Strategic heritage plan of the United Nations Office at Geneva

Recalling part XI of its resolution [64/243](#), section VII of its resolution [66/247](#) of 24 December 2011, section V of its resolution [68/247](#) A of 27 December 2013, sections III and VII of its resolution [69/262](#) of 29 December 2014, section X of its resolution [70/248](#) A, section XVIII of its resolution [71/272](#) A, section XVI of its resolution [72/262](#) A, section XIII of its resolution [73/279](#) A and section VII of its resolution [74/263](#),

Having considered the seventh annual progress report of the Secretary-General on the strategic heritage plan of the United Nations Office at Geneva,¹⁸ the note by the Secretary-General transmitting the report of the Board of Auditors on the strategic heritage plan of the United Nations Office at Geneva¹⁹ and the related report of the Advisory Committee,²⁰

1. *Takes note* of the report of the Secretary-General;
2. *Also takes note* of the findings of the report of the Board of Auditors, and endorses the recommendations contained therein;
3. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee;
4. *Welcomes* the continued support of the Government of Switzerland for the construction project in Geneva;
5. *Stresses* the importance of close coordination between the strategic heritage plan project team and the Secretariat in New York, in particular the Global Asset Management Policy Service, to ensure success in all aspects of the project;
6. *Also stresses* the importance of effective governance, oversight, transparency and accountability in the management of the project to ensure that the project objectives are achieved on time and within budget;
7. *Requests* the Secretary-General to ensure that the remaining recommendations of the Board of Auditors are implemented fully and expeditiously;
8. *Reiterates its request* to preserve the historical heritage of the Palais des Nations;
9. *Notes with concern* that it is very unlikely that the full baseline project scope will be achieved within the approved maximum overall cost, and in this regard requests the Secretary-General to make every effort to avoid budget increases through the application of sound project management practices and to ensure that the project is completed within the project scope and overall cost approved in its resolution [70/248](#) A;
10. *Also notes with concern* the increased risks to the project schedule and cost as well as the continuously decreasing level of confidence, currently at 2 per cent, and requests the Secretary-General to take all necessary mitigation measures in a timely manner, in order to alleviate potential risks of delays;

¹⁸ [A/75/355](#).

¹⁹ [A/75/135](#).

²⁰ [A/75/7/Add.12](#).

11. *Reaffirms* the proposed project scope, schedule and estimated cost of the strategic heritage plan in the maximum amount of 836,500,000 Swiss francs;
12. *Requests* the Secretary-General to ensure that any change that affects the scope of the strategic heritage plan project is presented for the consideration and decision of the General Assembly;
13. *Recalls* paragraph 9 of the report of the Advisory Committee, and regrets that the project started suffering delays and cost escalation before the onset of the coronavirus disease (COVID-19) pandemic;
14. *Commends* the United Nations Office at Geneva for ensuring the business continuity of conferences throughout the duration of the renovation works by completing a modular temporary conference facility;
15. *Requests* the Secretary-General to continue to ensure that the procurement of goods and services for the construction project is carried out in strict compliance with the existing regulations, rules and relevant provisions of General Assembly resolutions governing procurement in the United Nations;
16. *Recalls* paragraph 16 of its resolution [69/273](#) of 2 April 2015, reaffirms the importance of transparency in the procurement process, and requests the Secretary-General to ensure that the project team takes vendors from developing countries and countries with economies in transition fully into account when contracting and subcontracting and to report on the specific steps taken and progress achieved in the context of increasing procurement opportunities for vendors from developing countries and countries with economies in transition in the implementation of the strategic heritage plan;
17. *Recalls* the project's objective to lower energy consumption at the Palais des Nations by at least 25 per cent compared with the 2010 baseline;
18. *Stresses* the need to gather sound and reliable baseline data on energy consumption and energy costs that can be used to measure actual improvements achieved after completion of the renovation of the Palais des Nations, and requests the Secretary-General to provide comprehensive information on energy usage and consumption and costs of utilities as early as available;
19. *Decides* to continue to use the multi-year construction-in-progress account established within the regular budget for expenditures related to the strategic heritage plan in 2021;
20. *Also decides* to revert to the establishment of an assessment scheme and currency of appropriation and assessment for the strategic heritage plan at the main part of its seventy-sixth session, and requests the Secretary-General to provide updated detailed information on these issues;
21. *Further decides* to revert to the establishment of the multi-year special account for the strategic heritage plan at the main part of its seventy-sixth session;
22. *Decides* that the annual repayments of the loans to the host country will be funded under the regular budget until decided otherwise by the General Assembly;
23. *Appreciates* the existing voluntary contributions received from Member States to finance the strategic heritage plan, and requests the Secretary-General to remain proactive in seeking both voluntary and in-kind contributions from Member States, as well as donations by private entities, in full compliance with all relevant rules and regulations of the Organization and agreements related to donations for the strategic heritage plan, and to provide detailed information on this matter in the context of his next progress report;

24. *Encourages* the Secretary-General, in attracting voluntary and in-kind contributions from Member States, to give priority to those activities within the scope of the project;

25. *Appropriates* the amount of 53,121,200 dollars (equivalent to 47,596,600 Swiss francs) for 2021, under section 33, Construction, alteration, improvement and major maintenance, of the proposed programme budget for 2021;
