Forty-sixth session
Agenda item 59

RESOLUTIONS ADOPTED BY THE GENERAL ASSEMBLY

[on the report of the First Committee (A/46/672)]

46/35. Chemical and bacteriological (biological) weapons

A

Third Review Conference of the Parties to the Convention
on the Prohibition of the Development, Production and
Stockpiling of Bacteriological (Biological) and Toxin
Weapons and on Their Destruction

The General Assembly,

Recalling its previous resolutions relating to the complete and effective prohibition of bacteriological (biological) and toxin weapons and to their destruction,

Recalling also its resolution 45/57 B, adopted without a vote on 4 December 1990, in which it noted, inter alia, that, at the request of the States parties, a Third Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction would be held at Geneva in 1991 to review the operation of the Convention, with a view to assuring that the purposes of the preamble and the provisions of the Convention, including those related to the negotiations on chemical weapons, were being realized,

Noting with satisfaction that, at the time of the Third Review Conference, there were more than a hundred and fifteen States parties to the Convention, including all the permanent members of the Security Council,

1. Notes with satisfaction that, on 27 September 1991, the Third Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction adopted by consensus a Final Declaration;

2. Stresses the importance, inter alia, of the solemn political declaration of the Final Declaration of the Third Review Conference, and welcomes with satisfaction the results of the Third Review Conference, including in particular the expanded confidence-building measures related to activities relevant to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, 1/ and the establishment of an ad hoc group of governmental experts open to all States parties to identify and examine potential verification measures from a scientific and technical standpoint;

3. Calls upon all States parties to the Convention to participate in the implementation of the recommendations of the Third Review Conference, including in the exchange of information and data agreed to in the Final Declaration of the Third Review Conference, and to provide such information and data in conformity with the standardized procedure to the Secretary-General on an annual basis and not later than 15 April;

4. Requests the Secretary-General to render the necessary assistance and to provide such services as may be required for the implementation of the decisions and recommendations of the Third Review Conference;

5. Calls upon all signatory States that have not ratified or acceded to the Convention to do so without delay, and also calls upon those States that have not yet signed the Convention to join the States parties thereto at an early date, thus contributing to the achievement of universal adherence to the Convention.

Chemical and bacteriological (biological) weapons: measures
to uphold the authority of the 1925 Geneva Protocol

The General Assembly.

Reaffirming the importance and the continuing validity of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, signed at Geneva on 17 June 1925, 2/

Recalling its previous resolutions, and those adopted by the Security Council, on the use of chemical weapons,

Reaffirming also, in particular, its resolution 45/57 C of 4 December 1990 on measures to uphold the authority of the 1925 Geneva Protocol and

1/ Resolution 2826 (XXVI), annex.

resolution 45/57 A of 4 December 1990 urging the early conclusion of a chemical weapons convention,

Deplores all threats, including especially those made most recently, of use of chemical weapons,

1. Condemns vigorously all actions that violate or threaten to violate the obligations assumed under the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, and other relevant provisions of international law;

2. Renews its call to all States to observe strictly the principles and objectives of the Geneva Protocol, and reaffirms the vital necessity of upholding its provisions;

3. Welcomes, in this context, recent decisions, declarations and initiatives of the United Nations and, in particular, the Security Council aimed at upholding the authority of the Geneva Protocol and removing the threat of chemical weapons use;

4. Supports as well other similar activities of regional and international disarmament conferences and parallel decisions by national Governments, also aimed at hastening the conclusion of the chemical weapons convention as a step towards the elimination of all weapons of mass destruction.

C

Chemical and bacteriological (biological) weapons

The General Assembly,

Recalling its previous resolutions relating to the complete and effective prohibition of the development, production, stockpiling and use of all chemical weapons and to their destruction,

Reaffirming the urgent necessity, particularly in the light of the past use of and recent threats to use chemical weapons, of strict observance by all States of the principles and objectives of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, signed at Geneva on 17 June 1925, 2/

Having considered the report of the Conference on Disarmament, 3/ which incorporates, inter alia, the report of its Ad Hoc Committee on Chemical Weapons, 4/ and taking note in particular of the decision by the

Conference to mandate further this Committee to intensify, as a priority task, the negotiations on a multilateral convention on the complete and effective prohibition of the development, production, stockpiling and use of chemical weapons and on their destruction with the view to striving to achieve a final agreement on the convention by 1992, 5/

Noting with satisfaction that the States participating in the Third Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, held at Geneva from 9 to 27 September 1991, inter alia, declared themselves in favour of the early conclusion of the negotiations on a convention banning chemical weapons,

Noting with appreciation the increasing number of States that have declared their intention to be among the original signatories to the convention, and in particular the statements made by the States participating in the Conference on Security and Cooperation in Europe on 21 November 1990 and the States signatories to the Mendoza Accord, 6/ on 5 September 1991, as well as the statement by States of South-East Asia and the East Pacific, assembled at Brisbane on 13 November 1990, inter alia, calling on all States to be original signatories to the convention,

1. Renews its call to all States to observe strictly the principles and objectives of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare;

2. Notes the progress made in the work of the Ad Hoc Committee on Chemical Weapons of the Conference on Disarmament during its 1991 session, and the results recorded in the Committee's report;

3. Commends the decision of the Conference on Disarmament to intensify further the negotiations on the complete and effective prohibition of the development, production, stockpiling and use of chemical weapons and on their destruction with the view to striving to achieve a final agreement on a convention by 1992;

4. Strongly urges the Conference on Disarmament, as a matter of the highest priority, to resolve in the forthcoming months outstanding issues so as to achieve a final agreement during its 1992 session;

5. Requests the Conference on Disarmament to report to the General Assembly at its forty-seventh session on the results of its negotiations;

6. Stresses the particular significance and importance of declarations made by States on whether or not they possess chemical weapons and of further international exchanges of data and other relevant information in connection with the negotiations on such a convention;

7. Welcomes those initiatives taken by States, and urges all States to take further initiatives, measures and steps on a national, bilateral,

regional or multilateral basis to achieve rapid agreement in the negotiations on, and universal adherence to, such a convention;

8. Calls upon all States to consider declaring their intention to become original States parties to the convention so as to ensure its early entry into force, its effective implementation and its universal character;

9. Decides to include in the provisional agenda of its forty-seventh session the item entitled "Chemical and bacteriological (biological) weapons".
