**The President:** The draft resolution received 15 votes in favour. The draft resolution has been adopted unanimously as resolution 2671 (2022).

As this is the last scheduled meeting of the Council for the month of December, I would like to express the sincere appreciation of the delegation of India to the members of the Council and to the secretariat of the Council for all the support they have given us. Indeed, it has been a busy month, and one in which we rallied to consensus on several important issues within our purview. We could not have done it alone or without the hard work, support and positive contributions of every delegation and the representatives of the Secretariat, including the technical support team, conference service officers, interpreters, verbatim reporters and security staff.

As we end our presidency, I know I speak on behalf of the Council in wishing the delegation of Japan good luck in the month of January.

On behalf of the Council, I would also like to express the sincere appreciation of the Council to the five outgoing members, namely, India, Ireland, Kenya, Mexico and Norway. I commend their hard work and contributions during their terms on the Security Council.
