### Letter dated 29 November 2019 from the Secretary-General addressed to the President of the Security Council

I have the honour to refer to the United Nations Organization Stabilization Mission in the Democratic Republic of the Congo (MONUSCO), established by Security Council resolution [1925 \(2010\)](#) and most recently extended by resolution [2463 \(2019\)](#) for a period of nine months.

I would like to inform you of my intention to appoint Lieutenant General Ricardo Augusto Ferreira Costa Neves (Brazil) as Force Commander of MONUSCO. He succeeds Lieutenant General Elias Rodrigues Martins Filho (Brazil), who completed his assignment on 31 October 2019. I would like to take this opportunity to express my gratitude to Lieutenant General Martins Filho for his dedication and effective leadership of the military component of MONUSCO.

I would be grateful if you could bring this matter to the attention of the members of the Security Council.

(Signed) António Guterres
