## Letter dated 16 December 2021 from the Chair of the Security Council Committee established pursuant to resolution 1718 (2006) addressed to the President of the Security Council

I have the honour to transmit herewith the report of the Security Council Committee established pursuant to resolution 1718 (2006), containing an account of the Committee's activities from 1 January to 31 December 2021. The report, which was approved by the Committee, is being submitted in accordance with the note by the President of the Security Council of 29 March 1995 (S/1995/234).

I should be grateful if the present letter and the report were brought to the attention of the members of the Security Council and issued as a document of the Council.

(Signed) Mona Juul  
Chair  
Security Council Committee established pursuant to  
resolution 1718 (2006)

# Report of the Security Council Committee established pursuant to resolution 1718 (2006)

[Original: English]

## I. Introduction

1. The present report of the Security Council Committee established pursuant to resolution 1718 (2006) covers the period from 1 January to 31 December 2021.
2. The Bureau of the Committee consisted of Mona Juul (Norway) as Chair and representatives of Estonia and Tunisia as Vice-Chairs.

## II. Background

3. The Committee is mandated to oversee the implementation, examine and take appropriate action regarding alleged sanctions violations and make recommendations to strengthen the effectiveness of the measures adopted by the Security Council in its resolutions 1718 (2006), 1874 (2009), 2087 (2013), 2094 (2013), 2270 (2016), 2321 (2016), 2356 (2017), 2371 (2017), 2375 (2017) and 2397 (2017). The measures include an arms embargo, an embargo relating to nuclear, ballistic missile and other weapons of mass destruction programmes, sectoral bans on coal, minerals and fuel, a ban on the export of luxury goods, a travel ban and/or asset freeze on designated individuals and entities, a ban on the provision of financial services, a ban on specialized teaching and training in disciplines that could contribute to prohibited activities and programmes, and cargo inspection and maritime procedures. The measures should not impede the activities of diplomatic or consular missions in the Democratic People's Republic of Korea pursuant to the Vienna Convention on Diplomatic Relations and the Vienna Convention on Consular Relations. The Committee is further mandated to examine and take appropriate action regarding requests for exemptions relating to the sanctions measures, taking into account that they are not intended, inter alia, to have adverse humanitarian consequences for the civilian population of the Democratic People's Republic of Korea. Similarly, the Committee is to determine additional items, materials, equipment, goods and technology to be specified for the purpose of paragraphs 8 (a) (i) and (ii) of resolution 1718 (2006).

4. A panel of experts, established pursuant to resolution 1874 (2009), acts under the direction of and assists the Committee in implementing its mandate to monitor, promote and facilitate the implementation of the measures imposed in the resolutions.

5. The membership of the Panel of Experts initially consisted of seven experts, but was increased to eight experts under resolution 2094 (2013). The mandate of the Panel was extended most recently by the Security Council in its resolution 2569 (2021).

6. Further background information on the Democratic People's Republic of Korea sanctions regime can be found in the previous annual reports of the Committee.

## III. Summary of the activities of the Committee

7. The Committee met three times in informal consultations, on 26 August, 16 September and 16 December, in addition to conducting its work through written procedures.

8. In the light of the challenges posed to the Committee's procedures by the coronavirus disease (COVID-19) pandemic, including the limitations on holding

in-person meetings, and in order to ensure the continuity of its work, the members of the Committee agreed, on an exceptional basis, to hold virtual meetings in the form of closed videoconferences, on 28 January, 24 February, 26 March, 14 April and 28 May.

9. The Committee convened a briefing for Member States through a closed videoconference on 20 April and an in-person briefing for Member States on 19 October.

10. During the closed videoconference held on 28 January, the Committee discussed its programme of work and reviewed the status of pending issues before the Committee.

11. During the closed videoconference held on 24 February, the Committee heard a presentation by the Panel of Experts on its final report (S/2021/211), submitted pursuant to paragraph 2 of resolution 2515 (2020), and held a general discussion on the report.

12. During the closed videoconference held on 26 March at the request of the United States of America, the Committee discussed the missile launches by the Democratic People's Republic of Korea on 25 March 2021.

