48/475 B of 5 April 1994 and its resolutions 48/256 of 26 May 1994 and 49/231 A of 23 December 1994 on the financing of the Observer Mission,

Reaffirming that the costs of the Observer Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the Observer Mission, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Observer Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. Takes note of the status of contributions to the United Nations Observer Mission in Georgia as at 12 June 1995, including the contributions outstanding in the amount of 4,015,801 United States dollars, and urges all Member States concerned to make every possible effort to ensure the payment of their outstanding assessed contributions;

2. Expresses concern about the financial situation with regard to peace-keeping activities, due to overdue payments by Member States of their assessments, particularly Member States in arrears;

3. Urges all Member States to make every possible effort to ensure payment of their assessed contributions to the Observer Mission promptly and in full;

4. Endorses the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions; 2/

5. Approves, on an exceptional basis, the special arrangements for the Observer Mission with regard to the application of article IV of the Financial Regulations of the United Nations, whereby appropriations required in respect of obligations owed to Governments providing contingents and/or logistic support to the Mission shall be retained beyond the period stipulated under financial regulations 4.3 and 4.4, as set out in the annex to the present resolution;

6. Requests the Secretary-General to take all necessary action to ensure that the Observer Mission is administered with a maximum of efficiency and economy;

7. Decides to appropriate to the Special Account for the United Nations Observer Mission in Georgia the amount of 6,880,136 dollars gross (6,468,136 dollars net) for the period from 14 January to 15 May 1995, authorized and apportioned under the terms of General Assembly resolution 49/231 A;

8. Decides also to appropriate to the Special Account a total amount of 11,948,718 dollars gross (11,220,568 dollars net), inclusive of the amount of 3,440,068 dollars gross (3,234,068 dollars net) authorized and apportioned under the terms of General Assembly resolution 49/231 A, for the maintenance of the Observer Mission for the period from 16 May 1995 to 12 January 1996;

9. Decides further, as an ad hoc arrangement, and taking into account the amount of 3,440,068 dollars gross (3,234,068 dollars net) already apportioned in accordance with General Assembly resolution 49/231 A, to apportion an additional amount of 8,508,650 dollars gross (7,986,500 dollars net) for the period from 16 May 1995 to 12 January 1996 among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992, and its decision 48/472 A of 23 December 1993, and taking into account the scale of assessments for the years 1995, 1996 and 1997 as set out in Assembly resolution 49/19 B of 23 December 1994;

10. Decides that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 9 above, their respective share in the Tax Equalization Fund of the estimated additional staff assessment income of 522,150 dollars approved for the Observer Mission for the period from 16 May 1995 to 12 January 1996;

11. Decides also that there shall be set off against the apportionment among Member States, as provided for in paragraph 9 above, their respective share in the unencumbered balance of 3,714,186 dollars gross (3,612,298 dollars net) in respect of the period from 7 August 1993 to 13 January 1995;

12. Decides further, with regard to the period beyond 12 January 1996, to authorize the Secretary-General to enter into commitments for a period of 5.7 months, at a monthly rate not to exceed 1,334,500 dollars gross (1,246,000 dollars net), in connection with the maintenance of the Observer Mission, to be apportioned in accordance with the scheme set out in the present resolution, subject to the decision of the Security Council to extend the mandate of the Observer Mission beyond 12 January 1996;

13. Invites voluntary contributions to the Observer Mission in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolutions 43/230 of 21 December 1988, 44/192 A of 21 December 1989 and 45/258 of 3 May 1991;

14. Decides to include in the provisional agenda of its fiftieth session the item entitled "Financing of the United Nations Observer Mission in Georgia".
