by Governments on the convening of a world disarmament conference and related problems, including conditions for the realization of such a conference,

5. *Decides* to include in the provisional agenda of its thirtieth session the item entitled "World Disarmament Conference".