13. During the closed videoconference held on 14 April, the Committee discussed the Panel's recommendations as contained in its final report (S/2021/211).

14. During the closed videoconference held on 28 May, the Committee heard a briefing by the Office for the Coordination of Humanitarian Affairs.

15. During the informal consultations held on 26 August, the Committee heard a presentation by the Panel of Experts on its midterm report (S/2021/777), submitted pursuant to paragraph 2 of resolution 2569 (2021), and held a general discussion on the report.

16. During the informal consultations held on 16 September, the Committee discussed the Panel's recommendations as contained in its midterm report (S/2021/777), and the leaking of the report.

17. During the informal consultations held on 16 December, the Committee heard a briefing by the Office for the Coordination of Humanitarian Affairs.

18. On 25 February, 27 May, 25 August and 29 November, the Chair gave a briefing to the Security Council during closed consultations on the activities of the Committee, pursuant to paragraph 12 (g) of resolution 1718 (2006).

19. To date, the Committee has received 115 reports from Member States on the implementation of resolution 2270 (2016), 107 reports on the implementation of resolution 2321 (2016), 90 reports on the implementation of resolution 2371 (2017) and 95 reports on the implementation of resolution 2375 (2017), as well as 81 reports on the implementation of resolution 2397 (2017) as a whole and 66 reports on the implementation of paragraph 8 of the same resolution.

20. The Committee continued to assist Member States and international organizations in implementing their obligations under the relevant Security Council resolutions. In a closed videoconference on 20 April and an in-person meeting on 19 October, the Committee held briefings for Member States on the implementation of sanctions measures and Member States' obligations under the relevant resolutions.

21. The Committee also continued to receive updates on the efforts of the Secretariat to revive the banking channel for humanitarian activities in the Democratic People's Republic of Korea. During the closed videoconferences held on 28 January and 28 May, and the informal consultations on 16 December, the

Committee heard briefings by the Secretariat on the continuing efforts of the Secretariat to find ways to transfer funds for humanitarian activities in the Democratic People's Republic of Korea.

22. The Committee received letters from several Member States and United Nations entities regarding their engagement with the Democratic People's Republic of Korea, including requests for confirmation that their engagement with the Democratic People's Republic of Korea did not contravene the sanctions regime. The Committee responded to some of those requests, recalling the obligations under the relevant Security Council resolutions.

23. The Committee sent 131 communications to 39 Member States and other stakeholders with reference to the implementation of the sanctions measures.

44. In accordance with the updated Implementation Assistance Notice No. 7: Guidelines for Obtaining Exemptions to Deliver Humanitarian Assistance to the Democratic People's Republic of Korea, the Committee continued the practice of considering pandemic-related humanitarian exemption requests, as well as requests for time extensions to exemption periods, under expedited no-objection procedures.

## V. Sanctions list

45. The criteria for the designation of individuals and entities as subject to the travel ban and asset freeze are set out in paragraphs 8 (d) and (e) of resolution [1718 \(2006\)](#), paragraph 12 of resolution [2087 \(2013\)](#) and paragraph 27 of resolution [2094 \(2013\)](#). The procedures for requesting listing and delisting are described in the Committee's guidelines for the conduct of its work.

46. No entries were added to or removed from the list. As at the end of the reporting period, there were 80 individuals and 75 entities on the sanctions list of the Committee. In addition, there were 59 vessels on the Committee's list of vessels designated pursuant to various provisions of relevant resolutions.

47. Pursuant to paragraph 45 of resolution [2270 \(2016\)](#) and in accordance with the practice of the Committee, the Committee issued a note verbale to Member States dated 19 March to seek their input for the purpose of updating the sanctions list pursuant to resolution [1718 \(2006\)](#).

## **VI. Panel of Experts**

48. On 5 February, in accordance with paragraph 2 of resolution [2515 \(2020\)](#), the Panel of Experts provided its final report to the Committee, which was transmitted to the Security Council on 24 February and issued as a document of the Council ([S/2021/211](#)).

