⁶ S/2003/529, annex.

Encouraging all States and international organizations to continue to actively pursue policies to ensure respect for their obligations under international law with regard to all illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, particularly Israeli settlements,

Taking note of the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,⁷

Expressing deep concern about the rising incidence of violence, harassment, provocation, vandalism and incitement in the Occupied Palestinian Territory, including East Jerusalem, in particular by illegal armed Israeli settlers against Palestinian civilians, including children, and their properties, including homes, historic and religious sites and agricultural lands, and calling for accountability for the illegal actions perpetrated in that regard,

Gravely concerned by the serious repercussions on the economic and social conditions of the Palestinian people caused by Israel's construction of the wall and its associated regime inside the Occupied Palestinian Territory, including in and around East Jerusalem, and the resulting violation of their economic and social rights, including the rights to work, to health, to education, to property, to an adequate standard of living and to freedom of access and movement,

Recalling, in that regard, the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory⁸ and General Assembly resolution ES-10/15, and stressing the need to comply with the obligations mentioned therein,

Expressing grave concern at the extensive destruction by Israel, the occupying Power, of properties, including the increased demolition of homes, economic institutions, historical landmarks, agricultural lands and orchards, in the Occupied Palestinian Territory, including East Jerusalem, in particular in connection with its construction of settlements and the wall and confiscation of land, contrary to international law, in the Occupied Palestinian Territory, including in and around East Jerusalem,

Expressing grave concern also over the continuing forced displacement and dispossession of Palestinian civilians, including the Bedouin community, due to the continuing and intensifying policy of home demolitions, evictions and revocation of residency rights in and around occupied East Jerusalem, as well as measures to further isolate the city from its natural Palestinian environs, which have seriously exacerbated the already critical socioeconomic situation being faced by the Palestinian population,

Expressing grave concern further about ongoing Israeli military operations and policies of closures and severe restrictions on the movement of persons and goods, the imposition of crossing closures, checkpoints and a permit regime throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socioeconomic situation of the Palestinian people, in particular the Palestinian refugee population, which remains that of a humanitarian crisis,

⁷ A/HRC/22/63.

⁸ See A/ES-10/273 and Corr.1.

Expressing grave concern, in particular, about the continuing crisis in the Gaza Strip as a result of the prolonged Israeli closures and severe economic and movement restrictions that in effect amount to a blockade, and calling in that regard for the full implementation of Security Council resolution 1860 (2009) of 8 January 2009 with a view to ensuring the full opening of the border crossings for the sustained and regular movement of persons and goods, including humanitarian aid, commercial flows and construction materials, and emphasizing the need for security for all civilian populations,

Recognizing the prolonged negative impact of the military operations between December 2008 and January 2009 and in November 2012 on the economic conditions, the provision of social services and the living conditions of the Palestinian civilian population in the Gaza Strip, including as a result of the heavy casualties among civilians, including hundreds of children and women, the internal displacement of thousands of civilians and the widespread damage to homes, vital civilian infrastructure, hospitals, schools, food supply installations, economic, industrial and agricultural properties and several United Nations facilities in the Gaza Strip,

Recalling, in that regard, the relevant United Nations reports, including those of the Economic and Social Council, the Economic and Social Commission for Western Asia and the Human Rights Council,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the hampering of the reconstruction process by Israel, the occupying Power, on the socioeconomic and humanitarian conditions of the Palestinian civilian population in the Gaza Strip, where the humanitarian crisis continues to deepen, and calling in that regard for the immediate acceleration of the reconstruction process in the Gaza Strip with the assistance of the donor countries, including the disbursement of funds pledged at the International Conference in Support of the Palestinian Economy for the Reconstruction of Gaza, held in Sharm el-Sheikh, Egypt, on 2 March 2009,

Gravely concerned about various reports of the United Nations and specialized agencies regarding the substantial aid dependency caused by prolonged border closures, inordinate rates of unemployment, widespread poverty and severe humanitarian hardships, including food insecurity and rising health-related problems, including high levels of malnutrition, among the Palestinian people, especially children, in the Occupied Palestinian Territory, including East Jerusalem,

