*President: Mr. Ismat KITTANI (Iraq)*

*Extension of the twelfth special session*

1. The PRESIDENT: The Chairman of the *Ad Hoc* Committee, Mr. Adeniji, has informed me that discussions are still under way in an effort to arrive at an agreed report from the *Ad Hoc* Committee to the Assembly. Since these discussions will apparently take some time and since we already have a large number of speakers for the plenary meeting, it seems clear to me that we shall not be able to conclude the session on 9 July as originally scheduled and decided by the General Assembly.

2. I therefore propose formally that the twelfth special session be extended and that the closing meeting

be held on Saturday at 3 p.m. If I hear no objection, it is so decided.

*It was so decided.*

3. The PRESIDENT: In view of the fact that members have had ample opportunity fully to convey their views on the substance of the items before us, in the *Ad Hoc* Committee and in various working groups, I should also like to propose that, under rule 35 of the Assembly's rules of procedure, during the discussion of the item tomorrow statements should be limited to 10 minutes for each speaker.

4. If I hear no objection to this proposal, tomorrow we shall conclude this session on that basis, that is, limiting statements to 10 minutes each.

*It was so decided.*

*The meeting rose at 4.10 p.m.*