49. On 21 April, following the adoption by the Security Council of resolution [2569 \(2021\)](#) on 26 March, the Secretary-General appointed eight individuals to the Panel, with expertise in missile issues and other technologies, non-proliferation and regional security, customs and export controls, finance and economics, nuclear issues, maritime transport, non-proliferation, procurement and trade, and other weapons of mass destruction and conventional arms. The mandate of the Panel expires on 30 April 2022.

50. On 20 May, in accordance with paragraph 3 of resolution [2569 \(2021\)](#), the Panel presented its programme of work to the Committee.

51. On 3 August, in accordance with paragraph 2 of resolution [2569 \(2021\)](#), the Panel provided its midterm report to the Committee, which was transmitted to the Council on 26 August and issued as a document of the Council ([S/2021/777](#)).

52. The Panel continued its investigations into incidents of non-compliance and alleged violations and submitted an incident report to the Committee regarding missile launches by the Democratic People's Republic of Korea.

53. The Panel conducted visits to Belgium, France and the Russian Federation. The Panel also held informal consultations with government officials and national experts of Member States and with representatives of several international organizations and entities, including the International Atomic Energy Agency. It also participated in relevant international meetings, conferences, workshops and seminars. Owing to the pandemic-related travel restrictions and health advisories, the majority of those meetings were held through videoconferences.

54. In pursuance of its mandate, the Panel, through the Secretariat, sent 443 letters to 261 Member States, the Committee and international and national entities.

## **VII. Secretariat administrative and substantive support**

55. The Security Council Affairs Division provided substantive and procedural support to the Chair and the members of the Committee. Advisory support was also provided to Member States to promote understanding of the sanctions regime and facilitate the implementation of the sanctions measures. Induction briefings were also provided to incoming members of the Council to familiarize them with the specific issues relevant to the sanctions regime. To complement those briefings, from 3 to 6 December, the Secretariat conducted a pilot issues-based training session on the design, implementation, monitoring, evaluation, adjustment and redesign of sanctions for incoming members of the Council.

56. The Division worked with the Department for General Assembly and Conference Management and the Office of Information and Communications Technology of the Department of Management Strategy, Policy and Compliance to

facilitate the conduct of in-person meetings in line with relevant COVID-19 guidance and restrictions and continued to make virtual meetings available as an alternative option.

57. To support the Committee in its recruitment of well-qualified experts to serve on sanctions monitoring groups, teams and panels, a note verbale was sent to all Member States on 2 December to request the nomination of qualified candidates for the roster of experts. In addition, a note verbale was sent to all Member States on 8 January notifying them of upcoming vacancies on the Panel of Experts and providing information on recruitment timelines, areas of expertise and pertinent requirements. On 30 December 2020, vacancy announcements were also made available online at [careers.un.org](https://careers.un.org).

58. The Division continued to provide support to the Panel of Experts, assisting in the preparation of the Panel's final report, submitted to the Committee in February, and its midterm report, submitted to the Committee in August. The Secretariat facilitated travel by Panel members to meet with Member States and other stakeholders, taking into account World Health Organization guidelines, national travel advisories and other COVID-19-related requirements. The Secretariat organized a workshop on incidents of intimidation and reprisals associated with United Nations cooperation, held on 1 December. In addition, the Secretariat organized training sessions for experts on the use of databases provided through the Dag Hammarskjöld Library, to facilitate their monitoring and reporting work.

59. The Secretariat continued to update and maintain the United Nations Security Council Consolidated List and the committee-specific sanctions lists in the six official languages and the three technical formats. Furthermore, the Secretariat implemented improvements concerning the effective utilization of and access to the lists, as well as further developing, in all official languages, the data model approved in 2011 by the Committee pursuant to resolutions [1267 \(1999\)](#), [1989 \(2011\)](#) and [2253 \(2015\)](#) concerning Islamic State in Iraq and the Levant (Da'esh), Al-Qaida and associated individuals, groups, undertakings and entities, as requested by the Council in paragraph 54 of its resolution [2368 \(2017\)](#). In December, the Secretariat held informal meetings with relevant stakeholders to present the structure of the new data model for both the Consolidated List and committee-specific sanctions lists before the official roll-out of the new model.
