Prevention of an arms race in outer space: reducing space threats through norms, rules and principles of responsible behaviours

Chile: draft decision*

Open-ended working group on reducing space threats through norms, rules and principles of responsible behaviours

The General Assembly, recalling its resolution [76/231](#) of 24 December 2021, in which it decided to convene, beginning in 2022, an open-ended working group on reducing space threats through norms, rules and principles of responsible behaviours, notes that the open-ended working group held its organizational session on 7 and 9 February 2022, and decides that the working group shall hold its first session of five days from 9 to 13 May 2022, its second session of five days from 12 to 16 September 2022, its third session of five days from 30 January to 3 February 2023 and its fourth session of five days from 7 to 11 August 2023, unless the working group decides otherwise.

* In order for the General Assembly to take action on the present proposal, it will be necessary to reopen consideration of agenda item 98 (d) and to consider it directly in plenary meeting.
