United States and United Kingdom: joint draft resolution

The Security Council,

Noting with profound regret the circumstances in which fighting has broken out in Tunisia between French and Tunisian forces,

Having considered the statements made in the Council by the representatives of Tunisia and France and by other members of the Council,

Taking into account the obligation under the Charter that all Members shall settle their differences by peaceful means,

1. Calls upon the parties to effect an immediate cease-fire and a speedy return of all forces to their previous positions;
2. Calls upon all concerned to refrain from any action which might lead to a further deterioration of the situation;
3. Urges the parties, in accordance with the Charter, to negotiate promptly a peaceful settlement of their differences;
4. Decides to keep the situation under urgent review in the interests of peace and security.
