Distr.: General 12 June 2003

Original: English

Thirteenth Meeting

New York, 9-13 June 2003

Decisions on budgetary matters of the International Tribunal for the Law of the Sea for 2004

- 1. The Meeting of States Parties approves the budget of the International Tribunal for the Law of the Sea for 2004, amounting to US\$ 8,039,000, as set out in annex I to the present document, together with the staffing table for the Registry of the Tribunal in 2004, as contained in annexes II and III.
- 2. With a view to providing the Tribunal with the necessary financial means to consider cases in 2004, in particular those requiring expeditious proceedings, the Meeting of States Parties approves an amount of US\$ 1,109,200 in 2004 as case-related costs of the Tribunal. The Meeting agreed that the budget part entitled "contingency costs" should be renamed "case-related costs". The case-related costs shall only be used in the event of cases being submitted to the Tribunal.
- 3. Without prejudice to the application of the provisions of article 19 of annex VI to the United Nations Convention on the Law of the Sea in respect of future budgets of the Tribunal regarding the contribution to be made by the International Seabed Authority, the budget of the Tribunal for 2004, including its case-related costs in 2004, amounting to US\$ 1,109,200, will be financed by all States and international organizations that are Parties to the Convention.
- 4. The Meeting of States Parties decides that the contributions to be made by States Parties shall be based upon the scale of assessments for the regular budget of the United Nations in the preceding financial year adjusted to take account of participation in the Convention. The Meeting also decides that a floor rate of 0.01 per cent and a ceiling rate of 24 per cent would be used in establishing the rate of assessment for States Parties for the budget of the Tribunal for 2004.
- 5. With respect to the Tribunal's budget proposals for 2005-2006, the Meeting of States Parties requests the Tribunal to review the method used to assess common staff costs in order to reflect more accurately the actual costs involved, and also requests the Tribunal to consider whether assessment of common staff costs should be based on actual costs rather than using the United Nations applicable standard costs.