Expressing grave concern at the deaths and injuries caused to civilians, including children, women and peaceful demonstrators, and emphasizing that the Palestinian civilian population must be protected in accordance with international humanitarian law,

Emphasizing the importance of the safety and well-being of all civilians, and calling for the cessation of all acts of violence, including all acts of terror, provocation, incitement and destruction, and all firing of rockets,

Expressing deep concern that thousands of Palestinians, including many children and women, continue to be held in Israeli prisons or detention centres under harsh conditions, including unhygienic conditions, solitary confinement, excessive use of administrative detention, lack of proper medical care and denial of family visits and of due process, that impair their well-being, and expressing deep concern also about any ill-treatment and harassment of Palestinian prisoners and all reports

of torture, while taking note of the agreement reached in May 2012 on conditions of detention in Israeli prisons and calling for its full and immediate implementation,

Conscious of the urgent need for the reconstruction and development of the economic and social infrastructure of the Occupied Palestinian Territory, including East Jerusalem, as well as the urgent need to address the humanitarian crisis facing the Palestinian people, including by ensuring the unimpeded provision of humanitarian assistance and the sustained and regular flow of persons and goods into and out of the Gaza Strip,

Recognizing the efforts by the Palestinian Government, with international support, to rebuild, reform and strengthen its damaged institutions and promote good governance, emphasizing the need to preserve the Palestinian national institutions and infrastructure, and commending in that regard the ongoing efforts to develop the institutions of an independent Palestinian State, including through the implementation of the Palestinian National Development Plan 2011–2013 on governance, economy, social development and infrastructure, and the significant achievements made, as confirmed by the positive assessments made by international institutions regarding readiness for statehood, including by the World Bank, the International Monetary Fund, the United Nations and the Ad Hoc Liaison Committee for the Coordination of the International Assistance to Palestinians, while also expressing concern about the negative impact of the current financial crisis being faced by the Palestinian Government,

Commending, in that regard, the important work being done by the United Nations, the specialized agencies and the donor community in support of the economic and social development of the Palestinian people in line with their national development and State-building plan, as well as the assistance being provided in the humanitarian field,

Welcoming the formation of the new Palestinian Government of national consensus under the authority of President Mahmoud Abbas, in line with the Quartet principles, and emphasizing the need for the respect and preservation of the territorial integrity and unity of the Occupied Palestinian Territory, including East Jerusalem,

Calling upon both parties to fulfil their obligations under the road map, in cooperation with the Quartet,

Aware that development and fostering healthy economic and social conditions are difficult under occupation and best promoted in circumstances of peace and stability,

1. *Calls for* the full opening of the border crossings of the Gaza Strip, in line with Security Council resolution 1860 (2009), to ensure humanitarian access as well as the sustained and regular flow of persons and goods and the lifting of all movement restrictions imposed on the Palestinian people, including those restrictions arising from ongoing Israeli military operations and the multilayered closures system, and for other urgent measures to be taken to alleviate the serious humanitarian situation in the Occupied Palestinian Territory, which is critical in the Gaza Strip, and calls for compliance by Israel, the occupying Power, with all of its legal obligations under international humanitarian law and United Nations resolutions in that regard;

7. *Calls upon* all parties to respect the rules of international humanitarian law and to refrain from violence against the civilian population, in accordance with the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949;²

12. *Calls for* accountability for the illegal actions perpetrated by Israeli settlers in the Occupied Palestinian Territory, including East Jerusalem, and recalls in that regard Security Council resolution [904 \(1994\)](#) of 18 March 1994, and stresses the need for its implementation;

13. *Reaffirms* that the ongoing construction by Israel of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, is contrary to international law and is isolating East Jerusalem, fragmenting the West Bank and seriously debilitating the economic and social development of the Palestinian people, and calls in that regard for full compliance with the legal obligations mentioned in the advisory opinion of the International Court of Justice rendered on 9 July 2004⁸ and in General Assembly resolution ES-10/15 and subsequent relevant resolutions;
