**The President** (*spoke in Spanish*): I call to order the 1429th plenary meeting of the Conference on Disarmament.

Before we begin, I would like to remind you that, after this plenary meeting, we will hold an informal meeting to continue working on our annual report. After the informal meeting, I will be available for informal consultations with those delegations that are interested. These informal consultations will be held in conference room X in the A Building.

The secretariat has circulated an advance copy of the amendments made at our previous informal meeting. The amendments in question include some technical updates as well as proposals submitted by delegations to the presidency at the previous informal meeting.

As I do not have any delegations on the list of speakers for this morning, I would like to ask if any delegation wishes to take the floor.

That does not seem to be the case. As I said earlier, we will hold an informal meeting after we close here. Please be reminded that the United Nations Office at Geneva will not be open tomorrow. Before bringing the meeting to a close, I would like to wish all colleagues a very happy Eid al-Adha.

This concludes our business for today. The next plenary meeting of the Conference on Disarmament will be held next Tuesday, 5 September 2017, at 10 a.m.

*The meeting rose at 10.10 a.m.*
