### IMPLEMENTATION OF THE DECLARATION

#### *The General Assembly,*

*Bearing in mind* the Declaration on the Denuclearization of Africa<sup>14</sup> adopted by the Assembly of Heads of State and Government of the Organization of African Unity at its first ordinary session, held at Cairo from 17 to 21 July 1964,

*Recalling* its resolutions 1652 (XVI) of 24 November 1961, 32/81 of 12 December 1977, 33/63 of 14 December 1978, 34/76 A of 11 December 1979 and 35/146 B of 12 December 1980, in which it called upon all States to consider and respect the continent of Africa, comprising the continental African States, Madagascar and other islands surrounding Africa, as a nuclear-weapon-free zone,

*Recalling also* that in its resolution 33/63 it vigorously condemned any attempt by South Africa to introduce in any way whatsoever nuclear weapons into the continent and demanded that South Africa refrain forthwith from conducting any nuclear explosion in the continent of Africa or elsewhere,

*Reaffirming* that the nuclear programme of the racist régime of South Africa constitutes a very grave danger to international peace and security and, in particular, jeopardizes the security of African States,

*Noting with concern* that South Africa has persistently refused to conclude adequate and comprehensive safeguards agreements with the International Atomic Energy Agency with a view to preventing the diversion of nuclear materials from peaceful uses to the manufacture of nuclear weapons and other nuclear explosive devices,

*Taking note* of the report of the Security Council Committee established by resolution 421 (1977) concerning the question of South Africa on ways and means of making the mandatory arms embargo against South Africa more effective,<sup>16</sup> in particular its recommendation that all forms of nuclear collaboration with South Africa should cease, and the report of the International Conference on Sanctions against South Africa, held at Paris from 20 to 27 May 1981,<sup>20</sup>

*Gravely concerned* over the possibility that South Africa has acquired nuclear weapons,

*Convinced* that the acquisition of such weapons by South Africa would endanger the implementation of the Declaration on the Denuclearization of Africa as well as the maintenance of international peace and security,

*Expressing its indignation* that certain Western countries and Israel have continued to collaborate with South Africa in the nuclear field despite the risk of proliferation of nuclear weapons which the South African nuclear programme represents,

*Recalling* its decision taken at the tenth special session, devoted to disarmament, that the Security Council should take appropriate effective steps to prevent the frustration of the decision of the Organization of African Unity for the denuclearization of Africa,<sup>19</sup>

1. *Once again reiterates* its call upon all States to consider and respect the continent of Africa, comprising the continental African States, Madagascar and other islands surrounding Africa, as a nuclear-weapon-free zone;

2. *Reaffirms* that the nuclear programme of the racist régime of South Africa constitutes a very grave danger to international peace and security and, in particular, jeopardizes the security of African States and increases the danger of the proliferation of nuclear weapons;

3. *Condemns* any form of nuclear collaboration by any State, corporation, institution or individual with the racist régime of South Africa since such collaboration frustrates, *inter alia*, the objective of the Declaration on the Denuclearization of Africa adopted by the Organization of African Unity to keep Africa a nuclear-weapon-free zone;

4. *Calls upon* such States, corporations, institutions and individuals, therefore, to terminate forthwith such military and nuclear collaboration with the racist régime of South Africa, including the provision to it of such related materials as computers, electronic equipment and corresponding technology;

5. *Requests* the Security Council, in keeping with the recommendation of its Committee established by resolution 421 (1977) concerning the question of South Africa, to prohibit all forms of co-operation and collaboration with the racist régime of South Africa in the nuclear field;

6. *Demands* that South Africa submit all its nuclear installations to inspection by the International Atomic Energy Agency;

7. *Requests* the Secretary-General to render all necessary assistance to the Organization of African Unity towards the realization of its solemn Declaration on the Denuclearization of Africa;

8. *Decides* to include in the provisional agenda of its thirty-seventh session the item entitled "Implementation of the Declaration on the Denuclearization of Africa".

*Recalling further* the report of the Secretary-General concerning Israeli nuclear armament,<sup>23</sup>

*Realizing* that adherence to the Treaty on the Non-Proliferation of Nuclear Weapons<sup>24</sup> by all parties of the region will be conducive to a speedy establishment of a nuclear-weapon-free zone,

*Deeply concerned* that the future of the Treaty on the Non-Proliferation of Nuclear Weapons in the region has been gravely endangered by the attack carried out by Israel, which is not a party to the Treaty, on the nuclear installations of Iraq, which is a party to that Treaty,

1. *Considers* that the Israeli military attack on the Iraqi nuclear installations adversely affects the prospects of the establishment of a nuclear-weapon-free zone in the region of the Middle East;

2. *Declares* that it is imperative, in this respect, that Israel place forthwith all its nuclear facilities under International Atomic Energy Agency safeguards;

3. *Requests* the Secretary-General to transmit the present resolution to the General Assembly at its second special session devoted to disarmament.

one of the measures which can contribute most effectively to the objectives of non-proliferation of nuclear weapons and general and complete disarmament,

*Believing* that the establishment of a nuclear-weapon-free zone in South Asia, as in other regions, will strengthen the security of the States of the region against the use or threat of use of nuclear weapons,

*Recalling* that in the above-mentioned resolutions it called upon the States of the South Asian region and such other neighbouring non-nuclear-weapon States as might be interested to make all possible efforts to establish a nuclear-weapon-free zone in South Asia and to refrain, in the mean time, from any action contrary to this objective,

*Further recalling* that, in its resolutions 3265 B (XXIX), 31/73 and 32/83, it requested the Secretary-General to convene a meeting for the purpose of the consultations mentioned therein and to render such assistance as might be required to promote the efforts for the establishment of a nuclear-weapon-free zone in South Asia
