Cuba: amendments to draft resolution E/CN.4/1984/L.23

1. Insert the following as the last preambular paragraph of the draft resolution recommended to the Economic and Social Council for adoption:

"Recalling General Assembly resolution 32/130 of 16 December 1977, and in particular paragraphs 1 (c) and 1 (f) thereof,".

2. Add the following new operative paragraph between paragraphs 2 and 3:

"3. Considers that, if the post is established, the High Commissioner should take into account in his work, inter alia, that in approaching human rights questions within the United Nations system, the international community should accord, or continue to accord, priority to the search for solutions to the mass and flagrant violations of human rights of peoples and persons affected by situations such as those resulting from apartheid, from all forms of racial discrimination, from colonialism, from foreign domination and occupation, from aggression and threats against national sovereignty, national unity and territorial integrity, as well as from the refusal to recognize the fundamental right of peoples to self-determination and of every nation to the exercise of full sovereignty over its wealth and natural resources, and that the realization of the new international economic order is an essential element for the effective promotion of human rights and fundamental freedoms and should also be accorded priority;".

3. Renumber the following paragraphs accordingly.
