Adoption of the agenda

The agenda was adopted.

The situation in the Middle East

Report of the Secretary-General on the United Nations Interim Force in Lebanon (S/1995/595)

The President (*interpretation from Spanish*): The Security Council will now begin its consideration of the item on its agenda. The Security Council is meeting in accordance with the understanding reached in its prior consultations.

Members of the Council have before them the report of the Secretary-General on the United Nations Interim Force in Lebanon, document S/1995/595. Members of the Council also have before them document S/1995/619, which contains the text of a draft resolution prepared in the course of the Council's prior consultations.

I should like to draw the attention of the members of the Council to document S/1995/554, which contains the text of a letter dated 10 July 1995 from the Permanent Representative of Lebanon to the United Nations addressed to the Secretary-General.

It is my understanding that the Security Council is ready to proceed to the vote on the draft resolution (S/1995/619) before it. If I hear no objection, I shall put the draft resolution to the vote now.

There being no objection, it is so decided.

A vote was taken by show of hands.

In favour:

Argentina, Botswana, China, Czech Republic, France, Germany, Honduras, Indonesia, Italy, Nigeria, Oman, Russian Federation, Rwanda, United Kingdom of Great Britain and Northern Ireland, United States of America

The President (*interpretation from Spanish*): There were 15 votes in favour. The draft resolution has been adopted unanimously as resolution 1006 (1995).

Following consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

"The Security Council has noted with appreciation the report of the Secretary-General on the United Nations Interim Force in Lebanon (UNIFIL) (S/1995/595) submitted in conformity with resolution 974 (1995).

"The Security Council reaffirms its commitment to the full sovereignty, independence, territorial integrity and national unity of Lebanon within its internationally recognized boundaries. In this context, the Council asserts that any State shall refrain from the threat or use of force against the territorial integrity or political independence of any State, or in any other manner inconsistent with the purposes of the United Nations.

"As the Security Council extends the mandate of UNIFIL for a further interim period on the basis of resolution 425 (1978), the Council again stresses the urgent need for the implementation of that resolution in all its aspects. It reiterates its full support for the Taif Agreement and for the continued efforts of the Lebanese Government to consolidate peace, national unity and security in the country, while successfully carrying out the reconstruction process. The Council commends the Lebanese Government for its successful efforts to extend its authority in the south of the country in full coordination with UNIFIL.

"The Security Council expresses its concern over the continuing violence in southern Lebanon, regrets the loss of civilian life, and urges all parties to exercise restraint.

"The Security Council takes this opportunity to express its appreciation for the continuing efforts of the Secretary-General and his staff in this regard and commends UNIFIL's troops and troop-contributing countries for their sacrifices and commitment to the cause of international peace and security under difficult circumstances."

This statement will be issued as a document of the Security Council under the symbol S/PRST/1995/35.

The Security Council has thus concluded the present stage of its consideration of the item on the agenda.
