PROPOSAL OF ROMANIA FOR INCLUSION IN THE FINAL DECLARATION

The following text is proposed for inclusion in the review of article III:

Article III

It was also recognized that, for certain parties, it was difficult in practice to invoke the provisions of article III, since they did not possess the technical means needed to verify through observation the activities of other States Parties to the Treaty. The co-operation of all the States Parties, and particularly of the Depositary States, in the verification process of the Treaty is, consequently, of great importance.
