Security Council Committee established  
pursuant to resolution [2048 \(2012\)](#)  
concerning Guinea-Bissau

## **Report of the Security Council Committee established pursuant to resolution [2048 \(2012\)](#) concerning Guinea-Bissau**

### **I. Introduction**

1. The present report of the Security Council Committee established pursuant to resolution [2048 \(2012\)](#) concerning Guinea-Bissau covers the period from 1 January to 31 December 2022.
2. The Bureau of the Committee consisted of Lana Zaki Nusseibeh (United Arab Emirates) as Chair and a representative of Kenya as Vice-Chair.

### **II. Background**

3. By paragraph 4 of its resolution [2048 \(2012\)](#), the Security Council imposed a travel ban on five designated individuals and, by paragraph 9, established a committee to oversee the implementation of the targeted measure. On 18 July 2012, the Committee approved the designation of six additional individuals. On 20 December 2017, the Committee approved the delisting of one individual.
4. Further background information on the Guinea-Bissau sanctions regime can be found in the previous annual reports of the Committee.

### **III. Summary of the activities of the Committee**

5. The Committee held no meetings in 2022, conducting its work through written procedures. Throughout 2022, the Chair conducted informal bilateral consultations, including with the country concerned.
6. In 2022, the Committee received no implementation reports from Member States.
7. The Committee sent two communications to one Member State and other stakeholders with reference to the implementation of the sanctions measures.

### **IV. Exemptions**

8. Exemptions to the travel ban are contained in paragraph 5 of resolution [2048 \(2012\)](#).
9. During the reporting period, the Committee received no requests for exemption.

### **V. Sanctions list**

10. The criteria for the designation of individuals as subject to the travel ban are set out in paragraph 6 of resolution [2048 \(2012\)](#). The procedures for requesting listing and delisting are described in the guidelines of the Committee for the conduct of its work.
11. No entries were added to or removed from the list. At the end of the reporting period, there were 10 individuals on the sanctions list of the Committee.

## VI. Secretariat administrative and substantive support

12. The Security Council Affairs Division provided substantive and procedural support to the Chair and the members of the Committee. Advisory support was also provided to Member States to promote understanding of the sanctions regime and facilitate the implementation of the sanctions measures. Induction briefings were also provided to incoming members of the Council to familiarize them with the specific issues relevant to the sanctions regime. To complement those briefings, from 2 to 4 December the Secretariat conducted the second issues-based training session on the design, implementation, monitoring, evaluation, adjustment and redesign of sanctions for incoming members of the Council.

13. The Division worked with the Department for General Assembly and Conference Management and the Office of Information and Communications Technology of the Department of Management Strategy, Policy and Compliance to facilitate the conduct of in-person meetings in line with relevant coronavirus disease (COVID-19) guidance and restrictions and continued to make virtual meetings available as an alternative option.

14. The Secretariat continued to update and maintain the United Nations Security Council Consolidated List and the committee-specific sanctions lists in the six official languages and the three technical formats. Furthermore, the Secretariat implemented improvements concerning the effective utilization of and access to the lists, as well as further developing, in all official languages, the data model approved in 2011 by the Committee pursuant to resolutions [1267 \(1999\)](#), [1989 \(2011\)](#) and [2253 \(2015\)](#) concerning Islamic State in Iraq and the Levant (Da'esh), Al-Qaida and associated individuals, groups, undertakings and entities, as requested by the Council in paragraph 54 of its resolution [2368 \(2017\)](#). The implementation of the enhanced data model and its supporting application have been completed and the Division is in the process of migrating and verifying data from the sanctions list in all official languages. In May, the Division published a table of updates to the Consolidated List that have been implemented since 2018.
