RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

[on the report of the Third Committee (A/47/710)]

- 47/100. Implementation of the United Nations System-Wide Action Plan on Drug Abuse Control and the Global Programme of Action against illicit production, supply, demand, trafficking and distribution of narcotic drugs and psychotropic substances: action by agencies of the United Nations system

The General Assembly,

Recalling its resolutions 44/16 of 1 November 1989, 44/141 of 15 December 1989, 45/148 of 18 December 1990, 45/179 of 21 December 1990 and 46/102 of 16 December 1991,

Fully aware that the international community is confronted with the dramatic problem of drug abuse and the illicit cultivation, production, demand, processing, distribution and trafficking of narcotic drugs and psychotropic substances and that States need to work at the international level as well as individually to deal with this scourge, which has a strong potential to undermine development, economic and political stability and democratic institutions,

Stressing the important role of the United Nations, its relevant bodies and the specialized agencies in supporting concerted action in the fight against drug abuse at the national, regional and international levels,

Recalling that in its resolution 44/141 it requested the Secretary-General, in his capacity as Chairman of the Administrative Committee on Coordination, to coordinate at the inter-agency level the development of a

Recalling that in its resolution 44/141 it also requested the Administrative Committee on Coordination to make the necessary adjustments to the System-Wide Action Plan annually and requested that the executive heads of United Nations bodies report annually on the progress made in implementing the Action Plan and that the Administrative Committee on Coordination include the information in its annual report, so as to enable the Committee for Programme and Coordination and the Economic and Social Council to consider it, within their respective mandates, and to make appropriate recommendations to the General Assembly,

Expressing concern that there has been limited progress by the agencies of the United Nations system in incorporating within their programmes and activities action aimed at dealing with drug-related problems in the manner envisioned in the System-Wide Action Plan,

Recalling and emphasizing the continuing importance of the Political Declaration and Global Programme of Action adopted at its seventeenth special session on 23 February 1990, 2/
