COMPLAINT OF THE REPRESENTATIVE OF THE UNION OF SOVIET SOCIALIST
REPUBLICS IN A LETTER TO THE PRESIDENT OF THE SECURITY COUNCIL
DATED 18 APRIL 1958 ENTITLED:

"URGENT MEASURES TO PUT AN END TO FLIGHTS BY UNITED STATES
MILITARY AIRCRAFT ARMED WITH ATOMIC AND HYDROGEN BOMBS
IN THE DIRECTION OF THE FRONTIERS OF THE SOVIET UNION"

United States of America: draft resolution

DRAFT RESOLUTION

The Security Council,

Considering further the item of the USSR of 18 April 1958,

Noting the development, particularly in the Soviet Union and the United States
of America of growing capabilities of massive surprise attack,

Believing that the establishment of measures to allay fears of such massive
surprise attack would help reduce tensions and would contribute to the increase
of confidence among States,

Noting the statements of certain members of the Council regarding the
particular significance of the Arctic area,

Recommends that there be promptly established the Northern zone of
international inspection against surprise attack, comprising the area north of the
Arctic Circle with certain exceptions and additions, that was considered by the
United Nations Disarmament Sub-Committee of Canada, France, the USSR, the
United Kingdom and the United States during August 1957;

Calls upon the five States mentioned, together with Denmark and Norway, and
any other States having territory north of the Arctic Circle which desire to have
such territory included in the zone of international inspection, at once to
designate representatives to participate in immediate discussions with a view to
agreeing on the technical arrangements required;

Decides to keep this matter on its agenda for such further consideration as
may be required.
