Seventy-fifth session
Agenda item 44
Question of Cyprus****Security Council
Seventy-fifth year****Letter dated 18 September 2020 from the Permanent Representative
of Cyprus to the United Nations addressed to the Secretary-General**

Upon instructions from my Government, I am transmitting herewith four separate documents recording the violations of the national airspace of Cyprus and infringements of international air traffic regulations in the flight information region of Cyprus and the illegal use of closed ports and airports in Cyprus by Turkey during the months of June and July 2020 (see annexes I–IV).^{*} This pattern of behaviour constitutes a serious concern for the Republic of Cyprus, is a continuous violation of its sovereignty and adds to the catastrophic repercussions of the invasion and ongoing occupation of part of its territory by Turkey.

Furthermore, the persistent policy of violating the Charter of the United Nations and international law and breaching international rules and regulations is a constant threat to international peace and security, negatively impacts regional stability, jeopardizes the safety of international civil aviation and creates difficulties for air traffic over Cyprus, and prevents the creation of an enabling environment in which to conduct the Cyprus peace process.

Turkey continues to systematically harass civilian and military aircraft within the Nicosia flight information region via radio calls while, during the same period, the regime installed by the occupying power in the area of Cyprus that it occupies has illegally issued one notice to airmen relating to exercises conducted by the Turkish Air Force. Additionally, Turkish commercial aircraft systematically use the Tymbou airport, which continues to operate illegally following the closure, by the Cyprus Government, of all ports of entry in the areas where it does not exercise effective control.

The said actions of Turkey, which continues to occupy the northern part of the Republic of Cyprus since 1974, clearly aim at undermining the sovereignty of Cyprus, consolidating the ongoing de facto division, and upgrading the secessionist entity's status by claiming a purported airspace over the occupied territory of the Republic. In this respect, I would like to underline that there is only one Cypriot State, which is the Republic of Cyprus, as also stipulated also in various Security Council resolutions (particularly resolutions [541 \(1983\)](#) and [550 \(1984\)](#)) which have declared legally invalid the purported secession of part of Cyprus.

^{*} Circulated in the language of submission only.

On behalf of my Government, I strongly protest the continuing violations of the national airspace and territorial waters of Cyprus by Turkey, as well as the infringements by the latter of international air traffic regulations, and appeal for their immediate cessation.

The Republic of Cyprus reiterates its call to respect Security Council resolutions and adhere to the principles of sovereignty and non-interference enshrined in the Charter.

Finally, I would like to urge Turkey and the Turkish Cypriot community to contribute to a meaningful resumption of the peace process, instead of focusing on undermining the sovereignty of the Republic of Cyprus and promoting the partition of Cyprus through the creation of facts on the ground and the consolidation of the status quo, including by seeking to politically upgrade the secessionist entity.

In particular, at this juncture, I must single out the threats and actions of Turkey, which is fully responsible for the status quo in Varosha and its unlawful, subordinate local administration in occupied Cyprus, to reopen the fenced area of Varosha, in violation of relevant Security Council resolutions and in full disregard of both the recent calls of the Security Council to avoid actions in relation to Varosha that are not in accordance with its resolutions and the fact that such actions would deal a disastrous blow to peace efforts.

I would be grateful if you would circulate the present letter and its annexes as a document of the General Assembly, under agenda item 44, and of the Security Council.

(Signed) Andreas D. **Mavroyiannis**
