Liberia and United Arab Republic: joint draft resolution

The Security Council,

Having considered the complaint of Tunisia against France (S/4861,
20 July 1961);

Having heard the statements of the representatives of France and Tunisia;

Convinced that the continuation of the situation is a threat to international
peace and security;

1. Calls for an immediate cease-fire, and
2. Further calls for the immediate withdrawal of those French forces
which have been introduced into the base at Bizerte, and for the return to their
original position of those which have transgressed beyond the limits of that
base, since 19 July 1961,
3. Further calls upon both parties to enter into immediate negotiations
aimed at the speedy evacuation of the French forces from Tunisia.
