2. *Notes* that the Committee of Actuaries expressed the view that, based on the continuation of the surplus, a portion of the surplus disclosed in 2005 could be made available at the present time to improve benefits, but that prudence would dictate that most of the surplus should be retained;

3. *Recalls* that the Assembly had already approved in 2002, in principle, the change in the benefit provisions of the Regulations of the Fund that would eliminate the limitation on the right to restoration based on the length of prior service;

4. *Approves* the change in the benefit provisions of the Regulations of the Fund, as set out in annex XVII to the report of the Board, to eliminate the limitation on the right to restoration for existing and future participants based on the length of prior contributory service;

1. *Takes note* of the recommendation of the United Nations Joint Staff Pension Board that as from 1 April 2007, the current reduction in the first consumer price index adjustments due under the pension adjustment system of the United Nations Joint Staff Pension Fund to benefits in award should be lowered from 1.0 per cent to 0.5 per cent and that a 0.5 per cent increase should be applied on the occasion of the next adjustment to benefits being paid to existing retirees and beneficiaries who have already had the 1.0 per cent reduction applied to their benefits;

2. *Approves*, accordingly, with effect from 1 April 2007, the changes in the pension adjustment system, as set out in annex XVIII to the report of the Board;<sup>1</sup>
