resolution [751 \(1992\)](#) concerning Somalia

Report of the Security Council Committee pursuant to resolutions [751 \(1992\)](#) and [1907 \(2009\)](#) concerning Somalia and Eritrea from 1 January to 14 November 2018 and of the Security Council Committee pursuant to resolution [751 \(1992\)](#) concerning Somalia from 14 November to 31 December 2018

I. Introduction

1. The present report covers the work of the Security Council Committee pursuant to resolutions [751 \(1992\)](#) and [1907 \(2009\)](#) concerning Somalia and Eritrea for the period from 1 January to 14 November 2018, when the Security Council adopted resolution [2444 \(2018\)](#). By paragraph 9 of that resolution, the Council decided that the Committee should be known as the Security Council Committee pursuant to resolution [751 \(1992\)](#) concerning Somalia. Consequently, the present report covers the work of the renamed Committee from 14 November to 31 December 2018.
2. The Bureau of both Committees consisted of Kairat Umarov (Kazakhstan) as Chair and the representatives of Equatorial Guinea and Kuwait as Vice-Chairs.

II. Background

3. By its resolution [733 \(1992\)](#), the Security Council imposed a general and complete arms embargo on Somalia, and by its resolution [751 \(1992\)](#), the Council established a committee to oversee the implementation of the embargo. Subsequently, in its resolutions [1356 \(2001\)](#), [1425 \(2002\)](#), [1744 \(2007\)](#), [1772 \(2007\)](#), [1846 \(2008\)](#), [1851 \(2008\)](#), [1916 \(2010\)](#), [2060 \(2012\)](#), [2093 \(2013\)](#), [2111 \(2013\)](#), [2142 \(2014\)](#), [2182 \(2014\)](#), [2244 \(2015\)](#), [2317 \(2016\)](#), [2385 \(2017\)](#) and [2444 \(2018\)](#), the Council introduced exemptions to and further defined the scope of the embargo.
4. By its resolution [1425 \(2002\)](#), the Security Council established the Panel of Experts on Somalia, which was succeeded by the Monitoring Group established by its resolution [1519 \(2003\)](#). By paragraphs 1, 2 and 7 of its resolution [1844 \(2008\)](#), the Council imposed targeted measures (a travel ban, an asset freeze and a targeted arms embargo) on individuals and entities designated by the Committee. In the same resolution, the Council also introduced certain exemptions to those measures. In its resolution [2036 \(2012\)](#), the Council imposed a ban on the direct or indirect import of charcoal from Somalia, whether or not the charcoal originated in Somalia. In its resolution [2093 \(2013\)](#), the Council partially lifted the arms embargo for the development of the security forces of the Federal Government of Somalia.
5. In its resolution [1907 \(2009\)](#), the Security Council imposed a two-way arms embargo on Eritrea, as well as targeted measures (a travel ban, an asset freeze and a targeted arms embargo) on individuals and entities designated by the Committee. The Council expanded the mandate of the Committee to enable it to oversee the implementation of those measures. The Monitoring Group, the name of which was changed to the Monitoring Group on Somalia and Eritrea, was mandated to monitor, investigate and report on the implementation of the measures imposed in resolution [1907 \(2009\)](#). In the same resolution, the Council also introduced certain exemptions to the targeted measures. On 5 December 2011, the Council adopted its resolution

2023 (2011), by which it expanded the restrictive measures concerning Eritrea in the areas of the “diaspora tax”, the Eritrean mining sector and financial services.

6. In 2014, the Security Council renewed the partial lifting of the arms embargo for the development of the security forces of the Federal Government of Somalia on two occasions: in resolution 2142 (2014), for a period of six months, and in resolution 2182 (2014), until 30 October 2015. In its resolution 2182 (2014), the Council authorized, for a period of 12 months, Member States acting nationally or through voluntary multinational naval partnerships, such as “combined maritime forces”, to interdict charcoal and arms being transported in violation of the sanctions measures in Somali territorial waters and on the high seas off the coast of Somalia, extending to and including the Arabian Sea and the Persian Gulf. The Council renewed the partial lifting of the arms embargo for the development of the security forces of the Federal Government of Somalia and the authorization for the maritime interdiction of arms and Somali charcoal in its resolutions 2244 (2015), 2317 (2016), 2385 (2017) and 2444 (2018), most recently until 15 November 2019.

7. In its resolution 2444 (2018), the Security Council terminated the sanctions regime on Eritrea established pursuant to its resolutions 1907 (2009), 2023 (2011), 2060 (2012) and 2111 (2013). In the same resolution, the Council modified the mandate of the Committee to oversee the measures relating to Somalia only and decided that the Committee should be known as the Security Council Committee pursuant to resolution 751 (1992) concerning Somalia. The Council also terminated the mandate of the Monitoring Group on Somalia and Eritrea with effect from 16 December 2018 and established, with immediate effect until 15 December 2019, the Panel of Experts on Somalia, consisting of six experts and based in Nairobi. The mandate of the Panel of Experts includes the tasks of the Monitoring Group as they relate to Somalia.

8. Further background information on the Somalia sanctions regime can be found in the previous annual reports of the Committee.
