TEXT OF THE DECISION ADOPTED ON 20 MARCH 1961 BY THE
JORDAN-ISRAEL MIXED ARMISTICE COMMISSION

"The Mixed Armistice Commission,

"Having discussed Jordan complaint No. G. 104 and the investigation report concerning this complaint made by the United Nations Military Observers, finds:

- "1. That on the morning of the 17th March, heavy military armament in excess to that allowed for in the General Armistice Agreement, such as a centurion tank, 105 and 155 artillery guns, Sherman tanks, were on the Israel side of the Demarcation Line in Jerusalem, Holy City.
- "2. This act by Israel is a breach of the General Armistice Agreement.
- "3. The Mixed Armistice Commission condemns this act by Israel and calls upon the Israeli authorities to take the strongest measures to prevent the recurrence of such a breach of the General Armistice Agreement and to refrain in the future from bringing to Jerusalem any equipment in excess to that allowed for under the terms of the General Armistice Agreement."
